EMPLOYMENT OF RELATIVES

4312.8

The Board of Trustees desires to maximize staff and community confidence in district hiring, promotion, and other employment decisions by promoting practices that are free of conflicts of interest or the appearance of impropriety.

(cf. 4030 - Nondiscrimination in Employment)

(cf. 9270 - Conflict of Interest)

The Board prohibits the appointment of any person to a position for which his/her relative maintains management, supervisory, evaluation, or promotion responsibilities and prohibits an employee from participating in any decision that singularly applies to any of his/her relatives.

(cf. 4111/4211/4311 - Recruitment and Selection)

(cf. 4115 - Evaluation/Supervision)

(cf. 4215 - Evaluation/Supervision)

(cf. 4315 - Evaluation/Supervision)

For purposes of this policy, *relative* includes the individual's spouse, domestic partner, parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse or domestic partner.

In addition, the Superintendent or designee may determine, on a case-by-case basis, whether to appoint a person to a position in the same department or facility as an employee with whom he/she maintains a personal relationship when that relationship has the potential to create (1) an adverse impact on supervision, safety, security, or morale of other district employees or (2) a conflict of interest for the individuals involved which is greater because of their relationship than it would be for another person.

(cf. 4031 - Complaints Concerning Discrimination in Employment)

An employee shall notify his/her supervisor within 30 days of any change in his/her circumstances that may constitute a violation of this policy.

ASSIGNMENT

In order to serve the best interests of students and the educational program, the Governing Board authorizes the Superintendent or designee to assign certificated personnel to positions for which they are qualified pursuant to their certification, preparation, professional experience, and aptitude.

(cf. [4112.2](#) - Certification)

(cf. [4112.21](#) - Interns)

(cf. [4112.22](#) - Staff Teaching English Learners)

(cf. [4112.23](#) - Special Education Staff)

(cf. [4112.8/4212.8/4312.8](#) - Employment of Relatives)

Teachers may be assigned to any school within the district in accordance with the collective bargaining agreement or Board policy.

(cf. [4141/4241](#) - Collective Bargaining Agreement)

Assignment to Courses/Classes

The Superintendent or designee shall assign teachers based on the grade level and subject matter authorized by their credentials.

When there is no credential authorization requirement for teaching an elective course, the Superintendent or designee shall select the credentialed teacher whose knowledge and skills best prepare the teacher to provide instruction in that subject.

When specifically authorized by law or regulation, the Superintendent or designee may, with the teacher's consent, assign a teacher to a position outside the teacher's credential authorization in accordance with the local teaching assignment options described in the Commission on Teacher Credentialing's (CTC) Administrator's Assignment Manual. Such assignments shall be annually approved by Board resolution. In such cases, the Superintendent or designee shall reference in district records the statute or regulation under which the assignment is authorized.

(cf. [3580](#) - District Records)

If at any time a certificated employee is required by the district to accept an assignment which the employee believes is not legally authorized by the employee's credential, the employee shall notify the Superintendent or designee, in writing, of the misassignment. Within 15 working days, the Superintendent or designee shall notify the employee of the legality of the assignment. If no action is taken by the district, the employee shall provide written notification to the County Superintendent of Schools. No adverse action shall be taken against an employee who files a notice of misassignment. (Education Code [44258.9](#))

ASSIGNMENT (continued)**Vacancies and Misassignments**

Annually, the district shall review potential misassignments and vacant positions throughout the district. Upon receiving notification from CTC of the availability of data regarding potential misassignments and vacant positions in the district, the Superintendent shall review the data within 60 days. When necessary, the Superintendent or designee may respond by submitting additional documentation to the County Superintendent showing that an employee is legally authorized for an assignment and/or that a position identified as vacant was miscoded and a legally authorized employee is assigned to the position. (Education Code [44258.9](#))

If the district subsequently receives, within 90 days of CTC's initial notification, a notification from the County Superintendent indicating that a certificated employee in the district is assigned to a position for which the employee has no legal authorization, the district shall correct the assignment within 30 calendar days. (Education Code [44258.9](#))

The district shall serve as the monitoring authority for teacher assignments in any charter school it has authorized, in accordance with Education Code [44258.9-44258.10](#).

(cf. [0420.41](#) - *Charter School Oversight*)

Any complaint alleging teacher misassignment or vacancy shall be filed and addressed through the district's procedures specified in AR 1312.4 - Williams Uniform Complaint Procedures.

