DISMISSAL/SUSPENSION/DISCIPLINARY ACTION

Termination of Probationary Employment

At any time prior to the expiration of the probationary period, the Superintendent or designee may, at his/her discretion, dismiss a probationary classified employee from district employment. A probationary employee shall not be entitled to a hearing.

Involuntary Suspension Without Pay, Demotion, Reduction of Pay Step in Class, or Dismissal of Permanent Classified Employees

Permanent classified employees shall be subject to personnel action (suspension without pay, demotion, reduction of pay step in class, dismissal) only for cause. The Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

1. Causes

In addition to any disqualifying or actionable causes otherwise provided for by statute or by policy or regulation of this district, each of the following constitutes cause for personnel action against a permanent classified employee:

- a. Falsifying any information supplied to the school district, including, but not limited to, information supplied on application forms, employment records, or any other school district records.
- b. Incompetency.
- c. Inefficiency.
- d. Neglect of duty.
- e. Insubordination.
- f. Dishonesty.
- g. Drinking alcoholic beverages while on duty or in such close time proximity thereto as to cause any detrimental effect upon the employee or upon employees associated with him/her.

(cf. 4020 - Drug and Alcohol-Free Workplace)

- h. Possessing or being under the influence of a controlled substance at work or away from work, or furnishing a controlled substance to a minor.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

- i. Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this purpose.
- j. Absence without leave.
- k. Immoral conduct.
- l. Discourteous treatment of the public, students, or other employees.
- m. Improper political activity.
- n. Willful disobedience.
- o. Misuse of district property.

- q. Failure to possess or keep in effect any license, certificate, or other similar requirement specified in the employee's class specification or otherwise necessary for the employee to perform the duties of the position.
- r. Refusal to take and subscribe any oath or affirmation which is required by law in connection with his/her employment.
- s. A physical or mental disability which precludes the employee from the proper performance of his/her duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law regulating the retirement of employees.
- t. Unlawful discrimination, including harassment, on the basis of race, religious creed, color, national origin, ancestry, physical handicap, marital status, sex, or age against the public or other employees while acting in the capacity of a district employee.
- u. Unlawful retaliation against any other district officer or employee or member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

- v. Any other failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the district or his/her employment.

Except as defined in item "s" above, no personnel action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district.

2. Initiation and Notification of Charges

The Superintendent or designee may initiate a personnel action as defined herein against a permanent classified employee.

In all cases involving a personnel action, the person initiating the action shall file a written recommendation of personnel action with the Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The recommendation shall include:

- a. A statement of the nature of the personnel action (suspension without pay, demotion, reduction of pay step in class, or dismissal).
- b. A statement of the cause or causes for the personnel action, as set forth above.
- c. A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the district is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- d. A statement of the employee's right to appeal the recommendation and the manner and time within which the appeal must be filed.
- e. A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

3. Employment Status Pending Appeal or Waiver

Except as provided herein, any employee against whom a recommendation of personnel action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof.

If the Superintendent or designee determines that a permanent classified employee should be dismissed and that his/her continuing in active duty status would present an

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

unreasonable risk of harm to students, staff, or property while proceedings are pending, the Superintendent or designee may order the employee immediately suspended from duty without pay in conjunction with the recommendation of personnel action. This suspension order shall be in writing and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance. Except in cases of emergency when the employee must be removed from the premises immediately, the Superintendent or designee shall give the employee written notice of the proposed recommendation of dismissal at least five calendar days before the effective date of any order of suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension without pay is being considered, the reasons for the proposed dismissal and proposed immediate suspension without pay, materials upon which the proposed action is based, and the employee's right to respond to the Superintendent or designee orally or in writing before the final recommendation and order are issued.

4. Time Limit of Suspension

Except for a suspension imposed under #3 above, any suspension invoked under these rules against any one person for one or more periods shall not aggregate more than 90 calendar days in any 12-month period; however, this time limitation shall not apply to cases in which a personnel action of dismissal is modified by the Board to a suspension.

5. Right to Appeal

Within five calendar days after receiving the recommendation of personnel action described above, the employee may appeal by signing and filing the card or paper included with the recommendation. Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the Superintendent or designee during normal work hours of that office. A notice of appeal may be mailed to the office of the Superintendent or designee but must be received or postmarked no later than the time limit stated herein. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any appeal of the recommendation of dismissal shall also constitute an appeal of the suspension order, and the necessity of the order shall be an issue in the appeal hearing.

