POLITICAL PROCESSES

The Board of Trustees has a responsibility to actively advocate fiscal and public policy that supports the district's schools and the children in the community. The Board shall be proactive in defining the district's advocacy agenda based on the district's vision and goals and the needs of the district and community. The Board's advocacy efforts shall be conducted in accordance with legal requirements.

(cf. 0000 - Vision)

(cf. 0200 - Goals for the School District)

(cf. 4119.25/4219.25/4319.25 - Political Activities of Employees)

(cf. 9000 - Role of the Board)

(cf. 9010 - Public Statements)

Ballot Measures/Candidates

No district funds, services, supplies, or equipment shall be used to urge the support or defeat of any ballot measure or candidate, including any candidate for election to the Board. (Education Code 7054)

The Board may discuss and study the potential effect of proposed or qualified ballot measures on the district's schools at an open and agendized Board meeting. The Board's discussion of the effect of such measures shall include an opportunity for staff and members of the public to speak on all sides of the issue. At that meeting, the Board may adopt a position or resolution in support of or in opposition to a ballot measure. The language in any resolution adopted by the Board shall not urge the public to take any action regarding the measure.

(cf. 9320 - Meetings and Notices)

The Board's position on a ballot measure, including any resolution, shall be publicized only through normal district procedures and consistent with regular district practice for reporting Board actions. Such publicity shall be for informational purposes and shall not attempt to influence voters.

The Superintendent or designee may use district resources to provide students, parents/guardians, and community members with fair and impartial information related to ballot measures, including information about the impact of ballot measures on the district. (Education Code 7054)

(cf. 1100 - Communication with the Public)

In preparing or distributing such informational material, the Superintendent or designee shall analyze the material to help ensure that it is an appropriate informational activity, provides a fair analysis of the issues, and does not advocate passage or defeat of a measure or candidate.

POLITICAL PROCESSES (continued)

District resources, including email or computer systems, shall not be used to disseminate campaign literature. In addition, district resources shall not be used to purchase advertisements, bumper stickers, posters, or similar promotional items that advocate an election result or urge voters to take any action in support of or in opposition to a measure.

(cf. 1325 - Advertising and Promotion)

Political activity related to district bond measures shall, in addition to the above, be subject to the following conditions:

1. The Superintendent or designee may research, draft, and prepare a district bond measure or other initiative for the ballot, but shall not use district resources to influence voters or otherwise campaign for the measure.
2. Upon request, Board members and district administrators may appear at any time before a citizens' group to explain why the Board called for an election on a bond measure and to answer questions. (Education Code 7054.1)

If the presentation occurs during working hours, the employee representing the district shall not urge a citizens' group to vote for or against the bond measure.

3. The Board or any individual Board member may file a written argument for the ballot that is either for or against any school measure. (Elections Code 9501)

Legislation

The Board's responsibility as an advocate for the district may include lobbying and outreach at the state, national, and local levels. The Board and Superintendent or designee shall work to establish and maintain ongoing relationships with elected officials, community leaders, and the media in order to communicate district positions and concerns.

(cf. 1020 - Youth Services)

(cf. 1112 - Media Relations)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 7131 - Relations with Local Agencies)

The Board and Superintendent shall develop an advocacy action plan to define expectations and responsibilities. This plan may include, but is not limited to, legislative priorities, strategies for outreach to the media and community, development of key messages and talking points, and adoption of positions on specific legislation, regulations, or budget proposals.

POLITICAL PROCESSES (continued)

In order to strengthen legislative advocacy efforts, the district may work with organizations and coalitions and may join associations whose representatives lobby on behalf of their members in accordance with Government Code 53060.5.

The district may provide fair and impartial information about legislative issues affecting schools and children and shall inform the community about its advocacy activities. However, informational materials about legislation shall not urge the public to lobby the legislature, Governor, or state agencies on behalf of the district.

As necessary, the Board may direct the Superintendent or designee to draft legislative or regulatory proposals which serve the district's interests.

Legal Advocacy

The Board recognizes that some issues are more appropriately addressed judicially rather than legislatively. When a legal issue is likely to set a state or national precedent, the district may join with other districts or parties in order to resolve the issue through litigation or other appropriate means.

