PUBLIC COMMENT-

Char Locey wanted to give kudos to Bev Landers and Tracey McPeters. She stated that they are caring, supportive, and wonderful. They have good character and are very professional. She is inspired by their efforts to make the school feel like a village. Bev and Tracey work well as a team. Char wants to thank the Board for hiring them as she hopes their presence will draw in good new hires to our District.

The Moffitts addressed Consent Agenda Item A regarding the Inter-District transfer of their son Case which has been recommended to be denied. Derek Moffitt is a 1993 alumni of Biggs High. The decision to request a transfer to Gridley for his son was thoughtful and painful. Math is his son's passion, and in his opinion, the BHS math program is below standards. He compared state test results from BHS and GHS and found Biggs had the lowest scores in Butte County. He believes Gridley's math program is more rigorous and will challenge his son to be a top student. Sandi Moffitt stated that her kids have moved in and out of this school district because they were not learning here. She is concerned that her son will not be challenged if he stays in Biggs. She stated that Gridley will accept him into AP and honors courses and that they have room for her son. She is requesting a transfer release tonight so that they do not have to appeal to BCOE, as their case would not be heard until September 9th. Case Moffitt stated that he wants to attend Gridley High School's honors and AP classes. His favorite subject is math. In his opinion, BHS will not meet his needs in that area.

They will be selling Pig Raffle tickets soon, and the winner will be announced on September 20th. The Butte County Fair is from Aug. 20th-24th. Biggs has rabbits, pigs, goats, lambs, and a turkey entered. Member Tylar Ainslie won a Supreme honor for his goats at the California State Fair over the summer. PUBLIC COMMENT- Derek Moffitt spoke on behalf of his wife, Sandi Moffitt, concerning their son’s transfer. They feel misled by comments made at the last board meeting during which a grace period of acceptance by Gridley was suggested as a possibility to allow time for an appeal to BCOE. It has since been learned that Gridley will not accept a transfer student after a county appeal. Mr. Moffitt gave examples of his son’s intelligence in the area of math and stated he feels the professors in Gridley are better suited to meet his son’s higher level special need.

Sandi Moffitt then spoke saying that she left the last board meeting thinking that ultimately her son would be allowed to transfer to Gridley. She now feels that this will not happen because new information about Gridley’s acceptance policy has come to light. She stated that policies are a “must” but spoke to the Board about their role which allows the members to make an educated decision beyond the policies. She questions if the policy is more important than the child. She feels like her son is being forced to stay in Biggs.

Amber Sparks stated that her own son was denied a transfer out of Biggs. She believes that our policies are broken and not the best for the student. The requested district was ready to accept her son. She could not make it to the board meeting during which her son’s transfer was being considered and get a chance to speak. Her son decided to stay at BHS and join the football team.

Education Code Governing School Libraries in California

In regard to Library Media Services, if you do not have a credentialed district librarian on staff, your school district may currently not be in compliance with California Education Code and the California Commission on Teacher Credentialing. ED Code requires School Boards to provide school library services to students and teachers and establishes the credentialing criteria of the personnel providing the services. [Ed Code sections 18100 & 44868]

ED code citations referred covering school libraries in California:

Section 18100. The governing board of each school district shall provide school library services for the pupils and teachers of the district by establishing and maintaining school libraries or by contractual arrangements with another public agency.

18120. The governing board of a school district maintaining its own library or libraries may appoint a librarian or librarians to staff the libraries provided they qualify as librarians pursuant to Section 44868.

Section 44868. No person shall be employed as a library media teacher in any elementary or secondary school, unless he or she holds a valid credential of proper grade authorizing service as a library media teacher or a valid teaching credential issued by the Commission on Teacher Credentialing if he or she has completed the specialized area of librarianship.

44869. Any library media teacher when employed full time as a library media teacher or serving full time, partly as a library media teacher and partly as a teacher, shall rank as a teacher.

Commission on Teacher Credentialing regarding school librarians:

(2) Nothing in this section shall be construed to preclude local governing boards from employing non-credentialed individuals to assist in the provision of library services, provided that the employment of non-credentialed personnel is not intended to supersede the requirement to include holders of the Library Media Teacher Services Credential or other credential authorizing library service pursuant to **Education Code 44868** in the coordination and implementation of public school library programs. Services provided by non-credentialed personnel shall not include those activities requiring possession of a valid Library Media Teacher Services Credential, as specified in Subsection (b) of this section.

(b) Authorization. The Library Media Teacher Services Credential authorizes the holder to instruct pupils in the choice and use of library materials; to plan and coordinate school library programs with the instructional programs of a school district; to select materials for school and district libraries; to coordinate or supervise library programs at the school, district or county level; to plan and conduct a course of instruction for those pupils who assist in the operation of school libraries; to supervise classified personnel assigned school library duties; and to develop procedures for and management of the school and district libraries.

- a. An Employee must complete a Certification of Health Savings Account Eligibility which confirms that the Participant is an eligible individual who is entitled to establish a Health Savings Account in accordance with Code Section 223(c)(1).
- b. Eligibility for the Health Savings Account shall begin on the later of (i) first day of the month coinciding with or next following the Employee's commencement of coverage under the High Deductible Health Plan, or (ii) the first day following the end of a Grace Period available to the Employee with respect to the Medical Reimbursement Accounts that are not limited to vision and dental expenses (unless the participant has a \$0.00 balance on the last day of the plan year).
- c. An Employee's eligibility for the Health Savings Account shall be determined monthly.

The Plan shall be construed, enforced, administered, and the validity determined in accordance with the applicable provisions of the Employee Retirement Income Security Act of 1974, (as amended) if applicable, the Internal Revenue Code of 1986 (as amended), and the laws of the State of California. Should any provision be determined to be void, invalid, or unenforceable by any court of competent jurisdiction, the Plan will continue to operate, and for purposes of the jurisdiction of the court only, will be deemed not to include the provision determined to be void.

SECTION 125 FLEXIBLE BENEFIT PLAN

SECTION I

PURPOSE

The Employer is establishing this Flexible Benefit Plan in order to make a broader range of benefits available to its Employees and their Beneficiaries. This Plan allows Employees to choose among different types of benefits and select the combination best suited to their individual goals, desires, and needs. These choices include an option to receive certain benefits in lieu of taxable compensation.

In establishing this Plan, the Employer desires to attract, reward, and retain highly qualified, competent Employees, and believes this Plan will help achieve that goal.

It is the intent of the Employer to establish this Plan in conformity with Section 125 of the Internal Revenue Code of 1986, as amended, and in compliance with applicable rules and regulations issued by the Internal Revenue Service. This Plan will grant to eligible Employees an opportunity to purchase qualified benefits which, when purchased alone by the Employer, would not be taxable.

SECTION II

DEFINITIONS

The following words and phrases appear in this Plan and will have the meaning indicated below unless a different meaning is plainly required by the context:

- | | | |
|-------|----------------------|---|
| 2.1 | Administrator | The Employer unless another has been designated in writing by the Employer as Administrator within the meaning of Section 3(16) of ERISA (if applicable). |
| 2.2 | Beneficiary | Any person or persons designated by a participating Employee to receive any benefit payable under the Plan on account of the Employee's death. |
| 2.2 a | Carryover | The amount equal to the lesser of (a) any unused amounts from the immediately preceding Plan Year or (b) five hundred dollars (\$500), except that in no event may the Carryover be less than five dollars (\$5). |
| 2.3 | Code | Internal Revenue Code of 1986, as amended. |
| 2.4 | Dependent | Any of the following:

(a) Tax Dependent: A Dependent includes a Participant's spouse and any other person who is a Participant's dependent within the meaning of Code Section 152, provided that, with respect to any plan that provides benefits that are excluded from an Employee's income under Code Section 105, a Participant's dependent (i) is any person within the meaning of Code Section 152, determined without regard to Subsections (b)(1), (b)(2), |

and (d)(1)(B) thereof, and (ii) includes any child of the Participant to whom Code Section 152(e) applies (such child will be treated as a dependent of both divorced parents).

(b) Student on a Medically Necessary Leave of Absence: With respect to any plan that is considered a group health plan under Michelle's Law (and not a HIPAA excepted benefit under Code Sections 9831(b), (c) and 9832(c)) and to the extent the Employer is required by Michelle's Law to provide continuation coverage, a Dependent includes a child who qualifies as a Tax Dependent (defined in Section 2.04(a)) because of his or her full-time student status, is enrolled in a group health plan, and is on a medically necessary leave of absence from school. The child will continue to be a Dependent if the medically necessary leave of absence commences while the child is suffering from a serious illness or injury, is medically necessary, and causes the child to lose student status for purposes of the group health plan's benefits coverage. Written physician certification that the child is suffering from a serious illness or injury and that the leave of absence is medically necessary is required at the Administrator's request. The child will no longer be considered a Dependent as of the earliest date that the child is no longer on a medically necessary leave of absence, the date that is one year after the first day of the medically necessary leave of absence, or the date benefits would otherwise terminate under either the group health plan or this Plan. Terms related to Michelle's Law, and not otherwise defined, will have the meaning provided under the Michelle's Law provisions of Code Section 9813.