(cf. [1312.4](#) - *Williams Uniform Complaint Procedures*)

The school accountability report card for each school shall include any assignment of teachers outside their subject areas of competence, misassignments, including misassignments of teachers of English learners, and the number of vacant teacher positions for the most recent three-year period. (Education Code [33126](#))

(cf. [0510](#) - *School Accountability Report Card*)

Equitable Distribution of Qualified and Experienced Teachers

The Superintendent or designee shall identify and address the equitable distribution of highly qualified and experienced teachers among district schools, including those with higher than average levels of low-income, minority, and/or academically underperforming students. The Superintendent or designee shall annually report to the Board comparisons of teacher qualifications across district schools, including the number of teachers serving under a provisional internship permit, short-term staff permit, intern credential, emergency permit, or credential waiver.

ASSIGNMENT (continued)

Strategies for ensuring equitable access to experienced teachers may include, but are not limited to, incentives for voluntary transfers, provision of professional development, and/or programs to recruit and retain effective teachers.

TEMPORARY MODIFIED/LIGHT-DUTY ASSIGNMENT

4313.4

The Board of Trustees recognizes that, when employees have temporarily disabling medical conditions, temporary modified or light-duty assignments can allow the district to continue to use their valuable knowledge, skills, and abilities while minimizing time away from work. Temporary modified/light-duty assignments may also serve to facilitate the employee's transition back to his/her regular duties or full-time work.

(cf. 3530 - Risk Management/Insurance)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

(cf. 4261.8 - Industrial Accident/Illness Leave)

Any employee may request a modified or light-duty assignment when he/she has a temporary medical condition which prevents the performance of the essential functions of his/her current assignment or position. The Superintendent or designee shall determine, on a case-by-case basis, whether a suitable temporary position currently exists to accommodate the physical restrictions specified by the employee's medical provider.

(cf. 4032 - Reasonable Accommodation)

An employee's initial assignment to a temporary modified or light-duty position shall be for a limited duration, not to exceed 30 days. At the end of the initial assignment, the employee may request that the Superintendent or designee extend the assignment. When requesting any such extension, the employee shall submit documentation from his/her medical provider verifying that the employee is still temporarily disabled and is not medically able to return to his/her regular assignment. Temporary assignments generally shall not exceed 90 days, but may be extended at the discretion of the Superintendent or designee for an additional 90 days upon verification by the employee's medical provider that such an extension will allow the employee to return to unrestricted regular duties.

An employee who rejects a temporary modified/light-duty assignment may be subject to a loss of workers' compensation benefits in accordance with district's insurance policy.

EARLY RETIREMENT OPTION

When it is beneficial to the district, the Governing Board may offer certificated employees the option to retire early in accordance with law.

Two Years of Service Credit Retirement Incentive

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System (STRS), the Board may offer such employees an additional two years of service credit. (Education Code [22714](#), [44929](#))

Before taking formal action to approve this service incentive, the Board shall determine that encouraging early retirement would be in the best interest of the district due to the curtailment of services or changes in the manner in which services are performed and that the retirement will result in a net savings to the district. The Board shall demonstrate and certify to the County Superintendent of Schools that the formal action taken would result in a net savings to the district. (Education Code [22714](#), [44929](#))

The Board may also consider the impact of the early retirement option on the staffing needs of district schools.

To be eligible for the two years of service credit option, the employee must have five or more years of service credit and must retire during a period of 60 to 120 days after the Board takes formal action to implement the option. (Education Code [22714](#))

In providing the early retirement option, the district shall meet all conditions as specified in Education Code [22714](#) and [44929](#).

Two + Two Retirement Incentive: 2 Years of Service Credit + 2 Years of Age Credit

As an incentive to early retirement for certificated employees participating in the State Teachers' Retirement System, the Board may offer an additional two years of service credit and two years of age credit to employees who retire within the "window period" established by the Board in a Memorandum of Understanding or by Board action prior to January 1, 2005 pursuant to repealed Education Code [22714.5](#).

POSTRETIREMENT EMPLOYMENT

When necessary, the Board of Trustees may hire a qualified retired certificated individual who possesses the knowledge and experience needed to perform creditable service for the district as an employee, the employee of a third party, or an independent contractor/consultant, provided that all applicable restrictions specified by the California State Teachers' Retirement System (CalSTRS) are met. Applicable CalSTRS restrictions include, but are not limited to, a requirement that a retired member be paid compensation comparable to that for active employees for comparable duties and prohibitions against the hiring of a retired member within 180 days of his/her retirement and for the classified service, except as an aide pursuant to Education Code [45134](#). Additional restrictions and rules may apply to other employment situations, such as when CalSTRS retired members are employed as employees of third parties, independent contractors, or consultants. The Superintendent or designee should consult legal counsel when dealing with such employment situations. (Education Code [22119.5](#), [22164.5](#), [24214](#), [24214.5](#))