(cf. 9124 - Attorney)

(cf. 9321 - Closed Session Purposes and Agendas)

Forums on political issues may be held in district facilities as long as the forum is made available to all sides of the issue on an equitable basis. (Education Code 7058)

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS

The Board of Trustees uses a comprehensive process to adopt district instructional materials that is based on selection criteria established by law and Board policy and includes opportunities for the involvement of parents/guardians and community members. Complaints concerning the content or use of instructional materials, including textbooks, supplementary instructional materials, library materials, or other instructional materials and equipment, shall be properly and fairly considered using established complaint procedures.

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

(cf. 6163.1 - Library Media Centers)

Parents/guardians are encouraged to discuss any concerns regarding instructional materials with their child's teacher and/or the school principal. If the situation remains unresolved, a complaint may be filed using the process specified in the administrative regulation.

The district shall accept complaints concerning instructional materials only from staff, district residents, or the parents/guardians of children enrolled in a district school.

When deliberating upon challenged materials, the Superintendent and/or review committee shall consider the educational philosophy of the district, the professional opinions of teachers of the subject and of other competent authorities, reviews of the materials by reputable bodies, the teacher's stated objectives in using the materials, community standards, and the objections of the complainant.

Complainants are encouraged to accept the Superintendent's or review committee's decision. However, if the complainant finds that decision unsatisfactory, he/she may appeal the decision to the Board.

(cf. 9322 - Agenda/Meeting Materials)

The district's decision shall be based on educational suitability of the materials and the criteria established in Board policy and administrative regulation.

(cf. 6144 - Controversial Issues)

(cf. 9000 - Role of the Board)

(cf. 9005 - Governance Standards)

When any challenged instructional material is reviewed by the district, it shall not be subject to further reconsideration for 12 months, unless the Superintendent determines that reconsideration is warranted.

Complaints related to sufficiency of textbooks or instructional materials shall be resolved pursuant to the district's Williams uniform complaint procedure at AR 1312.4.

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS

Step 1: Informal Complaint

If a staff member, district resident, or parent/guardian of a student enrolled in a district school has a complaint regarding the content or use of any specific instructional material, he/she shall informally discuss the material in question with the principal.

Step 2: Formal Complaint

If the complainant is not satisfied with the principal's initial response, he/she shall present a written complaint to the principal. Complaints regarding printed material shall name the author, title, and publisher and shall identify the objection by page and item numbers. In the case of nonprinted material, written information specifying the precise nature of the objection shall be given. Complainants shall sign all complaints and provide identifying information so that the district is able to make a proper reply. Anonymous complaints will not be accepted.

Upon receiving a complaint, the principal shall acknowledge its receipt and answer any questions regarding procedure. The principal then shall notify the Superintendent or designee and the teacher(s) involved of the complaint.

During the investigation of the complaint, the challenged material may remain in use until a final decision has been reached. However, upon request of the parent/guardian who has filed the complaint, his/her child may be excused from using challenged materials until a resolution has been reached. The teacher shall assign the student an alternate material of equal merit.

Step 3: Superintendent Determination

The Superintendent or designee shall determine whether a review committee should be convened to review the complaint.

If the Superintendent or designee determines that a review committee is not necessary, he/she shall issue a decision regarding the complaint.

Step 4: Review Committee

If the Superintendent or designee determines that a review committee is necessary, he/she shall appoint a committee composed of administrators and staff members selected from relevant instructional and administrative areas. The Superintendent or designee may also appoint community members to serve on the committee.

COMPLAINTS CONCERNING INSTRUCTIONAL MATERIALS (continued)

Within 30 days of being convened, the review committee shall summarize its findings in a written report. The Superintendent or designee shall notify the complainant of the committee's decision within 15 days of receiving the committee's report.

Step 5: Appeal to the Governing Board

If the complainant remains unsatisfied, he/she may appeal the Superintendent's or the review committee's decision to the Board. The Board's decision shall be final.

In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

UNIFORM COMPLAINT PROCEDURES (continued)

All complainants shall be protected from retaliation.

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy (item #1 of the section "Complaints Subject to the UCP") may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.