(c) Adult Children: With respect to any plan that provides benefits that are excluded from an Employee's income under Code Section 105, a Dependent includes a child of a Participant who as of the end of the calendar year has not attained age 27. A 'child' for purpose of this Section 2.04(c) means an individual who is a son, daughter, stepson, or stepdaughter of the Participant, a legally adopted individual of the Participant, an individual who is lawfully placed with the Participant for legal adoption by the Participant, or an eligible foster child who is placed with the Participant by an authorized placement agency or by judgment, decree, or other order of any court of competent jurisdiction. An adult child described in this Section 2.04(c) is only a Dependent with respect to benefits provided after March 30, 2010 (subject to any other limitations of the Plan).

Dependent for purposes of the Dependent Care Reimbursement Plan is defined in Section 9.04(a).

2.5 **Effective Date** The effective date of this Plan as shown in Item B of the Adoption Agreement.

2.6 **Elective Contribution** The amount the Participant authorizes the Employer to reduce compensation for the purchase of benefits elected.

- 2.7 **Eligible Employee** Employee meeting the eligibility requirements for participation as shown in Item C of the Adoption Agreement.
- 2.8 **Employee** Any person employed by the Employer on or after the Effective Date.
- 2.9 **Employer** The entity shown in Item A of the Adoption Agreement, and any Related Employers authorized to participate in the Plan with the approval of the Employer. Related Employers who participate in this Plan are listed in Appendix A to the Adoption Agreement. For the purposes of Section 11.01 and 11.02, only the Employer as shown in Item A of the Adoption Agreement may amend or terminate the Plan.
- 2.10 **Employer Contributions** Amounts that have not been actually received by the Participant and are available to the Participant for the purpose of selecting benefits under the Plan. This term includes Non- Elective Contributions and Elective Contributions through salary reduction.
- 2.11 **Entry Date** The date that an Employee is eligible to participate in the Plan.
- 2.12 **ERISA** The Employee Retirement Income Security Act of 1974, Public Law 93-406 and all regulations and rulings issued thereunder, as amended (if applicable).
- 2.13 **Fiduciary** The named fiduciary shall mean the Employer, the Administrator and other parties designated as such, but only with respect to any specific duties of each for the Plan as may be set forth in a written agreement.
- 2.14 **Health Savings Account** A "health savings account" as defined in Section 223(d) of the Internal Revenue Code of 1986, as amended established by the Participant with the HSA Trustee.
- 2.15 **HSA Trustee** The Trustee of the Health Savings Account which is designated in Section F.8 of the Adoption Agreement.
- 2.16 **Highly Compensated** Any Employee who at any time during the Plan Year is a "highly compensated employee" as defined in Section 414(q) of the Code.
- 2.17 **High Deductible Health Plan** A health plan that meets the statutory requirements for annual deductibles and out-of-pocket expenses set forth in Code section 223(c)(2).
- 2.18 **HIPAA** The Health Insurance Portability and Accountability Act of 1996, as amended.

plans listed in Item F of the Adoption Agreement will be described in the documents governing

those benefit plans. To the extent a Dependent is eligible to receive benefits under a plan listed in Item F, an Eligible Employee may elect coverage under this Plan with respect to such Dependent. Notwithstanding the foregoing, life insurance coverage on the life of a Dependent may not be elected under this Plan.

- 3.2 ENROLLMENT: An eligible Employee may enroll (or re-enroll) in the Plan by submitting to the Employer, during an enrollment period, an Election Form which specifies his or her benefit elections for the Plan Year and which meets such standards for completeness and accuracy as the Employer may establish. A Participant's Election Form shall be completed prior to the beginning of the Plan Year, and shall not be effective prior to the date such form is submitted to the Employer. Any Election Form submitted by a Participant in accordance with this Section shall remain in effect until the earlier of the following dates: the date the Participant terminates participation in the Plan; or, the effective date of a subsequently filed Election Form.

A Participant's right to elect certain benefit coverage shall be limited hereunder to the extent such rights are limited in the Policy. Furthermore, a Participant will not be entitled to revoke an election after a period of coverage has commenced and to make a new election with respect to the remainder of the period of coverage unless both the revocation and the new election are on account of and consistent with a change in status, or other allowable events, as determined by Section 125 of the Internal Revenue Code and the regulations thereunder.

- 3.3 TERMINATION OF PARTICIPATION: A Participant shall continue to participate in the Plan until the earlier of the following dates:

- a. The date the Participant terminates employment by death, disability, retirement or other separation from service; or
- b. The date the Participant ceases to work for the Employer as an eligible Employee; or
- c. The date of termination of the Plan; or
- d. The first date a Participant fails to pay required contributions while on a leave of absence.

- 3.4 SEPARATION FROM SERVICE: The existing elections of an Employee who separates from the employment service of the Employer shall be deemed to be automatically terminated and the Employee will not receive benefits for the remaining portion of the Plan Year.

- 3.5 QUALIFYING LEAVE UNDER FAMILY LEAVE ACT: Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying unpaid leave under the Family and Medical Leave Act of 1993 (FMLA), to the extent required by the FMLA, the Employer will continue to maintain the Participant's existing coverage under the Plan with respect to benefits under Section V and Section VIII of the Plan on the same terms and conditions as though he were still an active Employee. If the Employee opts to continue his coverage, the Employee may pay his Elective Contribution with after-tax dollars while on leave (or pre-tax dollars to the extent he receives compensation during the leave), or the Employee may be given the option to pre-pay all or a portion of his Elective Contribution for the expected duration of the leave on a pre-tax salary reduction basis out of his pre-leave compensation (including unused sick days or vacation) by making a special election to that effect prior to the date such compensation would normally be made available to him (provided, however, that pre-tax dollars may not be utilized to fund coverage during the next plan year), or via other arrangements agreed upon between the Employee and the Administrator (e.g., the Administrator may fund coverage during the leave and withhold amounts upon the Employee's return). Upon return from such leave, the Employee will be permitted to reenter the Plan on the same basis the Employee was participating in the Plan prior to his leave, or as otherwise required by the FMLA.

SECTION IV

CONTRIBUTIONS

4.1 EMPLOYER CONTRIBUTIONS: The Employer may pay the costs of the benefits elected under the Plan with funds from the sources indicated in Item E of the Adoption Agreement. The Employer Contribution may be made up of Non-Elective Contributions and/or Elective Contributions authorized by each Participant on a salary reduction basis.

4.2 IRREVOCABILITY OF ELECTIONS: A Participant may file a written election form with the Administrator before the end of the current Plan Year revising the rate of his contributions or discontinuing such contributions effective as of the first day of the next following Plan Year. The Participant's Elective Contributions will automatically terminate as of the date his employment terminates. Except as provided in this Section 4.02 and Section 4.03, a Participant's election under the Plan is irrevocable for the duration of the plan year to which it relates. The exceptions to the irrevocability requirement which would permit a mid-year election change in benefits and the salary reduction amount elected are set out in the Treasury regulations promulgated under Code Section 125, which include the following:

(a) Change in Status. A Participant may change or revoke his election under the Plan upon the occurrence of a valid change in status, but only if such change or termination is made on account of, and is consistent with, the change in status in accordance with the Treasury regulations promulgated under Section 125. The Employer, in its sole discretion as Administrator, shall determine whether a requested change is on account of and consistent with a change in status, as follows:

- (1) Change in Employee's legal marital status, including marriage, divorce, death of spouse, legal separation, and annulment;
- (2) Change in number of Dependents, including birth, adoption, placement for adoption, and death;
- (3) Change in employment status, including any employment status change affecting benefit eligibility of the Employee, spouse or Dependent, such as termination or commencement of employment, change in hours, strike or lockout, a commencement or return from an unpaid leave of absence, and a change in work site. If the eligibility for either the cafeteria Plan or any underlying benefit plans of the Employer of the Employee, spouse or Dependent relies on the employment status of that individual, and there is a change in that individual's employment status resulting in gaining or losing eligibility under the Plan, this constitutes a valid change in status. This category only applies if benefit eligibility is lost or gained as a result of the event. If an Employee terminates and is rehired within 30 days, the Employee is required to step back into his previous election. If the Employee terminates and is rehired after 30 days, the Employee may either step back into the previous election or make a new election;
- (4) Dependent satisfies, or ceases to satisfy, Dependent eligibility requirements due to attainment of age, gain or loss of student status, marriage or any similar circumstances; and
- (5) Residence change of Employee, spouse or Dependent, affecting the Employee's eligibility for coverage.