(cf. [3600](#) - *Consultants*)

(cf. [4111/4211/4311](#) - *Recruitment and Selection*)

(cf. [4112](#) - *Appointment and Conditions of Employment*)

Any retired member of the defined benefit program of CalSTRS who is hired by the district to perform retired member activities as defined pursuant to Education Code [22164.5](#) shall be paid at an annualized rate of pay that shall not be below the minimum or exceed the maximum paid to other district employees performing comparable duties. However, such a retired individual shall not make contributions to the CalSTRS retirement fund or accrue service credit based on compensation earned from the retired member activity. (Education Code [24214](#))

No retired member of the CalSTRS defined benefit program shall be hired by the district for at least 180 calendar days after his/her retirement from service, unless he/she has attained the normal retirement age and qualifies for an exemption to the 180-day waiting period. To seek this exemption, the Board shall, during the open session of a Board meeting, adopt a resolution which shall include the following information and findings: (Education Code [24214.5](#))

1. A statement expressing the Board's intent to seek an exemption to the 180-day waiting period
2. A description of the nature of the employment of the retiree
3. A finding that the retiree has reached the normal retirement age

Financial inducement to retire shall include, but is not limited to, cash or any form of compensation or other payment directly or indirectly paid by any public employer to the retired individual before or after his/her retirement, if the individual retires for service on or before a specific date or range of dates established by the public employer on or before the date the inducement is offered

6. A finding that the retired individual's termination of employment with the district is not the basis for the need to acquire the services of the retired individual

The resolution shall not be adopted through the Board's consent agenda. (Education Code [24214.5](#))

(*cf.* [9320](#) - *Meetings and Notices*)

When employing a retired individual who is eligible for exemption from the 180-day waiting period, the Superintendent or designee shall submit all required documentation to substantiate eligibility for the exemption to CalSTRS before the retired member begins performing any retired member activities. The Superintendent or designee may contact CalSTRS to request information as to whether the retired member qualifies for the exemption after 30 days of submitting the required documentation to CalSTRS. (Education Code [24214.5](#))

Postretirement Compensation Limitation, Notice, and Report

All CalSTRS retirees performing creditable service for the district shall be subject to the applicable CalSTRS earnings limit. Monies earned in excess of the limit may subject the CalSTRS retiree to a reduction in his/her retirement allowance. Compensation subject to the earnings limitation includes, but is not limited to, salary or wages, deferred compensation plans, purchase of an annuity contract, tax-deferred retirement plan or insurance program, and other plans or contributions when the cost is covered by a district. (Education Code [22119.5](#), [22164.5](#), [24214](#))

American Federation of Teachers, Local #1050 v. Board of Education of Pasadena Unified School District, (1980) 107 Cal.App.3d 829

RECOGNITION FOR LENGTH OF SERVICE ON RESIGNATION OR RETIREMENT

Upon recommendation from the Superintendent or designee, the Board of Trustees may direct the following special recognition of staff members retiring or resigning following long periods of service as follows:

1. Five to nine years: Letter of appreciation from the Superintendent or designee.
2. Ten to nineteen years: Resolution of appreciation from the Board.
3. Twenty or more years: Presentation of a plaque.

PERSONNEL REDUCTION

The Board of Trustees may reduce the number of probationary and permanent certificated employees when, in its opinion, any of the following conditions makes such reduction necessary:

1. Average daily attendance (ADA) in all of the schools in the district during the first six months of the school year has declined below the level for the same period in either of the previous two school years. (Education Code 44955)
2. A particular kind of service is to be reduced or discontinued not later than the beginning of the following school year. (Education Code 44955)
3. Attendance in the district will decline in the following year as a result of the termination of an interdistrict tuition agreement. (Education Code 44955)
4. An amendment of state law requires modification of the curriculum. (Education Code 44955)
5. During the time period between five days after the enactment of the Budget Act and August 15 of that fiscal year, the Board determines that the district's total revenue limit per ADA for the fiscal year of that Budget Act has not increased by at least two percent. (Education Code 44955.5)

Determination of the Order of Layoffs

When it is necessary to reduce the number of certificated employees for any of the reasons listed above, the services of employees shall be terminated in the inverse of the order in which they were employed by the district in probationary status, except as otherwise authorized by law. (Education Code 44844, 44955)

The Superintendent or designee shall maintain the seniority list for this purpose and shall make it available upon request.