If the employee fails to file a notice of appeal within the time specified in these rules, he/she shall be deemed to have waived his/her right to appeal, and the Board may order the recommended personnel action into effect immediately.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)6. Amended/Supplemental Charges

At any time before an employee's appeal is finally submitted to the Board or to a hearing officer for decision, the complainant may, with the consent of the Board or hearing officer, serve on the employee and file with the Board an amended or supplemental recommendation of personnel action.

If the amended or supplemental recommendation presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegation may be made orally at the hearing and shall be noted on the record.

7. Hearing Procedures

- a. The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board or hearing officer and the availability of counsel and witnesses. The parties shall be notified of the time and place of the hearing. The employee shall be entitled to appear personally, produce evidence, and have counsel. The employee shall be entitled to a public hearing if he/she demands it when the Board is hearing the appeal. The complainant may also be represented by counsel. The procedure entitled "Administrative Adjudication" commencing with Government Code 1150 shall not apply to any such hearing before the Board or a hearing officer. Neither the Board nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the Board.
- b. All hearings shall be heard by a hearing officer (who shall be an attorney licensed in the State of California) except in those cases where the Board determines to hear the appeal itself. In any case in which the Board hears the appeal, the Board may use the services of its counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. If the appeal is heard by the Board, the Board shall affirm, modify or revoke the recommended personnel action.
- c. If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the Board as the decision in the case. A copy of the proposed decision shall be received and filed by the Board and furnished to each party within 10 days after the proposed decision is filed by the Board. The Board may:
 - (1) Adopt the proposed decision in its entirety.

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

- (2) Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.
 - (3) Reject a proposed reduction in personnel action, approve the personnel action sought by the complainant or any lesser penalty, and adopt the balance of the proposed decision.
 - (4) Reject the proposed decision in its entirety.
- d. If the Board rejects the proposed decision in its entirety, each party shall be notified of such action and the Board may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided in item "c" above, upon the additional evidence and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within 10 days after the proposed decision is filed by the Board.
- e. In arriving at a decision or a proposed decision on the propriety of the proposed personnel action, the Board or the hearing officer may consider the records of any prior personnel action proceedings against the employee in which a personnel action was ultimately sustained and any records that were contained in the employee's personnel files and introduced into evidence at the hearing.
8. Hearing Decision

The decision of the Board shall be in writing and shall contain findings of fact and the personnel action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them.

The decision of the Board shall be certified to the Superintendent or designee who recommended the personnel action, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant or his/her designated representative personally or by registered mail. The decision of the Board shall be final.

9. Compulsory Dismissal

The district shall not employ or retain in employment any person who has been convicted of any sex offense as defined in Education Code 44010 or any controlled substance offense as defined in Education Code 44011. However, the district may employ a person convicted of a controlled substance offense if the Board determines

DISMISSAL/SUSPENSION/DISCIPLINARY ACTION (continued)

from the evidence it requires that the person has been rehabilitated for at least five years. If any such conviction is reversed and the person acquitted or charges dismissed except as otherwise provided below, the employee may be reemployed by the district, although reemployment is not a guarantee. (Education Code 45123)

The district reserves the right to dismiss an employee for any acts upon which the original criminal charges were based, despite the disposition by the courts. If dismissal is recommended and upheld, an employee will not be reemployed or compensated for the time he/she was suspended unless otherwise required by law. An employee shall be given notice of the possibility of not being reimbursed during mandatory suspension if he/she is ultimately dismissed for the acts upon which the original charges were based.

10. Extension of Compulsory Leave

The Board may extend an employee's compulsory leave of absence by giving him/her notice, within 10 days after the entry of judgment in the proceedings, that he/she will be dismissed in 30 days unless he/she demands a hearing. Employee compensation during the period of compulsory leave shall be made in accordance with law. (Education Code 44940.5)

**CODE OF ETHICS
CLASSIFIED EMPLOYEES**

School employees who are in daily contact with many phases of educational work should be persons whose conduct is beyond reproach and who sincerely believe in the advancement of education and the betterment of working conditions; therefore, the California School Employees' Association proposes this Code of Ethics as a standard for its members.