(b) Special Enrollment Rights. If a Participant or his or her spouse or Dependent is entitled to special enrollment rights under a group health plan (other than an excepted benefit), as required by HIPAA under Code Section 9801(f), then a Participant may revoke a prior election for group health plan coverage and make a new election, provided that the election change corresponds with such HIPAA special enrollment right. As required by HIPAA, a special enrollment right will arise in the following circumstances: (i) a Participant or his or her spouse or Dependent declined to enroll in

group health plan coverage because he or she had coverage, and eligibility for such coverage is subsequently lost because the coverage was provided under COBRA and the COBRA coverage was exhausted, or the coverage was non-COBRA coverage and the coverage terminated due to loss of eligibility for coverage or the employer contributions for the coverage were terminated; (ii) a new Dependent is acquired as a result of marriage, birth, adoption, or placement for adoption; (iii) the Participant's or his or her spouse's or Dependent's coverage under a Medicaid plan or under a children's health insurance program (CHIP) is terminated as a result of loss of eligibility for such coverage and the Participant requests coverage under the group health plan not later than 60 days after the date of termination of such coverage; or (iv) the Participant, his or her spouse or Dependent becomes eligible for a state premium assistance subsidy from a Medicaid plan or through a state children's insurance program with respect to coverage under the group health plan and the Participant requests coverage under the group health plan not later than 60 days after the date the Participant, his or her spouse or Dependent is determined to be eligible for such assistance. An election change under (iii) or (iv) of this provision must be requested within 60 days after the termination of Medicaid or state health plan coverage or the determination of eligibility for a state premium assistance subsidy, as applicable. Special enrollment rights under the health insurance plan will be determined by the terms of the health insurance plan.

- (c) Certain Judgments, Decrees or Orders. If a judgment, decree or order resulting from a divorce, legal separation, annulment or change in legal custody (including a qualified medical child support order [QMCSO]) requires accident or health coverage for a Participant's child or for a foster child who is a dependent of the Participant, the Participant may have a mid-year election change to add or drop coverage consistent with the Order.
- (d) Entitlement to Medicare or Medicaid. If a Participant, Participant's spouse or Participant's Dependent who is enrolled in an accident or health plan of the Employer becomes entitled to Medicare or Medicaid (other than coverage consisting solely of benefits under Section 1928 of the Social Security Act providing for pediatric vaccines), the Participant may cancel or reduce health coverage under the Employer's Plan. Loss of Medicare or Medicaid entitlement would allow the Participant to add health coverage under the Employer's Plan.
- (e) Family Medical Leave Act. If an Employee is taking leave under the rules of the Family Medical Leave Act, the Employee may revoke previous elections and re-elect benefits upon return to work.
- (f) COBRA Qualifying Event. If an Employee has a COBRA qualifying event (a reduction in hours of the Employee, or a Dependent ceases eligibility), the Employee may increase his pre-tax contributions for coverage under the Employer's Plan if a COBRA event occurs with respect to the Employee, the Employee's spouse or Dependent. The COBRA rule does not apply to COBRA coverage under another Employer's Plan.
- (g) Changes in Eligibility for Adult Children. To the extent the Employer amends a plan listed in Item F of the Adoption Agreement that provides benefits that are excluded from an Employee's income under Code Section 105 to provide that Adult Children (as defined in Section 2.04(c)) are eligible to receive benefits under the plan, an Eligible Employee may make or change an election under this Plan to add coverage for the Adult Child and to make any corresponding change to the Eligible Employee's coverage that is consistent with adding coverage for the Adult Child.
- (h) Cancellation due to reduction in hours of service. A Participant may cancel group health plan (as that term is defined in Code Section 9832(a)) coverage, except Health FSA coverage, under the Employer's Plan if both of the following conditions are met:

- (i) The Participant has been in an employment status under which the Participant was reasonably expected to average at least 30 hours of service per week and there is a change in that Participant's status so that the Participant will reasonably be expected to average less than 30 hours of service per week after the change, even if that reduction does not result in the Participant ceasing to be eligible under the group health plan; and
 - (ii) The cancellation of the election of coverage under the Employer's group health plan coverage corresponds to the intended enrollment of the Participant, and any related individuals who cease coverage due to the cancellation, in another plan that provides minimum essential coverage with the new coverage effective no later than the first day of the second month following the month that includes the date the original coverage is cancelled.
- (i) Cancellation due to enrollment in a Qualified Health Plan. A participant may cancel group health plan (as that term is defined in Code Section 9832(a)) coverage, except Health FSA coverage, under the Employer's Plan if both of the following conditions are met:
- (i) The Participant is eligible for a Special Enrollment Period (as defined in Code Section 9801(f)) to enroll in a Qualified Health Plan(as described in section 1311 of the Patient Protection and Affordable Care Act (PPACA)) through a competitive marketplace established under section 1311(c) of PPACA (Marketplace), pursuant to guidance issued by the Department of Health and Human Services and any other applicable guidance, or the Participant seeks to enroll in a Qualified Health Plan through a Marketplace during the Marketplace's annual open enrollment period; and
 - (ii) The cancellation of the election of coverage under the Employer's group health plan coverage corresponds to the intended enrollment of the Participant and any related individuals who cease coverage due to the cancellation in a Qualified Health Plan through a Marketplace for new coverage that is effective beginning no later than the day immediately following the last day of the original coverage that is cancelled.

Notwithstanding anything to the contrary in this Section 4.02, the change in election rules in this Section 4.02 do not apply to the Medical Expense Reimbursement Plan, or may not be modified with respect to the Medical Expense Reimbursement Plan if the Plan is being administered by a Recordkeeper other than the Employer, unless the Employer and the Recordkeeper otherwise agree in writing.

4.3 OTHER EXCEPTIONS TO IRREVOCABILITY OF ELECTIONS. Other exceptions to the irrevocability of election requirement permit mid-year election changes and apply to all qualified benefits except for Medical Expense Reimbursement Plans, as follows:

- (a) Change in Cost. If the cost of a benefit package option under the Plan significantly increases during the plan year, Participants may (i) make a corresponding increase in their salary reduction amount, (ii) revoke their elections and make a prospective election under another benefit option offering similar coverage, or (iii) revoke election completely if no similar coverage is available, including in spouse or dependent's plan. If the cost significantly decreases, employees may elect coverage even if they had not previously participated and may drop their previous election for a similar coverage option in order to elect the benefit package option that has decreased in cost

during the year. If the increased or decreased cost of a benefit package option under the Plan is insignificant, the participant's salary reduction amount shall be automatically adjusted.

(b) Significant curtailment of coverage.

(i) With no loss of coverage. If the coverage under a benefit package option is significantly curtailed or ceases during the Plan Year, affected Participants may revoke their elections for the curtailed coverage and make a new prospective election for coverage under another benefit package option providing similar coverage.

(ii) With loss of coverage. If there is a significant curtailment of coverage with loss of coverage, affected Participants may revoke election for curtailed coverage and make a new prospective election for coverage under another benefit package option providing similar coverage, or drop coverage if no similar benefit package option is available.

(c) Addition or Significant Improvement of Benefit Package Option. If during the Plan Year a new benefit package option is added or significantly improved, eligible employees, whether currently participating or not, may revoke their existing election and elect the newly added or newly improved option.

(d) Change in Coverage of a Spouse or Dependent Under Another Employer's Plan. If there is a change in coverage of a spouse, former spouse, or Dependent under another employer's plan, a Participant may make a prospective election change that is on account of and corresponds with a change made under the plan of the spouse or Dependent. This rule applies if (1) mandatory changes in coverage are initiated by either the insurer of spouse's plan or by the spouse's employer, or (2) optional changes are initiated by the spouse's employer or by the spouse through open enrollment.

(e) Loss of coverage under other group health coverage. If during the Plan Year coverage is lost under any group health coverage sponsored by a governmental or educational institution, a Participant may prospectively change his or her election to add group health coverage for the affected Participant or his or her spouse or dependent.

4.4 CASH BENEFIT: Available amounts not used for the purchase of benefits under this Plan may be considered a cash benefit under the Plan payable to the Participant as taxable income to the extent indicated in Item E of the Adoption Agreement.

4.5 PAYMENT FROM EMPLOYER'S GENERAL ASSETS: Payment of benefits under this Plan shall be made by the Employer from Elective Contributions which shall be held as a part of its general assets.

4.6 EMPLOYER MAY HOLD ELECTIVE CONTRIBUTIONS: Pending payment of benefits in accordance with the terms of this Plan, Elective Contributions may be retained by the Employer in a separate account or, if elected by the Employer and as permitted or required by regulations of the Internal Revenue Service, Department of Labor or other governmental agency, such amounts of Elective Contributions may be held in a trust pending payment.