Unless otherwise provided by law, a permanent employee shall have the right to be retained over a probationary employee or any employee with less seniority if the position is one for which he/she is certificated and competent to render service. (Education Code 44955)

(cf. 4112.2 - Certification)

(cf. 4112.22 - Staff Teaching English Language Learners)

(cf. 4112.23 - Special Education Staff)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

(cf. 4113 - Assignment)

(cf. 4116 - Probationary/Permanent Status)

To determine the order of termination between employees who first rendered paid service on the same date, the Board shall rank order those employees solely on the basis of the needs of

PERSONNEL REDUCTION (continued)

the district and students. Upon the request of an employee whose order of termination is to be determined based on such ranking, the Board shall furnish the employee, no later than five days prior to the commencement of the administrative hearing on the layoff, a written statement of the specific criteria used in determining the order of termination and the application of the criteria in ranking the employee relative to the other employees in the group. (Education Code 44955)

The district may deviate from terminating certificated employees in order of seniority for either of the following reasons: (Education Code 44955, 44956)

1. To fill a demonstrated specific need for personnel to teach a specific course or courses of study, or to provide services authorized by a services credential with a specialization in either student personnel services or health for a school nurse, when the certificated employee has the necessary special training and experience which others with more seniority do not possess
2. To maintain or achieve compliance with constitutional requirements related to equal protection of the law

Notice and Hearing Rights

When it becomes necessary to reduce the number of permanent and/or probationary employees pursuant to Education Code 44955 as specified in items #1-4 above, the district shall give notice to the affected employees, no later than March 15, stating the reasons for the action and the employees' right to a hearing. The district shall adhere to the notice, hearing, and layoff procedures in Education Code 44949, 44955, and other applicable provisions of law.

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

When an employee has requested a hearing before an administrative law judge regarding the reduction or discontinuation of services, the Board shall make a final decision regarding the sufficiency of the cause and disposition of the layoff upon receipt of the administrative law judge's proposed decision. None of the findings, recommendations, or determinations of the administrative law judge shall be binding on the Board. (Education Code 44949)

The Board may conduct its own hearing, adopt the administrative law judge's proposed decision, refer the case back to the administrative law judge for additional evidence, or reject or modify the proposed decision and make its own determination based upon its review of the record.

Following the Board's decision, the Superintendent or designee shall give final notice, in the manner specified, to the affected employees before May 15 unless the parties agree otherwise in accordance with procedures required by law. (Education Code 44955)

PERSONNEL REDUCTION (continued)

When layoffs become necessary pursuant to Education Code 44955.5 as specified in item #5 above, layoff proceedings shall be carried out as required by law but in accordance with a schedule of notice and hearing adopted by the Board. (Education Code 44955.5)

Reappointment

If the number of employees is increased or the discontinued service reestablished, permanent certificated employees shall have the right to reappointment, in order of seniority, for 39 months from the date of termination. Probationary certificated employees shall have the same right for 24 months after being terminated, subject to the prior reappointment rights of permanent employees. (Education Code 44846, 44956, 44957)

During the period of the preferred right to reappointment, permanent certificated employees shall, in the order of original employment, be offered first opportunity for substitute service during the absence of any employee who has been granted a leave of absence or who is temporarily absent from duty. Such substitute service may be terminated upon the return to duty of the other employee. Such substitute service shall not affect the retention of the employees' previous classification and rights. Probationary certificated employees shall have the same right to substitute service during the period of preferred right to reappointment to the extent required by law, subject to the rights of permanent certificated employees. (Education Code 44918, 44956, 44957)

(cf. 4121 - Temporary/Substitute Employees)

Before reappointing any certificated employee to teach a subject which he/she has not previously taught and for which he/she does not have a teaching credential or which is not within the employee's major area of postsecondary study, the Board shall require the employee to pass a subject matter competency test in the appropriate subject. (Education Code 44956)

Reappointed certificated employees shall not be subject to any requirements that were not imposed on employees who continued in service. Their period of absence shall be treated as a leave of absence and not considered a break in the continuity of their service. (Education Code 44956, 44957)

The Board shall also review any duly signed and verified written statement of charges filed by any other person. (Education Code 44934, 44934.1)

Based on the written statement of charges, the Board may, upon majority vote, give notice to the employee of its intention to suspend or dismiss him/her at the expiration of 30 days from the date the notice is served. (Education Code 44934, 44934.1)

Prior to serving a suspension or dismissal notice that includes a charge of unprofessional conduct, the district shall give the employee written notice that describes the nature of the unprofessional conduct with such specific instances of behavior and with such particularity as to furnish the employee an opportunity to correct his/her faults and overcome the grounds for any unprofessional conduct charges and, if applicable, that includes the evaluation made pursuant to Education Code 44660-44665. The written notice of the unprofessional conduct shall be provided at least 45 days prior to the filing of the suspension or dismissal notice. (Education Code 44938)

Notices with a charge of unsatisfactory performance shall be given only during the instructional year of the school site where the employee is physically employed, and may be served personally or by registered mail to the employee's last known address. SEXUAL HARASSMENT

4319.11

The following policy shall apply to all district employees, interns, volunteers, contractors, job applicants, and other persons with an employment relationship with the district.