UNIFORM COMPLAINT PROCEDURES (continued)

5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after the compliance officer receives the complaint, he/she may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

UNIFORM COMPLAINT PROCEDURES (continued)

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

Report of Findings

Unless extended by written agreement with the complainant, a final decision shall be sent to the complainant within 60 calendar days of the district's receipt of the complaint. Within 30 calendar days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five business days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be

answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

In resolving any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent also shall be sent the district's decision and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
 - a. Statements made by any witnesses
 - b. The relative credibility of the individuals involved
 - c. How the complaining individual reacted to the incident
 - d. Any documentary or other evidence relating to the alleged conduct

UNIFORM COMPLAINT PROCEDURES (continued)

- e. Past instances of similar conduct by any alleged offenders
 - f. Past false allegations made by the complainant
2. The conclusion(s) of law
 3. Disposition of the complaint
 4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. The manner in which the misconduct affected one or more students' education
 - b. The type, frequency, and duration of the misconduct
 - c. The relationship between the alleged victim(s) and offender(s)
 - d. The number of persons engaged in the conduct and at whom the conduct was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different individuals
5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- a. The corrective actions imposed on the respondent
- b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.

UNIFORM COMPLAINT PROCEDURES (continued)

- c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence
6. Notice of the complainant's and respondent's right to appeal the district's decision to CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. He/she may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services

UNIFORM COMPLAINT PROCEDURES (continued)

4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

UNIFORM COMPLAINT PROCEDURES (continued)

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's final written decision of a complaint regarding any specified federal or state educational program subject to the UCP may file an appeal in writing with CDE within 15 calendar days of receiving the district's decision. (Education Code 222, 48853, 48853.5, 49013, 49069.5, 51223, 51225.1, 51225.2, 51228.3, 52075; 5 CCR 4632)

The complainant or respondent shall specify the basis for the appeal of the decision and how the facts of the district's decision are incorrect and/or the law has been misapplied. The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's decision in that complaint. (5 CCR 4632)

DISTRIBUTION OF MATERIALS THOROUGH THE SCHOOLS

The Board of Trustees acknowledges communication with parents/guardians as an integral part of a student's education. However, materials distributed to parents/guardians should be relevant to education. To this end, the Superintendent is directed to develop procedures to facilitate appropriate communications.

2. Only materials from non-profit, community-oriented organizations will be distributed through the schools.
3. An advisory committee of administrators may be appointed to review materials for distribution.

All solicitation of funds from school children for purposes other than that of school activities is prohibited in the schools except with the expressed approval of the Board.

Solicitors

Without written permission of the Superintendent, agents and solicitors are forbidden to solicit or offer for sale any wares, articles, stocks, bonds, insurance, etc., on any school premises at any and all times, excepting agents of publishers of educational materials.

Staff is expected to emphasize the fact that donations are always voluntary.

The Superintendent or designee shall ensure that parents/guardians are informed of the purpose of fund-raisers.

Board Policy

Community Relations

BP 1330(a)

USE OF SCHOOL FACILITIES

The Board of Trustees believes that school facilities and grounds are a vital community resource which should be used to foster community involvement and development. Therefore, the Board authorizes the use of school facilities by district residents and community groups for purposes specified in the Civic Center Act, to the extent that such use does not interfere with school activities or other school-related uses.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)
(cf. 6145.5 - Student Organizations and Equal Access)

The Superintendent or designee shall give priority to school-related activities in the use of school facilities and grounds. Other uses authorized under the Civic Center Act shall be on a first-come, first-served basis.

For the effective management and control of school facilities and grounds, the Superintendent or designee shall maintain procedures and regulations that: (Education Code 38133)

1. Aid, encourage, and assist groups desiring to use school facilities for approved activities
2. Preserve order in school facilities and on school grounds and protect school facilities, designating a person to supervise this task, if necessary

(cf. 0450 - Comprehensive School Safety Plan)
(cf. 3516 - Emergencies and Disaster Preparedness Plan)

3. Ensure that the use of school facilities or grounds is not inconsistent with their use for school purposes and does not interfere with the regular conduct of school work

The Superintendent or designee may grant the use of school facilities or grounds on those days on which district schools are closed. (Education Code 37220)

(cf. 6115 - Ceremonies and Observances)

There shall be no advertising on school facilities and grounds except as allowed by district policy specified in BP 1325 - Advertising and Promotion.

(cf. 1325 - Advertising and Promotion)

As necessary to ensure efficient use of school facilities, the Superintendent or designee may, with the Board's approval, enter into an agreement for the joint use of any school facilities or grounds. The Board shall approve any such agreement only if it determines that it is in the best interest of the district and the community.