AS A SCHOOL EMPLOYEE I WILL:

1. Be proud of my vocation in order that I may use my best endeavors to elevate the standards of my position so that I may merit a reputation for high quality of service -- to the end that others may emulate my example.
2. Be a person of integrity, clean speech, desirable personal habits, and physical fitness.
3. Be just in my criticism and be generous in my praise; to improve and not destroy.
4. At all times be courteous in my relations with students, parents, teachers and others.
5. Be a resourceful person who readily adapts himself to different kinds of work and changed conditions and finds better ways to do things.
6. Conduct myself in a spirit of friendly helpfulness to my fellow employees to the end that I will consider no personal success legitimate or ethical which is secured by taking unfair advantage of another.
7. Associate myself with employees of other districts for the purpose of discussing school problems and cooperating in the improvement of public school conditions.
8. Always uphold my obligations as a citizen to my nation, my state, my school district and my community, and give them unswerving loyalty.
9. Always bear in mind that the purpose of CSEA is to promote the efficiency and raise the standards of all school employees and that I shall be equally obligated to assist all my fellow workers.

PERSONAL ILLNESS/INJURY LEAVE

Classified employees employed five days a week are entitled to 12 days' leave of absence with full pay for personal illness or injury (sick leave) per fiscal year. Employees who work less than a full fiscal year or fewer than five days a week (part-time employees) shall be granted sick leave in proportion to the time they work. However, any part-time employee whose work hours are so few as to entitle him/her to less than 24 hours of paid sick leave per fiscal year shall be granted sick leave pursuant to Labor Code 246, if he/she is eligible. (Education Code 45191; Labor Code 245-249)

(cf. 4161/4261/4361 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

Use of Sick Leave

A classified employee may use sick leave for absences due to:

2. Pregnancy, childbirth, and recovery (Education Code 45193)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Personal necessity as specified in Education Code 45207

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical or dental appointments, in increments of not less than one hour

5. Industrial accident or illness when leave granted specifically for that purpose has been exhausted (Education Code 45192)

(cf. 4161.11/4261.11/4361.11 - Industrial Accident/Illness Leave)

6. Need of an employee to bond with a child within one year of the child's birth, adoption, or foster care placement (parental leave) (Education Code 45196.1; Government Code 12945.2, 12945.6; 29 USC 2612; 29 CFR 825.112)

7. Need of the employee or his/her family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care (Labor Code 233, 246.5)

PERSONAL ILLNESS/INJURY LEAVE (continued)

8. Need of the employee to seek or obtain any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking (Labor Code 233, 246.5)

For the purposes specified in items #7-8, an employee may use, in any calendar year, the amount of sick leave he/she would accrue during six months at his/her current rate of entitlement. (Labor Code 233)

An employee may take leave for personal illness or injury at any time during the year, even if credit for such leave has not yet been accrued. However, a new full-time classified employee shall not be entitled to more than six days of sick leave until he/she has completed six months of active service with the district. (Education Code 45191)

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 45191)

An employee shall reimburse the district for any unearned sick leave used as of the date of his/her termination.

The district shall not require newly employed classified employees to waive leave accumulated in a previous district. However, if the employee's previous employment was terminated for cause, the transfer of the accumulated leave shall be made only if approved by the Governing Board. (Education Code 45202)

The Superintendent or designee shall notify any classified employee whose employment with the district is terminated after at least one calendar year for reasons other than for cause that, if he/she accepts employment in another district, county office of education, or community college district within one year of the termination of employment, he/she shall be entitled to request that the district transfer his/her accumulated sick leave to his/her new employer. (Education Code 45202)

Additional Leave for Disabled Military Veterans

In addition to any other entitlement for sick leave with pay, a classified employee who is a former active duty member of the U.S. Armed Forces or a former or current member of the California National Guard or a federal reserve component shall be entitled to sick leave with pay of up to 12 days for the purpose of undergoing medical treatment, including mental health treatment, for a military service-connected disability rated at 30 percent or higher by the U.S. Department of Veterans Affairs. An eligible employee who works less than five days per week shall be entitled to such leave in proportion to the time he/she works. (Education Code 45191.5)

The amount of leave shall be credited to the employee either on the date the employee receives confirmation of the submission of his/her disability application to the U.S.