4.7 MAXIMUM EMPLOYER CONTRIBUTIONS: With respect to each Participant, the maximum amount made available to pay benefits for any Plan Year shall not exceed the Employer's Contribution specified in the Adoption Agreement and as provided in this Plan.

MEDICAL EXPENSE REIMBURSEMENT PLAN

- 8.1 PURPOSE: The Medical Expense Reimbursement Plan is designed to provide for reimbursement of Eligible Medical Expenses (as defined in Section 8.04) that are not reimbursed under an insurance plan, through damages, or from any other source. It is the intention of the Employer that amounts allocated for this benefit shall be eligible for exclusion from gross income, as provided in Code Sections 105 and 106, for Participants who elect this benefit and all provisions of this Section VIII shall be construed in a manner consistent with that intention.
- 8.2 ELIGIBILITY: The eligibility provisions are set forth in Item F(7) of the Adoption Agreement.

8.3 TERMS, CONDITIONS, AND LIMITATIONS:

- a. Accounts. The Reimbursement Recordkeeper shall establish a recordkeeping account for each Participant. The Reimbursement Recordkeeper shall maintain a record of each account on an on-going basis, increasing the balances as contributions are credited during the year and decreasing the balances as Eligible Medical Expenses are reimbursed. No interest shall be payable on amounts recorded in any Participant's account.
- b. Maximum benefit. The maximum amount of reimbursement for each Participant shall be limited to the amount of the Participant's Elective Contribution allocated to the program during the Plan Year, not to exceed the maximum amount set forth in Item F(7) of the Adoption Agreement.
- c. Claim Procedure. In order to be reimbursed for any medical expenses incurred during the Plan Year, the Participant shall complete the form(s) provided for such purpose by the Reimbursement Recordkeeper. The Participant shall submit the completed form to the Reimbursement Recordkeeper with an original bill or other proof of the expense acceptable to the Reimbursement Recordkeeper. No reimbursement shall be made on the basis of an incomplete form or inadequate evidence of expense as determined by the Reimbursement Recordkeeper. Forms for reimbursement of Eligible Medical Expenses must be submitted no later than the last day of the third month following the last day of the Plan Year during which the Eligible Medical Expenses were incurred. Reimbursement payments shall only be made to the Participant, or the Participant's legal representative in the event of incapacity or death of the Participant. Forms for reimbursement shall be reviewed in accordance with the claims procedure set forth in Section XII.
- d. Funding. The funding of the Medical Reimbursement Plan shall be through contributions by the Employer from its general assets to the extent of Elective Contributions directed by Participants. Such contributions shall be made by the Employer when benefit payments and account administrative expenses become due and payable under this Medical Expense Reimbursement Plan.
- e. Forfeiture. Subject to Section 8.06 and 8.07, any amounts remaining to the credit of the Participant at the end of the Plan Year and not used for Eligible Medical Expenses incurred during the Participant's participation during the Plan Year shall be forfeited and shall remain assets of the Plan. With respect to a Participant who terminates employment with the Employer and who has not elected to continue coverage under this Plan pursuant to COBRA rights referenced under Section 8.03(f) herein, such Participant shall not be entitled to reimbursement for Eligible Medical Expenses incurred after his termination date regardless if such Participant has any amounts of Employer Contributions remaining to his credit. Upon the death of any Participant who has any amounts of Employer Contributions remaining to his credit, a dependent of the Participant may elect to continue to claim reimbursement for Eligible Medical Expenses in the same manner as the Participant could have for the balance of the Plan Year.
- f. COBRA. To the extent required by Section 4980B of the Code and Sections 601 through 607 of ERISA ("COBRA"), a Participant and a Participant's Dependents shall be entitled to elect continued participation in this Medical Expense Reimbursement Plan only through the end of the plan year in which the qualifying event occurs, by contributing monthly (from their personal assets previously subject to taxation) to the Employer/Administrator, 102% of the amount of desired reimbursement through the end of the Plan Year in which the qualifying event occurs. Specifically, such individuals will be eligible for COBRA continuation coverage only if they

have a positive Medical Expense Reimbursement Account balance on the date of the qualifying event. Participants who have a deficit balance in their Medical Expense Reimbursement Account on the date of their qualifying event shall not be entitled to elect COBRA coverage. In lieu of COBRA, Participants may continue their coverage through the end of the Plan Year by paying those premiums out of their last paycheck on a pre-tax basis.

- g. Nondiscrimination. Benefits provided under this Medical Expense Reimbursement Plan shall not be provided in a manner that discriminates in favor of Employees or Dependents who are highly compensated individuals, as provided under Section 105(h) of the Code and regulations promulgated thereunder.
- h. Uniform Coverage Rule. Notwithstanding that a Participant has not had withheld and credited to his account all of his contributions elected with respect to a particular Plan Year, the entire aggregate annual amount elected with respect to this Medical Expense Reimbursement Plan (increased by any Carryover to the Plan Year), shall be available at all times during such Plan Year to reimburse the participant for Eligible Medical Expenses with respect to this Medical Expense Reimbursement Plan. To the extent contributions with respect to this Medical Expense Reimbursement Plan are insufficient to pay such Eligible Medical Expenses, it shall be the Employer's obligation to provide adequate funds to cover any short fall for such Eligible Medical Expenses for a Participant; provided subsequent contributions with respect to this Medical Expense Reimbursement Plan by the Participant shall be available to reimburse the Employer for funds advanced to cover a previous short fall.
- i. Uniformed Services Employment and Reemployment Rights Act. Notwithstanding anything to the contrary herein, this Medical Expense Reimbursement Plan shall comply with the applicable provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 (Public Law 103-353).
- J. Proration of Limit. In the event that the Employer has purchased a uniform coverage risk policy from the Recordkeeper, then the Maximum Coverage amount specified in Section F.7 of the Adoption Agreement shall be pro rated with respect to (i) an Employee who becomes a Participant and enters the Plan during the Plan Year, and (ii) short plan years initiated by the Employer. Such Maximum Coverage amount will be pro rated by dividing the annual Maximum Coverage amount by 12, and multiplying the quotient by the number of remaining months in the Plan Year for the new Participant or the number of months in the short Plan Year, as applicable.
- k. Continuation Coverage for Certain Dependent Children. In the event that benefits under the Medical Expense Reimbursement Plan does not qualify for the exception from the portability rules of HIPAA, then, effective for Plan Years beginning on or after October 9, 2009, notwithstanding the foregoing provisions, coverage for a Dependent child who is enrolled in the Medical Expense Reimbursement Plan as a student at a post-secondary educational institution will not terminate due to a medically necessary leave of absence before a date that is the earlier of:
 - the date that is one year after the first day of the medically necessary leave of absence; or
 - the date on which such coverage would otherwise terminate under the terms of the Plan.

For purposes of this paragraph, "medically necessary leave of absence" means a leave of absence of the child from a post-secondary educational institution, or any other change in enrollment of the child at the institution, that: (i) commences while the child is suffering from a

serious illness or injury; (ii) is medically necessary; and (iii) causes the child to lose student status for purposes of coverage under the terms of the Plan. A written certification must be provided by a treating physician of the dependent child to the Plan in order for the continuation coverage requirement to apply. The physician's certification must state that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

8.4 ELIGIBLE MEDICAL EXPENSES:

- (a) Eligible Medical Expense in General. The phrase 'Eligible Medical Expense' means any expense incurred by a Participant or any of his Dependents (subject to the restrictions in Sections 8.04(b) and (c)) during a Plan Year that (i) qualifies as an expense incurred by the Participant or Dependents for medical care as defined in Code Section 213(d) and meets the requirements outlined in Code Section 125, (ii) is excluded from gross income of the Participant under Code Section 105(b), and (iii) has not been and will not be paid or reimbursed by any other insurance plan, through damages, or from any other source. Notwithstanding the above, capital expenditures are not Eligible Medical Expenses under this Plan.
- (b) Expenses Incurred After Commencement of Participation. Only medical care expenses incurred by a Participant or the Participant's Dependent(s) on or after the date such Participant commenced participation in the Medical Expense Reimbursement Plan shall constitute an Eligible Medical Expense.
- (c) Eligible Expenses Incurred by Dependents. For purposes of this Section, Eligible Medical Expenses incurred by Dependents defined in Section 2.04(c) are eligible for reimbursement if incurred after March 30, 2010; Eligible Medical Expenses incurred by Dependents defined in Sections 2.04(a) and (b) are eligible for reimbursement if incurred either before or after March 30, 2010 (subject to the restrictions of Section 8.04(b)).
- (d) Health Savings Accounts. If the Employer has elected in Item F.8 of the Adoption Agreement to allow Eligible Employees to contribute to Health Savings Accounts under the Plan, then for a Participant who is eligible for and elects to contribute to a Health Savings Accounts, Eligible Medical Expenses shall be limited as set forth in Item F.8 of the Adoption Agreement.