USE OF SCHOOL FACILITIES (continued)

(cf. 1330.1 - Joint Use Agreements)

Fees

The Board shall adopt a comprehensive schedule of fees to be charged for community use of school facilities and grounds, including, but not limited to, the multipurpose room(s), playing or athletic field(s), track and field venue(s), tennis court(s), and outdoor basketball court(s). The schedule of fees shall be prepared in accordance with 5 CCR 14037-14041. (5 CCR 14041)

(cf. 9320 - Meetings and Notices)

The Board authorizes the use of school facilities or grounds, without charge, by nonprofit organizations and by clubs or associations organized to promote youth and school activities, including, but not limited to, Girl Scouts, Boy Scouts, Camp Fire USA, YMCA, parent-teacher associations, school-community advisory councils, and recreational youth sports leagues that charge participants no more than an average of \$60 per month. Other groups that request the use of school facilities under the Civic Center Act shall be charged an amount not exceeding direct costs determined in accordance with 5 CCR 14037-14041. (Education Code 38134)

Additionally, when any use of school facilities or grounds is for religious services, the district shall charge an amount at least equal to the district's direct costs. (Education Code 38134)

Groups shall be charged fair rental value when using school facilities or grounds for entertainment or meetings where admission is charged or contributions solicited and net receipts are not to be expended for charitable purposes or for the welfare of the district's students. (Education Code 38134)

Calculating Direct Costs

Direct costs to be charged for community use of each, or each type of, school facility or grounds shall be calculated in accordance with 5 CCR 14038 and may reflect the community's proportionate share of the following costs: (Education Code 38134; 5 CCR 14038-14041)

1. Capital direct costs calculated in accordance with 5 CCR 14039, including the estimated costs of maintenance, repair, restoration, and refurbishment of non-classroom space school facilities or grounds
2. Operational direct costs calculated in accordance with 5 CCR 14040, including estimated costs of supplies, utilities, janitorial services, other services performed by district employees and/or contracted workers, and salaries and benefits paid to district employees directly associated with the administration of the Civic Center Act to operate and maintain school facilities and grounds

USE OF SCHOOL FACILITIES (continued)**Expending Funds Collected as Capital Direct Costs**

Any funds collected as capital direct costs shall be deposited into a special fund to be used only for capital maintenance, repair, restoration, and refurbishment of school facilities and grounds. (5 CCR 14042)

Use of School Facility as Polling Place

The Board may authorize the use of school buildings as polling places on any election day, and may also authorize the use of school buildings, without cost, for the storage of voting machines and other vote-tabulating devices. However, if a city or county elections official specifically requests the use of a school building as a polling place, the Board shall allow its use for such purpose. If school will be in session, the Superintendent or designee shall identify to elections officials the specific areas of the school buildings not occupied by school activities that will be allowed for use as polling places. (Elections Code 12283)

(cf. 6111 - School Calendar)

When a school is used as a polling place, the Superintendent or designee shall provide the elections official a site with an adequate amount of space that will allow the precinct board to perform its duties in a manner that will not impede, interfere, or interrupt the normal process of voting and shall make a telephone line for Internet access available for use by local elections officials if so requested. He/she shall make a reasonable effort to ensure that the site is accessible to persons with disabilities. (Elections Code 12283)

The Superintendent or designee shall establish procedures to ensure student safety and minimize disruptions whenever school is in session while the facilities are being used as a polling place.

outweighs the public interest served by disclosure of the record (Government Code 6255)

Inspection of Records and Requests for Copies

Any person may request a copy or inspection of any district record that is open to the public and not exempt from disclosure. (Government Code 6253)

Within 10 days of receiving any request to inspect or copy a district record, the Superintendent or designee shall determine whether the request seeks release of a disclosable public record in the district's possession. The Superintendent or designee shall promptly inform the person making the request of his/her determination and the reasons for the decision. (Government Code 6253)

In unusual circumstances, the Superintendent or designee may extend the 10-day limit for up to 14 days by providing written notice to the requester and setting forth the reasons for the extension and the date on which a determination is expected to be made. Unusual circumstances include the following, but only to the extent reasonably necessary to properly process the request: (Government Code 6253)

1. The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request
2. The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request
3. The need for consultation, which shall be conducted with all practicable speed, with another agency (e.g., a state agency or city) having a substantial interest in the determination of the request or among two or more components of the district (e.g., two different school sites) with substantial interest in the request
4. In the case of electronic records, the need to compile data, write programming language or a computer program, or construct a computer report to extract data