PERSONAL ILLNESS/INJURY LEAVE (continued)

Department of Veterans Affairs or on the first day the employee begins or returns to employment after active duty, whichever is later. When the employee receives his/her disability rating decision, he/she shall report that information to the Superintendent or designee. If the disability rating decision makes the employee eligible for the leave, the time used before the decision shall be counted toward the 12-day maximum leave. If the disability rating decision makes the employee ineligible for the leave, the district may change the sick leave time used before the disability rating decision to an alternative leave balance. (Education Code 45191.5)

The Superintendent or designee may require verification, in accordance with the section "Verification Requirements" below, that the employee used the leave to obtain treatment of a military service-connected disability.

Leave for military-service connected disability shall be available for 12 months following the first date that the leave was credited. Leave not used during the 12-month period shall not be carried over and shall be forfeited. (Education Code 45191.5)

Notification of Absence

An employee shall notify the Superintendent or the designated manager or supervisor of his/her need to be absent as soon as such need is known so that the services of a substitute may be secured as necessary. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district not later than three o'clock in the afternoon of the day preceding the day on which he/she intends to return to work. If the employee fails to notify the district and the failure results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

Continued Absence After Available Sick Leave Is Exhausted/Differential Pay

A classified employee who has exhausted all paid leaves, including sick leave, shall for the remainder of the five-month period of absence to which he/she is entitled, receive his/her salary minus the actual amount paid a substitute to fill the employee's position during his/her absence. (Education Code 45196)

The five-month period shall commence on the first day of the leave of absence and shall run concurrently with any other paid leave.

Parental Leave

During each school year, a classified employee may use all available sick leave, including accumulated sick leave, for the purpose of parental leave for a period up to 12 work weeks. The 12-week period shall be reduced by any period of sick leave, including accumulated sick leave, taken during a period of such parental leave. (Education Code 45196.1)

PERSONAL ILLNESS/INJURY LEAVE (continued)

Eligibility for such leave shall not require 1,250 hours of service with the district during the previous 12 months. (Education Code 45196.1)

An employee who has exhausted all available sick leave, including accumulated sick leave, and continues to be absent on account of parental leave shall receive differential pay for the remainder of the 12 work weeks. (Education Code 45196.1)

Parental leave taken pursuant to Education Code 45196.1 shall run concurrently with the parental leave taken pursuant to Government Code 12945.2 or 12945.6, and the aggregate amount of parental leave shall not exceed 12 work weeks in a 12-month period. (Education Code 45196.1; Government Code 12945.2, 12945.6)

Extension of Leave

A permanent employee who is absent because of a personal illness or injury and who has exhausted all available sick leave, vacation, compensatory overtime, and any other paid leave shall be so notified, in writing, and offered an opportunity to request additional leave. The Board may grant the employee additional leave, paid or unpaid, for a period not to exceed six months and may renew this leave for two additional six-month periods or for lesser periods. The total additional leave granted shall not exceed 18 months. (Education Code 45195)

(cf. 4216 - Probationary/Permanent Status)

If the employee is still unable to resume his/her duties after all available paid and unpaid leaves have been exhausted, the employee shall be placed on a reemployment list for a period of 39 months. If during this time the employee becomes able to resume the duties of his/her position, he/she shall be offered reemployment in the first vacancy in the classification of his/her previous assignment. During the 39 months, the employee's reemployment shall take preference over all other applicants except those laid off for lack of work or lack of funds, in which case the employee shall be ranked according to his/her seniority. (Education Code 45195)

Verification Requirements

After any absence due to illness or injury, the employee shall submit a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may require verification whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever available evidence clearly indicates that an absence is not related to illness or injury.

In addition, the Superintendent or designee may require an employee to visit a physician selected by the district, at district expense, in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for

PERSONAL ILLNESS/INJURY LEAVE (continued)

additional leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny the request for additional leave.

Any district request for additional verification by an employee's physician or a district-selected physician shall be in writing and shall specify that the report to be submitted to the district should not contain the employee's genetic information.

Any genetic information received by the district on behalf of an employee shall be treated as a confidential medical record, maintained in a file separate from the employee's personnel file, and shall not be disclosed except in accordance with 29 CFR 1635.9.

Before returning to work, an employee who has been absent for surgery, hospitalization, or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return to work and stipulating any recommended restrictions or limitations.

