

CONCEPTS AND ROLES

The Board of Trustees recognizes that district administration performs essential roles and functions in support of student learning, including the provision of instructional support and services to schools as well as the responsible management of noninstructional operations. The Superintendent or designee may make decisions concerning district operations within the parameters of law and Board policy.

(cf. 2110 - Superintendent Responsibilities and Duties)
(cf. 9310 - Board Policies)

The Superintendent shall provide leadership in developing administrative regulations and organizational structures, decision-making processes, and staff action plans that allow the district to fulfill its vision and goals. The Board also expects the Superintendent to help shape the culture and environment of the district in a manner that focuses district operations on enhancing student achievement, encourages positive relationships within the community, and instills confidence in district schools.

(cf. 0000 - Vision)
(cf. 0100 - Philosophy)
(cf. 0200 - Goals for the School District)
(cf. 0500 - Accountability)
(cf. 2111 - Superintendent Governance Standards)

The Board and Superintendent shall work together as a team in the exercise of district governance. The Board and Superintendent shall establish protocols that describe how the governance team will operate, including, but not limited to, agreements regarding Board meeting operations and communications between the Superintendent and the Board.

(cf. 9000 - Role of the Board)
(cf. 9005 - Governance Standards)

Because the Superintendent is the only district employee who is directly selected and evaluated by the Board, the Board has a responsibility to ensure that the Superintendent possesses the skills and attributes that best meet the needs of the district.

(cf. 2120 - Superintendent Recruitment and Selection)

The Board and Superintendent shall agree upon a system for evaluating the Superintendent, including the evaluation criteria, method, evaluation instrument, process, and timeline.

(cf. 2140 - Evaluation of the Superintendent)

The Superintendent may delegate to other district staff any duties imposed upon him/her by the Board. This delegation shall not relieve the Superintendent of responsibility for actions taken by his/her designees.

ADMINISTRATIVE DISCRETION REGARDING BOARD POLICY

The Board of Trustees desires to be proactive in communicating its philosophy, priorities, and expectations for the district; clarifying the roles and responsibilities of the Board, Superintendent, and other senior administrators; and setting direction for the district through written policies. However, the Board recognizes that, in the course of operating district schools or implementing district programs, situations may arise which may not be addressed in written policies. In such situations, or when immediate action is necessary to avoid any risk to the safety or security of students, staff, or district property or to prevent disruption of school operations, the Superintendent or designee shall have the authority to act on behalf of the district in a manner that is consistent with law and Board policies.

(cf. 0100 - Philosophy)
(cf. 0200 - Goals for the School District)
(cf. 0450 - Comprehensive Safety Plan)

(cf. 2121 - Superintendent's Contract)
(cf. 3516.5 - Emergency Schedules)
(cf. 9000 - Role of the Board)
(cf. 9310 - Board Policies)

As necessary, the Superintendent or designee shall consult with other district staff, including legal counsel and/or the chief business official, regarding the exercise of this authority.

Any exercise of administrative authority shall be nondiscriminatory and demonstrate the district's commitment to equity in district programs and activities.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 0415 - Equity)

The Superintendent shall be accountable to the Board for all areas of operation under his/her authority. As appropriate, the Superintendent or designee shall notify the Board as soon as practicable after he/she exercises the authority granted under this policy. The Board president and the Superintendent shall schedule a review of the action at the next regular Board meeting. If the action indicates the need for additions or revisions to Board policies, the Superintendent or designee shall make the necessary recommendations to the Board.

REPRESENTATIVE AND DELIBERATIVE GROUPS

The Board of Trustees believes that broad input on district operations and policy from staff, parents/guardians, students and members of the public can provide the district with a diversity of viewpoints and expertise, help build a sense of ownership of the schools, enhance district efficiency and assist district communications. As desired, the Superintendent or designee may establish a management team, administrative councils, task forces, cabinets or committees in accordance with law.

(cf. 1220 - Citizen Advisory Committees)
(cf. 4301 - Administrative Staff Organization)

The membership, composition and responsibilities of these groups shall be defined by the Superintendent or designee. The Superintendent or designee may establish, change or dissolve these groups at his/her discretion.

Groups established by the Superintendent or designee shall act in an advisory capacity unless specifically authorized to act on behalf of the Superintendent or designee. Advisory groups shall submit their recommendations to the Superintendent or designee, who may report the recommendations to the Board as appropriate.

(cf. 9130 - Board Committees)

Expenses incurred for consulting services, materials, travel or other related operations shall be approved by the Superintendent or designee in advance.

POLICY/REGULATION/BYLAWS DEVELOPMENT

Policy Manual

The Superintendent shall establish an orderly plan to publish the Board of Trustees policies, regulations and bylaws in a manual and maintain them in current condition. The policy manual shall be distributed to the Board and to key district personnel. Students, members of the community and other staff members shall have access to the district policy manual.

Policies

Policies are written statements adopted by the Board which provide guides for discretionary action to the Superintendent and his/her staff. The Board may request the Superintendent to provide policy statements for its consideration or may initiate a committee from among its own members to develop policy.

(cf. 9311 - Formulation, Adoption, Amendment of Policies)

Administrative Regulations

The Superintendent shall develop regulations and procedures necessary to implement policy and operate the schools of the district. Rules and regulations shall not be in conflict with adopted Board policy, statutory provisions and State Department of Education rules and regulations.

The Board retains the right to review district rules and regulations to ensure that they are not in conflict with policy.

Regulations which apply to all schools of the district shall be included in the policy manual.

Board Adopted Regulations

The Board shall formally adopt or approve regulations when required to do so by law. The board may request the Superintendent to prepare and submit draft regulations for its consideration.

Bylaws

Bylaws are the rules governing the internal operations of the Board. When need for a new bylaw, or modification of an existing bylaw is recognized, the Superintendent will be directed to develop and present the Board with a new modified bylaw for consideration. The same procedure used for development of policies shall be used for development of bylaws.

(cf. 9310 - Board Policies)

POLICY/REGULATION/BYLAW DEVELOPMENT (continued)

Maintenance of Policy Manual

The Board recognizes that new development in education, changes in law and local community issues will have an impact on the operation of the school district and consequently the Board's policy manual. In order to respond to these various needs in a timely manner the Board welcomes written recommendations for change from any source.

The Board expects the administration to keep abreast of changes in law, state regulations and court decisions and to make recommendations for that amendment of policies, regulations and bylaws or the development of new ones.