8.5 USE OF DEBIT CARD: In the event that the Employer elects to allow the use of debit cards ("Debit Cards") for reimbursement of Eligible Medical Expenses under the Medical Expense Reimbursement Plan, the provisions described in this Section shall apply.

- a. Substantiation. The following procedures shall be applied for purposes of substantiating claimed Eligible Medical Expenses after the use of a Debit Card to pay the claimed Eligible Medical Expense:
 - (i) If the dollar amount of the transaction at a health care provider equals the dollar amount of the co-payment for that service under the Employer's major medical plan of the specific employee-cardholder, the charge is fully substantiated without the need for submission of a receipt or further review.
 - (ii) If the merchant, service provider, or other independent third-party (e.g., pharmacy benefit manager), at the time and point of sale, provides information to

verify to the Recordkeeper (including electronically by e-mail, the internet, intranet, or telephone) that the charge is for a medical expense, the charge is fully substantiated without the need for submission of a receipt or further review.

- b. Status of Charges. All charges to a Debit Card, other than co-payments and real-time substantiation as described in Subsection (a) above, are treated as conditional pending confirmation of the charge, and additional third-party information, such as merchant or service provider receipts, describing the service or product, the date of the service or sale, and the amount, must be submitted for review and substantiation.
- c. Correction Procedures for Improper Payments. In the event that a claim has been reimbursed and is subsequently identified as not qualifying for reimbursement, one or all of the following procedures shall apply:
 - (i) First, upon the Recordkeeper's identification of the improper payment, the Eligible Employee will be required to pay back to the Plan an amount equal to the improper payment.
 - (ii) Second, where the Eligible Employee does not pay back to the Plan the amount of the improper payment, the Employer will have the amount of the improper payment withheld from the Eligible Employee's wages or other compensation to the extent consistent with applicable law.
 - (iii) Third, if the improper payment still remains outstanding, the Plan may utilize a claim substitution or offset approach to resolve improper claims payments.
 - (iv) If the above correction efforts prove unsuccessful, or are otherwise unavailable, the Eligible Employee will remain indebted to the Employer for the amount of the improper payment. In that event and consistent with its business practices, the Employer may treat the payment as it would any other business indebtedness.
 - (v) In addition to the above, the Employer and the Plan may take other actions they may deem necessary, in their sole discretion, to ensure that further violations of the terms of the Debit Card do not occur, including, but not limited to, denial of access to the Debit Card until the indebtedness is repaid by the Eligible Employee.
- d. Intent to Comply with Rev. Rul. 2003-43. It is the Employer's intent that any use of Debit Cards to pay Eligible Medical Expenses shall comply with the guidelines for use of such cards set forth in Rev. Rul. 2003-43, and this Section 8.05 shall be construed and interpreted in a manner necessary to comply with such guidelines.

8.6 **GRACE PERIOD:** If the Employer elects in Section F.7 of the Adoption Agreement to permit a Grace Period with respect to the Medical Reimbursement Plan, the provisions of this Section 8.06 shall apply. Notwithstanding anything to the contrary herein and in accordance with Internal Revenue Service Notice 2005-42, a Participant who has unused contributions relating to the Medical Reimbursement Plan from the immediately preceding Plan Year, and who incurs Eligible Medical Expenses for such qualified benefit during the Grace Period, may be paid or reimbursed for those Eligible Medical Expenses from the unused contributions as if the expenses had been incurred in the immediately preceding Plan Year. For purposes of this Section, 'Grace Period' shall mean the period extending to the 15th day of the third calendar month after the end of the immediately preceding Plan Year to which it relates. Eligible

Medical Expenses incurred during the Grace Period shall be reimbursed first from unused contributions allocated to the Medical Reimbursement Plan for the prior Plan Year, and then from unused contributions for the current Plan Year, if participant is enrolled in current Plan Year.

- 8.7 **CARRYOVER:** If the Employer elects in Section F.7 of the Adoption Agreement to permit a Carryover with respect to the Medical Reimbursement Plan, the provisions of this Section 8.07 shall apply. Notwithstanding anything to the contrary herein and in accordance with Internal Revenue Service Notice 2013-71, the Carryover for a Participant who has an amount remaining unused as of the end of the run-off period for the Plan Year, may be used to pay or reimburse Eligible Medical Expenses during the following entire Plan Year. The Carryover does not count against or otherwise affect the Maximum benefit set forth in Section 8.03 (b). Eligible Medical Expenses incurred during a Plan Year shall be reimbursed first from unused contributions for the current Plan Year, and then from any Carryover carried over from the preceding Plan Year. Any unused amounts from the prior Plan Year that are used to reimburse a current Plan Year expense (a) reduce the amounts available to pay prior Plan Year expenses during the run-off period, (b) must be counted against any Carryover amount from the prior Plan Year, and (c) cannot exceed the maximum Carryover from the prior Plan Year. If the Employer elects to apply Section 8.06 in Section F.7 of the Adoption Agreement, this Section 8.07 shall not apply.
- 8.8 **QUALIFIED RESERVIST DISTRIBUTIONS:** Notwithstanding anything in the Plan to the contrary, an individual who, by reason of being a member of a reserve component (as defined in 37 U.S.C. § 101), is ordered or called to active duty for a period in excess of 179 days or for an indefinite period may elect to receive a distribution of all or a portion of the unused Elective Contributions in his or her Account relating to the Medical Expense Reimbursement Plan if the distribution is made during the period beginning on the date of such order or call and ending on the last date that reimbursements could otherwise be made under the Plan for the Plan Year that includes the date of such order or call. If the distribution is for the entire amount of unused Elective Contributions available in the Medical Expense Reimbursement Plan, then no additional reimbursement requests will be processed for the remainder of the Plan Year.

- 12.2 APPOINTMENT OF RECORDKEEPER: The Employer may appoint a Reimbursement Recordkeeper which shall have the power and responsibility of performing recordkeeping and other ministerial duties arising under the Medical Expense Reimbursement Plan and the Dependent Care Reimbursement Plan provisions of this Plan. The Reimbursement Recordkeeper shall serve at the pleasure of, and may be removed by, the Employer without cause. The Recordkeeper shall receive reasonable compensation for its services as shall be agreed upon from time to time between the Administrator and the Recordkeeper.
- 12.3 POWERS AND RESPONSIBILITIES OF ADMINISTRATOR:
- a. General. The Administrator shall be vested with all powers and authority necessary in order to amend and administer the Plan, and is authorized to make such rules and regulations as it may deem necessary to carry out the provisions of the Plan.  - b. Recordkeeping. The Administrator shall keep full and complete records of the administration of the Plan. The Administrator shall prepare such reports and such information concerning the Plan and the administration thereof by the Administrator as may be required under the Code or BRISA and the regulations promulgated thereunder.

- 12.6 DELEGATIONS OF RESPONSIBILITY: The Administrator shall have the authority to delegate, from time to time, all or any part of its responsibilities under the Plan to such person or persons as it may deem advisable and in the same manner to revoke any such delegation of responsibilities which shall have the same force and effect for all purposes hereunder as if such action had been taken by the Administrator. The Administrator shall not be liable for any acts or omissions of any such delegate. The delegate shall report periodically to the Administrator concerning the discharge of the delegated responsibilities.

- 12.7 RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION: The Administrator may release or obtain any information necessary for the application, implementation and determination of this Plan or other Plans without consent or notice to any person. - a. Initial Claim for Benefits. Each Participant may submit a claim for benefits to the Administrator as provided in Section 12.08. A Participant shall have no right to seek review of a denial of benefits, or to bring any action in any court to enforce a claim for benefits prior to his filing a claim for benefits and exhausting his rights to review under this section.

When a claim for benefits has been filed properly, such claim for benefits shall be evaluated and the claimant shall be notified of the approval or the denial within (90) days after the receipt of such claim unless special circumstances require an extension of time for processing the claim. If such an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial ninety (90) day period which shall specify the special circumstances requiring an extension and the date by which a final decision will be reached (which date shall not be later than one hundred and eighty (180) days after the date on which the claim was filed.) A claimant shall be given a written notice in which the claimant shall be advised as to whether the claim is granted or denied, in whole or in part. If a claim is denied, in whole or in part, the claimant shall be given written notice which shall contain (a) the specific reasons for the denial, (b) references to pertinent plan provisions upon which the denial is based, (c) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary, and (d) the claimant's rights to seek review of the denial.