(cf. 4032 - Reasonable Accommodation)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Short-Term and Substitute Employees

Except for a retired annuitant who is not reinstated to the retirement system, any short-term or substitute employee who works for 30 or more days within a year of his/her employment shall be credited with 24 hours of paid sick leave for that year. Unused sick leave shall not carry over to the following year of employment. (Labor Code 246)

Any short-term or substitute employee may begin to use accrued paid sick days on the 90th day of his/her employment, after which he/she may use the sick days as they are accrued. (Labor Code 246)

A short-term or substitute employee may use accrued sick leave for absences due to: (Labor Code 246.5)

1. His/her own need or the need of a family member, as defined in Labor Code 245.5, for the diagnosis, care, or treatment of an existing health condition or for preventive care
2. Need of the employee to obtain or seek any relief or medical attention specified in Labor Code 230(c) and 230.1(a) for the health, safety, or welfare of the employee, or his/her child, when the employee has been a victim of domestic violence, sexual assault, or stalking

PERSONAL ILLNESS/INJURY LEAVE (continued)

Healthy Workplaces, Healthy Families Act Requirements

No employee, including a short-term or substitute employee, shall be denied the right to use accrued sick days and the district shall not in any manner discriminate or retaliate against an employee for using or attempting to use sick leave, filing a complaint with the Labor Commissioner, or alleging district violation of Labor Code 245-249.

To ensure the district's compliance with Labor Code 245-249, the Superintendent or designee shall:

1. At a conspicuous location in each workplace, display a poster on paid sick leave that includes the following information:
 - a. That an employee is entitled to accrue, request, and use paid sick days
 - b. The amount of sick days provided by Labor Code 245-249
 - c. The terms of use of paid sick days
 - d. That discrimination or retaliation against an employee for requesting and/or using sick leave is prohibited by law and that an employee has the right to file a complaint with the Labor Commissioner if the district discriminates or retaliates against him/her

INDUSTRIAL ACCIDENT/ILLNESS LEAVE

In each fiscal year, allowable leave for any single industrial accident or illness shall be for 60 working days. (Education Code 45192)

(cf. 4113.4/4213.4/4313.4 - Temporary/Modified Light-Duty Assignment)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

(cf. 4157.2/4257.2/4357.2 - Ergonomics)

(cf. 4161/4261/4361 - Leaves)

Allowable leave shall not accumulate from year to year. (Education Code 45192)

When a classified employee is absent from his/her duties because of an industrial accident or illness: (Education Code 45192)

1. Industrial accident or illness leave shall start on the first day of absence.
2. Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of this state, exceed the normal wage for the day.
3. Industrial accident or illness leave shall be reduced by one day for each day of authorized absence, regardless of a compensation award made under workers' compensation.
4. If an industrial accident or illness leave overlaps into the next fiscal year, the employee is entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.

Upon expiration of allowable leave for an industrial accident or illness, the employee shall use personal illness and injury leave as provided by Education Code 45191. If the employee continues to receive workers' compensation, he/she shall be entitled to use only as much of his/her accumulated or available sick leave, accumulated compensating time, vacation or other available leave as, when added to the employee's workers' compensation award, will provide for a full day's wage or salary. (Education Code 45192)

(cf. 4261.1 - Personal Illness/Injury Leave)

During any paid leave of absence, the employee shall endorse to the district the workers' compensation checks received on account of his/her industrial accident or illness. In those cases, the district shall issue appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement and other authorized contributions. (Education Code 45192)

When available paid leave has been exhausted, the employee shall be so notified in writing and shall be offered an opportunity to request additional leave. (Education Code 45192)

INDUSTRIAL ACCIDENT/ILLNESS LEAVE (continued)

When all available leaves of absence, paid or unpaid, have been exhausted and the employee is not medically able to assume the duties of his/her position, the employee shall be placed either in another position or on a reemployment list for a period of 39 months. If during this time the employee becomes medically able, he/she shall be employed in a vacant position in the class of his/her previous assignment over all other available candidates, except for a reemployment list established because of lack of work or lack of funds, in which case the employee shall be listed in accordance with appropriate seniority regulations. An employee who has been placed on a reemployment list and has been medically released for return to duty, but fails to accept an appropriate assignment, shall be dismissed. (Education Code 45192)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

Any employee receiving benefits under this leave shall, during periods of injury or illness, remain within the State of California unless the Board of Trustees authorizes travel outside the state. (Education Code 45192)

During this leave, the employee may return to his/her position without suffering any loss of status or benefits. Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the employee. (Education Code 45192)