If the Superintendent or designee determines that the request seeks disclosable public records, the determination shall state the estimated date and time when the records will be made available. (Government Code 6253)

Public records shall be open to inspection at all times during district office hours. Any reasonably segregable portion of a record shall be made available for inspection by any person requesting the record after deletion of the portions that are exempted by law. (Government Code 6253)

Upon request for a copy that reasonably describes an identifiable record, an exact copy shall be promptly provided unless it is impracticable to do so. (Government Code 6253)

ACCESS TO DISTRICT RECORDS (continued)

The Superintendent or designee shall charge an amount for copies that reflects the direct costs of duplication. Written requests to waive the fee shall be submitted to the Superintendent or designee.

In addition to maintaining public records for public inspection during district office hours, the district may comply with public records requests by posting any public record on the district's web site and, in response to a public records request, directing the member of the public to the location on the web site where the record can be found. However, if the member of the public is unable to access or reproduce the record from the web site, the district shall promptly provide an exact copy of the public record upon payment of duplication fees, if applicable, unless it is impracticable to provide an exact copy. (Government Code 6253)

If any person requests that a public record be provided in an electronic format, the district shall make that record available in any electronic format in which it holds the information. The district shall provide a copy of the electronic record in the format requested as long as the requested format is one that has been used by the district to create copies for its own use or for use by other agencies. (Government Code 6253.9)

The cost of duplicating an electronic record shall be limited to the direct cost of producing a copy of the record in electronic format. However, the requester shall bear the cost of producing the copy of the electronic record, including the cost to construct the record and the cost of programming and computer services necessary to produce the copy, under the following circumstances: (Government Code 6253.9)

1. The electronic record is one that is produced only at otherwise regularly scheduled intervals.
2. The request would require data compilation, extraction, or programming to produce the record.

Assistance in Identifying Requested Records

If the Superintendent or designee denies a request for disclosable records, he/she shall assist the requester in making a focused and effective request that reasonably describes an identifiable record. To the extent reasonable under the circumstances, the Superintendent or designee shall do all of the following: (Government Code 6253.1)

1. Assist in identifying records and information responsive to the request or the purpose of the request, if specified

If, after making a reasonable effort to elicit additional clarifying information from the requester to help identify the record, the Superintendent or designee is still unable to identify the information, this requirement shall be deemed satisfied.

2. Describe the information technology and physical location in which the records exist

ACCESS TO DISTRICT RECORDS (continued)

3. Provide suggestions for overcoming any practical basis for denying access to the records or information sought

Provisions of the Public Records Act shall not be construed so as to delay or obstruct the inspection or copying of public records. Any notification denying a request for public records shall state the name and title of each person responsible for the denial. (Government Code 6253)

BIGGS UNIFIED SCHOOL DISTRICT
Biggs, California

WAIVERS

The Board of Trustees recognizes that strict compliance with the law may sometimes hinder the district's ability to provide its students with an effective, well-rounded educational program. When it is in the interest of district students, the Board may request that the State Board of Education (SBE) waive any provision of state or federal law or regulation which it has authority to waive pursuant to Education Code 33050.

Any waiver request to be submitted to the SBE shall first be approved by the Board. The Superintendent or designee shall ensure that each proposed waiver request includes all information necessary for the Board to analyze the need for the waiver and make an informed decision.

Prior to presenting the proposed request for Board approval, the Superintendent or designee shall consult with and obtain the approval of any advisory committee or site council when required by law.

(cf. 0420 - School Plans/Site Councils)
(cf. 0420.1 - School-Based Program Coordination)
(cf. 1220 - Citizen Advisory Committees)

In addition, the Superintendent or designee shall involve the exclusive representative of district employees in the development of the waiver request, and shall include in the request the exclusive representative's position regarding the waiver. (Education Code 33050)

(cf. 4140/4240/4340 - Bargaining Units)

To receive public testimony on each waiver request proposal, the Board shall hold a properly noticed public hearing during a Board meeting. (Education Code 33050)

The notice, which shall state the time, date, location, and subject of the public hearing, may be printed in a newspaper of general circulation or posted at each school and three public places in the district.

(cf. 9320 - Meetings and Notices)

When the district has requested and received the same general waiver from the SBE for two consecutive years, the Board is not required to reapply annually if the information contained on the request remains current. However, the district shall apply annually for the renewal of any waiver regarding teacher credentialing. (Education Code 33051)