- b. Review of Claim Denial. If a claim is denied, in whole or in part, the claimant shall have the right to request that the Administrator review the denial, provided that the claimant files a written request for review with the Administrator within sixty (60) days after the date on which the claimant received written notification of the denial. A claimant (or his duly authorized representative) may review pertinent documents and submit issues and comments in writing to the Administrator. Within sixty (60) days after a request is received, the review shall be made and the claimant shall be advised in writing of the decision on review, unless special circumstances require an extension of time for processing the review, in which case the claimant shall be given a written notification within such initial sixty (60) day period specifying the reasons for the extension and when such review shall be completed (provided that such review shall be completed within one hundred and twenty (120) days after the date on which the request for review was filed.) The decision on review shall be forwarded to the claimant in writing and shall include specific reasons for the decision and references to plan provisions upon which the decision is based. A decision on review shall be final and binding on all persons.

- c. Exhaustion of Remedies. If a claimant fails to file a request for review in accordance with the procedures herein outlined, such claimant shall have no rights to review and shall have no right to bring action in any court and the denial of the claim shall become final and binding on all persons for all purposes.

12.10 SPECIAL CLAIMS REVIEW PROCEDURE: The provisions of this Section 12.10 shall be applicable to claims under the Medical Expense Reimbursement Plan and the Group Medical Insurance Plan, effective on the first day of the first Plan Year beginning on or after July 1, 2002, but in no event later than January 1, 2003, provided such plans are subject to BRISA.

- a. Benefit Denials: The Administrator is responsible for evaluating all claims for reimbursement under the Medical Expense Reimbursement Plan and the Group Medical Insurance Plan.

The Administrator will decide a Participant's claim within a reasonable time not longer than 30 days after it is received. This time period may be extended for an additional 15 days for matters beyond the control of the Administrator, including in cases where a claim is incomplete. The Participant will receive written notice of any extension, including the reasons for the extension and information on the date by which a decision by the Administrator is expected to be made. The Participant will be given 45 days in which to complete an incomplete claim. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the claim.

If the Administrator denies the claim, in whole or in part, the Participant will be furnished with a written notice of adverse benefit determination setting forth:

1. the specific reason or reasons for the denial;
2. reference to the specific Plan provision on which the denial is issued;
3. a description of any additional material or information necessary for the Participant to complete his claim and an explanation of why such material or information is necessary, and
4. appropriate information as to the steps to be taken if the Participant wishes to appeal the Administrator's determination, including the participant's right to submit written comments and have them considered, his right to review (on request and at no charge) relevant documents and other information, and his right to file suit under BRISA with respect to any adverse determination after appeal of his claim.

- b. Appealing Denied Claims: If the Participant's claim is denied in whole or in part, he may appeal to the Administrator for a review of the denied claim. The appeal must be made in writing within 180 days of the Administrator's initial notice of adverse benefit determination, or else the participant will lose the right to appeal the denial. If the Participant does not appeal on time, he will also lose his right to file suit in court, as he will have failed to exhaust his internal administrative appeal rights, which is generally a prerequisite to bringing suit.

A Participant's written appeal should state the reasons that he feels his claim should not have been denied. It should include any additional facts and/or documents that the Participant feels support his claim. The Participant may also ask additional questions and make written comments, and may review (on request and at no charge) documents and other information

relevant to his appeal. The Administrator will review all written comment the Participant submits with his appeal.

- c. Review of Appeal: The Administrator will review and decide the Participant's appeal within a reasonable time not longer than 60 days after it is submitted and will notify the Participant of its decision in writing. The individual who decides the appeal will not be the same individual who decided the initial claim denial and will not be that individual's subordinate. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the appeal, except that any medical expert consulted in connection with the appeal will be different from any expert consulted in connection with the initial claim. (The identity of a medical expert consulted in connection with the Participant's appeal will be provided.) If the decision on appeal affirms the initial denial of the Participant's claim, the Participant will be furnished with a notice of adverse benefit determination on review setting forth:

1. The specific reason(s) for the denial,
2. The specific Plan provision(s) on which the decision is based,
3. A statement of the Participant's right to review (on request and at no charge) relevant documents and other information,
4. If the Administrator relied on an "internal rule, guideline, protocol, or other similar criterion" in making the decision, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the Participant upon request," and
5. A statement of the Participant's right to bring suit under BRISA § 502(a).

12.11 **PAYMENT TO REPRESENTATIVE**: In the event that a guardian, conservator or other legal representative has been duly appointed for a Participant entitled to any payment under the Plan, any such payment due may be made to the legal representative making claim therefor, and such payment so made shall be in complete discharge of the liabilities of the Plan therefor and the obligations of the Administrator and the Employer.

12.12 **PROTECTED HEALTH INFORMATION**. The provisions of this Section will apply only to those portions of the Plan that are considered a group health plan for purposes of 45 CFR Parts 160 and 164. The Plan may disclose PHI to employees of the Employer, or to other persons, only to the extent such disclosure is required or permitted pursuant to 45 CFR Parts 160 and 164. The Plan has implemented administrative, physical, and technical safeguards to reasonably and appropriately protect, and restrict access to and use of, electronic PHI, in accordance with Subpart C of 45 CFR Part 164. The applicable claims procedures under the Plan shall be used to resolve any issues of non-compliance by such individuals. The Employer will:

- not use or disclose PHI other than as permitted or required by the plan documents and permitted or required by law;
- reasonably and appropriately safeguard electronic PHI created, received, maintained, or transmitted to or by the it on behalf of the Plan, in accordance with Subpart C of 45 CFR Part 164;

- ensure that any agents including a subcontractors to whom it provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Employer with respect to such information;
- not use or disclose PHI for employment-related actions and decisions or in connection with any other employee benefit plan of the Employer;
- report to the Plan any use or disclosure of the information that is inconsistent with the permitted uses or disclosures provided for of which it becomes aware;
- make available PHI in accordance with 45 CFR Section 164.524;
- make available PHI for amendment and incorporate any amendments to PHI in accordance with 45 CFR Section 164.526;
- make available the information required to provide an accounting of disclosures in accordance with 45 CFR Section 164.528;
- make its internal practices, books, and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of Health and Human Services or his designee upon request for purposes of determining compliance with 45 CFR Section 164.504(f);
- if feasible, return or destroy all PHI received from the Plan that the Employer still maintains in any form and retain no copies of such information when no longer needed for the purposes for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and,
- ensure that the adequate separation required in paragraph (f)(2)(iii) of 45 CFR Section 164.504 is established.

MISCELLANEOUS PROVISIONS

- 13.1 INABILITY TO LOCATE PAYEE: If the Plan Administrator is unable to make payment to any Participant or other person to whom a payment is due under the Plan because it cannot ascertain the identity or whereabouts of such Participant or other person after reasonable efforts have been made to identify or locate such person, then such payment and all subsequent payments otherwise due to such Participant or other person shall be forfeited following a reasonable time after the date any such payment first became due.
- 13.2 FORMS AND PROOFS: Each Participant or Participant's Beneficiary eligible to receive any benefit hereunder shall complete such forms and furnish such proofs, receipts, and releases as shall be required by the Administrator.
- 13.3 NO GUARANTEE OF TAX CONSEQUENCES: Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant or a Dependent

under the Plan will be excludable from the Participant's or Dependent's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Participant or Dependent.

- 13.4 PLAN NOT CONTRACT OF EMPLOYMENT: The Plan will not be deemed to constitute a contract of employment between the Employer and any Participant nor will the Plan be considered an inducement for the employment of any Participant or employee. Nothing contained in the Plan will be deemed to give any Participant or employee the right to be retained in the service of the Employer nor to interfere with the right of the Employer to discharge any Participant or employee at any time regardless of the effect such discharge may have upon that individual as a Participant in the Plan.
- 13.5 NON-ASSIGNABILITY: No benefit under the Plan shall be liable for any debt, liability, contract, engagement or tort of any Participant or his Beneficiary, nor be subject to charge, anticipation, sale, assignment, transfer, encumbrance, pledge, attachment, garnishment, execution or other voluntary or involuntary alienation or other legal or equitable process, nor transferability by operation of law.
- 13.6 SEVERABILITY: If any provision of the Plan will be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions hereof will continue to be fully effective.
- 13.7 CONSTRUCTION:

If, in the judgment of the Administrator, more than 25% of the total nontaxable benefits are provided to Key Employees, or the Plan discriminates in any other manner (or is at risk of possible discrimination), then, notwithstanding any other provision contained herein to the contrary, and, in accordance with the applicable provisions of the Code, the Administrator shall, after written notification to affected Participants, reduce or adjust such contributions and benefits under the Plan as shall be necessary to insure that, in the judgment of the Administrator, the Plan shall not be discriminatory.
- 13.9 BRISA. The Plan shall be construed, enforced, and administered and the validity determined in accordance with the applicable provisions of the Employee Retirement Income Security Act of 1974 (as amended), the Internal Revenue Code of 1986 (as amended), and the laws of the State indicated in the Adoption Agreement. Notwithstanding anything to the contrary herein, the provisions of BRISA will not apply to this Plan if the Plan is exempt from coverage under BRISA. Should any provisions be determined to be void, invalid, or unenforceable by any court of competent jurisdiction, the Plan will continue to operate, and for purposes of the jurisdiction of the court only will be deemed not to include the provision determined to be void.

An Equal Opportunity
Employer

Dear Superintendent:

I hope this letter finds you well! This past year was all about the Expanded Learning Opportunities Program (ELO-P) and how best to provide the services to ALL interested students. In my 23 years with BCOE, we have grown from a small program serving three sites, to a program serving thousands of students at 25 schools in 11 districts for a minimum of 210 days a year. I want to thank you for your support and patience while we strived to provide an array of enriching activities that embedded social emotional learning into our programs during after school hours and summer enrichment in June, July and August.

I have updated the MOU required for this school year (2024-2025) to support your After School Education and Safety (ASES) Program grant. I have attached a copy of your district MOU for review and if needed school board approval. Upon approval, kindly scan a signed copy to my attention and place the signed original in the courier. Please do not forward the original directly to Mary Sakuma. I collect all 11 signed MOUs and have Mary sign them all at once. This results in a quicker process and fewer misplaced MOUs.

The ASES grant funding requires the following from each school site receiving funds:

Each site will provide at least 33 percent cash or in-kind local matching funds from the school district, government agencies, community organizations, or the private sector for each dollar expended in grant funds. Not more than 25 percent of the match requirement will be fulfilled by facilities or space usage.

In addition to site match, the program also has MOUs from an array of community partners that support our program through special services such as trainings, enrichment activities and resources.

The in-kind dollar amount for your snack/supper contribution is calculated utilizing the following reimbursement rates. The state allows us to calculate this figure by utilizing the actual attendance from the previous year and multiplying that figure by \$1.23 for snack and \$5.21 for supper.

Remember we now have the ability to include ELO-P contract funds to district ASES MOUs. ELO-P funding can be used for the local match for ASES, as it is the intent that ASES, and the ELO-P funding be considered a single comprehensive program. Source: Expanded Learning Opportunities Program FAQs.

Please feel free to make changes or revisions to the attached copy, and do not hesitate to give me a call with your questions. As always, it has been a pleasure to serve you and your students with expanded learning opportunities. Stay well and take care!

Best Regards,

Julie Jarrett

Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

A. Salaries and Benefits - Other General Administration and Centralized Data Processing

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)

(Functions 7200-7700, goals 0000 and 9000)

423,147.25

2. Contracted general administrative positions not paid through payroll

a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through payroll, in functions 7200-7700, goals 0000 and 9000, Object 5800.

b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

B. Salaries and Benefits - All Other Activities

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702)

(Functions 1000-6999, 7100-7180, & 8100-8400; Functions 7200-7700, all goals except 0000 & 9000)

Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool.

Retain supporting documentation.

B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero.

D. Preliminary Proposed Indirect Cost Rate	
(For final approved fixed-with-carry-forward rate for use in 2025-26 see www.cde.ca.gov/fg/ac/ic)	
(Line A10 divided by Line B19)	6.68%

Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates

the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

A. Indirect costs incurred in the current year (Part III, Line A8)	768,645.36
B. Carry-forward adjustment from prior year(s)	
1. Carry-forward adjustment from the second prior year	(31,005.20)
2. Carry-forward adjustment amount deferred from prior year(s), if any	0.00
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect cost rate (10.13%) times Part III, Line B19); zero if negative	0.00
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of (approved indirect cost rate (10.13%) times Part III, Line B19) or (the highest rate used to recover costs from any program (10.13%) times Part III, Line B19); zero if positive	(170,067.91)
D. Preliminary carry-forward adjustment (Line C1 or C2)	(170,067.91)
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward adjustment is applied to the current year calculation:	6.68%
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward adjustment (\$-85033.96) is applied to the current year calculation and the remainder (\$-85033.95) is deferred to one or more future years:	7.63%
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward adjustment (\$-56689.30) is applied to the current year calculation and the remainder (\$-113378.61) is deferred to one or more future years:	7.95%
LEA request for Option 1, Option 2, or Option 3	1
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if Option 2 or Option 3 is selected)	(170,067.91)

SELPA: (??)

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA. If a member of a SELPA, submit this form together with the 2023-24 Expenditures by LEA (LE-CY) and the 2022-23 Expenditures by LEA (LE-PY) to the SELPA AU. If a single-LEA SELPA, submit the forms to the CDE.

Per the federal Subsequent Years Rule, in order to determine the required level of effort, the LEA must look back to the last fiscal year in which the LEA maintained effort using the same method by which it is currently establishing the compliance standard. To meet the requirement of the Subsequent Years Rule, the LMC-A worksheet has been revised to make changes to sections 3.A.1, 3.A.2, 3.B.1, and 3.B.2. The revised sections allow the LEA to compare the 2023-24 expenditures to the most recent fiscal year the LEA met MOE using that method, which is the comparison year. To ensure the LEA is comparing 2023-24 expenditures to the appropriate comparison year, the LEA is required to complete the Subsequent Years Tracking (SYT) worksheet with their LMC-A worksheet. The SYT worksheet tracks the result for each of the four methods back to FY 2011-12, which is the baseline year for LEA MOE calculations established by the Office of Special Education Programs. The SYT worksheet is available at: <http://www.cde.ca.gov/sp/se/as/documents/subseqyrtrckwrksht.xls>.

There are four methods that the LEA can use to demonstrate the compliance standard. They are (1) combined state and local expenditures; (2) combined state and local expenditures on a per capita basis; (3) local expenditures only; and (4) local expenditures only on a per capita basis.

The LEA is only required to pass one of the tests to meet the MOE requirement. However, the LEA is required to show results for all four methods. These results are necessary both for historical purposes and for the possibility that the LEA may want, or need, to switch methods in future years.

SECTION 1 Exempt Reduction Under 34 CFR Section 300.204

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to combined state and local MOE standard, local only MOE standard, or both. If the LEA meets one of the conditions below, the LEA must complete and include the IDEA MOE Exemption Worksheet available at: <http://www.cde.ca.gov/sp/se/as/documents/leamoeexempwrksht.xls>

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
 - a. Has left the jurisdiction of the agency;
 - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
 - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

Provide the condition number, if any, to be used in the calculation below:

	State and Local	Local Only
Total exempt reductions	0.00	0.00

SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205)

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act (ESEA) of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

SELPA: (??)

This form is used to check maintenance of effort (MOE) for an LEA, whether the LEA is a member of a SELPA or is a single-LEA SELPA. If a member of a SELPA, submit this form together with the 2024-25 Budget by LEA (LB-B) and the 2023-24 Expenditures by LEA (LE-B) to the SELPA AU. If a single-LEA SELPA, submit the forms to the CDE.

Per the federal Subsequent Years Rule, in order to determine the required level of effort, the LEA must look back to the last fiscal year in which the LEA maintained effort using the same method by which it is currently establishing the eligibility standard. To meet the requirement of the Subsequent Years Rule, the LMC-B worksheet has been revised to make changes to sections 3.A.1, 3.A.2, 3.B.1, and 3.B.2. The revised sections allow the LEA to compare the 2024-25 budgeted expenditures to the most recent fiscal year the LEA met MOE using that method, which is the comparison year. To ensure the LEA is comparing 2024-25 budgeted expenditures to the appropriate comparison year, the LEA is required to complete the Subsequent Years Tracking (SYT) worksheet with their LMC-B worksheet. The SYT worksheet tracks the result for each of the four methods back to FY 2011-12, which is the baseline year for LEA MOE calculations established by the Office of Special Education Programs. The SYT worksheet is available at: <http://www.cde.ca.gov/sp/se/as/documents/subseqyrtrckwrksht.xls>.

There are four methods that the LEA can use to demonstrate the eligibility standard. They are (1) combined state and local expenditures; (2) combined state and local expenditures on a per capita basis; (3) local expenditures only; and (4) local expenditures only on a per capita basis.

The LEA is only required to pass one of the tests to meet the MOE requirement. However, the LEA is required to show results for all four methods. These results are necessary both for historical purposes and for the possibility that the LEA may want, or need, to switch methods in future years.

SECTION 1 Exempt Reduction Under 34 CFR Section 300.204

If your LEA determines that a reduction in expenditures occurred as a result of one or more of the following conditions, you may calculate a reduction to the required MOE standard. Reductions may apply to combined state and local MOE standard, local only MOE standard, or both. If the LEA meets one of the conditions below, the LEA must complete and include the IDEA MOE Exemption Worksheet available at: <http://www.cde.ca.gov/sp/se/as/documents/leamoeexempwrksht.xls>.

1. Voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
2. A decrease in the enrollment of children with disabilities.
3. The termination of the obligation of the agency to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child:
 - a. Has left the jurisdiction of the agency;
 - b. Has reached the age at which the obligation of the agency to provide free appropriate public education (FAPE) to the child has terminated; or
 - c. No longer needs the program of special education.
4. The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
5. The assumption of cost by the high cost fund operated by the SEA under 34 CFR Sec. 300.704(c).

Provide the condition number, if any, to be used in the calculation below:

SECTION 2 Reduction to MOE Requirement Under IDEA, Section 613 (a)(2)(C) (34 CFR Sec. 300.205)

IMPORTANT NOTE: Only LEAs that have a "meets requirement" compliance determination and that are not found significantly disproportionate for the current year are eligible to use this option to reduce their MOE requirement.

Up to 50% of the increase in IDEA Part B Section 611 funding in current year compared with prior year may be used to reduce the required level of state and local expenditures. This option is available only if the LEA used or will use the freed up funds for activities authorized under the Elementary and Secondary Education Act (ESEA) of 1965. Also, the amount of Part B funds used for early intervening services (34 CFR 300.226(a)) will count toward the maximum amount by which the LEA may reduce its MOE requirement under this exception [P.L. 108-446].

Item Number: 15 J

Presenter: John Strattard

Attachments: Application Form

Item Type: ☐ Consent Agenda ☒ Action ☐ Report ☐ Work Session ☐ Other

Background/Comments:

The U.S. Department of Agriculture (USDA) Food and Nutrition Service requires the California Department of Education (CDE) to conduct Local Agency Procurement Reviews. (LAPR)

During the Fiscal Year 2022-23, LAPR completed the off-site review with further action requirements. Purchases made above the threshold and equitable distribution were found to be non-compliant according to the Federal regulation standards. The review has no penalty but corrective action must be done immediately.

To comply with the Federal and State purchasing regulations, the Biggs Unified School District would like to be part of the Mountain View Food Purchasing Cooperative through Enterprise School District.

Fiscal Impact:

For SY 2024-25, a membership fee of \$175 will be taken from the food service one-time funding and any future membership fees will be taken from Fund 13-Child Nutrition Fund.

Recommendation:

The Administration recommends the Board approve the membership application to Mountain View Food Purchasing Cooperative as presented.

Item Number: 15 K

Item Title: Approval of Resolution 2024/25 #03 Inter-Fund Cash Transfer to Fund 17 Special Reserve Fund from the General Fund.

Presenter: Analyn Dyer

Attachments: Resolution and Unaudited Actuals 2023/24 Form Fund 01

Item Type: ☐ Consent Agenda ☒ Action ☐ Report ☐ Work Session ☐ Public Hearing

Background/Comments:

As part of budget oversight, the District is requesting approval of inter-fund transfers from the Board of Trustees of Biggs Unified School District. The proposed transfer for the Fiscal Year 2024/25 enables the district to initiate the cash transfer from the General Fund into the Special Reserve for Other than Capital Outlay Fund (17).

The Unaudited Actuals Ending Balance for FY 2023/24 is calculated as 63% over Expenditures or 46% over the State required Ending Fund Balance. These transfers are to set aside funds for rainy day funds and the Board has full discretion to move the funds back to Fund 01 whenever deemed necessary.

Following the Board authorization, the Districts' First Interim Budget for FY 24/25 will be updated to reflect the projected Fund 17 and Fund 01 activity.

Fiscal Impact:

The increase in Fund 17 by \$250,000 and the decrease in Fund 01 by the same amount will be included in the First Interim Budget 2024/25.

Recommendation:

The administration recommends the Board approve the transfer of \$250,000 to Fund 17 from Fund 01.

NOW, THEREFORE, BE IT RESOLVED that the amount of \$250, 000 be transferred from the General Fund to the Special Reserve for Projects Other Than Capital Fund (17).

RE: Measure A on the November 5, 2024, ballot for the Biggs Unified School District

Dear Teacher/Staff Member,

The Biggs Unified School District has been providing dedicated and excellent educational services to local students since its formation in 1912. Currently, the District educates approximately 548 students at the District's three schools. It is through the hard work and dedication of teachers and staff like you that directly contribute to the education and success of our students.

While our facilities have been well-maintained over the years, our schools are old and need repairs. Many classrooms no longer meet current building, safety, or educational standards. Faced with this growing need, the Board of Trustees decided to place Measure A, a school improvement General Obligation (G.O.) bond measure, on the November 5, 2024, ballot to fund the modernization of our aging schools.

Over the last several months, with input from staff, teachers, parents, and community leaders, the District has prepared a School Facilities Needs Analysis. The Needs Analysis identifies the major repairs and upgrades that need to be made.

Specific projects identified include:

- Repairing or replacing leaky roofs
- Replacing portable classrooms with permanent classrooms (Middle School)
- Middle School/Elementary Gym
- Renovating, constructing, and modernizing classrooms to fit current educational standards
- Resurface Pool
- Removal of old RES school building

The attached Frequently Asked Questions (FAQ) handout is provided to assist teachers, staff, and voters in understanding the facts behind Measure A and how its passage will affect the District, our students, and the community. Please take a moment to review the FAQ, and feel free to reach out to us should you have any questions on this important issue.

Frequently Asked Questions Handout

Although it appears that our schools are in good shape based on achievements by our students, our classrooms and facilities need significant repairs. Faced with aging classrooms and the need to bring school facilities up to current standards, the Biggs Unified School District placed a general obligation bond measure on the November 2024 ballot that would modernize and renovate our aging classrooms and facilities. The following information is provided to assist voters in understanding the facts behind the measure and how its passage will affect the District and our community.

What is Measure A?

Measure A is a \$16.5 million general obligation (G.O.) bond program. The measure is intended to address the needs of the student population through modernization and renovation projects at the District's three schools.

What is a G.O. bond?

G.O. bonds fund projects such as the renovation of classrooms and school facilities, as well as construction of new schools and classrooms. Similar to a home loan, G.O. bonds are typically repaid over 30 years. The loan repayment comes from a tax on all taxable property - residential, commercial, agricultural, and industrial - located within the District's boundaries.

Why did the District place Measure A on the ballot?

Our schools are outdated, and major upgrades and renovations need to be made. While facilities have been well maintained, classrooms and facilities must be upgraded since many do not meet 21st century safety, educational, and technological standards. By investing in our schools, we can meet today's educational standards as well as better serve our community.

Why can't the District meet its facilities needs with its current budget?

Today, the scope of improvements needed at the Biggs Unified School District is far more than the current funding sources available. The per-pupil funding the District receives from the state is intended to be used for the day-to-day business of educating children, not for the costs of upgrading, modernizing, and repairing facilities.

How did the District come up with the project list for Measure A?

Over the last couple of months, with input from staff, teachers, parents, community leaders, and an architect, the District has prepared a School Facilities Needs Analysis. The Needs Analysis identifies the major repairs and upgrades that need to be made.

Specific projects identified include:

- Repairing or replacing leaky roofs
- Improving student access to modern technology
- Replacing portable classrooms with permanent classrooms (Middle School-BES)
- Middle school gym
- Resurfacing Pool
- Renovating, constructing, and modernizing classrooms to fit current educational standards. (removing old school in Richvale to prepare for future)

What will the passage of Measure A mean for our students and the community?

Measure A will provide our students with a better learning environment by making repairs and upgrades to existing classrooms and school facilities; many of which are also used by and available to the community, such as the libraries and playing fields.

What will happen if Measure A does not pass?

If Measure A does not pass, our classrooms and school facilities will continue to deteriorate. In addition, funds that would otherwise go to classroom instruction will be needed to make critical safety repairs and improvements at each school. Consequently, major repairs will need to be postponed, and as a result, will potentially be more expensive to make.

What will Measure A cost?

The tax rate per property owner is estimated to be \$60 per \$100,000 of assessed valuation per year (Do not confuse assessed valuation with market value. Assessed valuations are the value placed on property by the County and are almost always lower than market values). Check your property tax statement for your current assessed valuation.

How can I be sure that funds will be spent on improving our local schools?

By law, all bond funds must be spent locally and cannot be taken by the state. In addition, a local independent citizens' oversight committee will be established to ensure that bond funds are properly spent. Also, by law, there must be annual audits of expenditures and no bond money can be used for teacher or administrative salaries.

Sample Firearms Safety Memorandum

To: Parents and Guardians of Students in the **[Insert Name of School District]**

From: **[Insert Name of Superintendent]**

Subject: **California Law Regarding Safe Storage of Firearms**

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the **[Insert Name of School District]** of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.**

To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law.

- With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; **or** (3) unlawfully brandishes the firearm to others.¹
 - **Note:** The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.
- With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.²

¹ See California Penal Code sections 25100 through 25125 and 25200 through 25220.

² See California Penal Code section 25100(c).

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.³
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.⁴

Note: Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

[Insert Name of Superintendent]