The Board of Trustees is committed to providing a safe work environment that is free of harassment and intimidation. The Board prohibits sexual harassment against district employees and retaliatory behavior or action against any person who complains, testifies, or otherwise participates in the complaint process established for the purpose of this policy.

(cf. [0410](#) - *Nondiscrimination in District Programs and Activities*)

(cf. [4030](#) - *Nondiscrimination in Employment*)

Sexual harassment includes, but is not limited to, harassment that is based on the sex, gender, gender identity, gender expression, or sexual orientation of the victim and harassment based on pregnancy, childbirth, or related medical conditions.

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply
3. Ensuring prompt, thorough, fair, and equitable investigation of complaints
4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Sexual Harassment Reports and Complaints

District employees who feel that they have been sexually harassed in the performance of their district responsibilities or who have knowledge of any incident of sexual harassment by or against another employee shall immediately report the incident to their direct supervisor, a district administrator, or the district's Title IX Coordinator. Employees may bypass their

SEXUAL HARASSMENT (continued)

supervisor in filing a complaint if the supervisor is the subject of the complaint. A supervisor or administrator who receives a harassment complaint shall promptly notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 4119.12/4219.12/4319.12 - Title IX Sexual Harassment Complaint Procedures or AR 4030 - Nondiscrimination in Employment, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 4119.12/4219.12/4319.12 concurrently meets the requirements of AR 4030.

(cf. [4119.12/4219.12/4319.12](#) - Title IX Sexual Harassment Complaints)

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

Upon investigation of a sexual harassment complaint, any district employee found to have engaged or participated in sexual harassment or to have aided, abetted, incited, compelled, or coerced another to commit sexual harassment in violation of this policy shall be subject to disciplinary action, up to and including dismissal, in accordance with law and the applicable collective bargaining agreement.

SEXUAL HARASSMENT

4319.11

The following administrative regulation shall apply to all allegations of sexual harassment involving employees, interns, volunteers, and job applicants, but shall not be used to resolve any complaint by or against a student.

Definitions

Sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature, regardless of whether or not the conduct is motivated by sexual desire. Conduct is considered to be sexual harassment when made against another person of the same or opposite sex in the work or educational setting under any of the following conditions: (Education Code [212.5](#); Government Code [12940](#); 2 CCR 11034)

1. Submission to the conduct is made explicitly or implicitly a term or condition of the individual's employment.
2. Submission to or rejection of the conduct is used as the basis for an employment decision affecting the individual.
3. The conduct has the purpose or effect of having a negative impact upon the individual's work performance or of creating an intimidating, hostile, or offensive work environment.
4. Submission to or rejection of the conduct is used as the basis for any decision affecting the individual regarding benefits, services, honors, programs, or activities available at or through the district.

(*cf.* [4030](#) - *Nondiscrimination in Employment*)

For purposes of applying the complaint procedures specified in Title IX of the Education Amendments of 1972, sexual harassment is defined as any of the following forms of conduct that occurs in an education program or activity in which a district school exercises substantial control over the context and respondent: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on the student's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

SEXUAL HARASSMENT (continued)

(cf. [4119.12/4219.12/4319.12](#) - Title IX Sexual Harassment Complaints)

Examples of Sexual Harassment

Examples of actions that might constitute sexual harassment under state or federal law in accordance with the definitions above, in the work or educational setting, whether committed by a supervisor, a co-worker, or a non-employee, include, but are not limited to:

1. Unwelcome verbal conduct such as sexual flirtations or propositions; graphic comments about an individual's body; overly personal conversations or pressure for sexual activity; sexual jokes or stories; unwelcome sexual slurs, epithets, threats, innuendoes, derogatory comments, sexually degrading descriptions, or the spreading of sexual rumors
2. Unwelcome visual conduct such as drawings, pictures, graffiti, or gestures; sexually explicit emails; displaying sexually suggestive objects
3. Unwelcome physical conduct such as massaging, grabbing, fondling, stroking, or brushing the body; touching an individual's body or clothes in a sexual way; cornering, blocking, leaning over, or impeding normal movements

Every two years, the Superintendent or designee shall ensure that supervisory employees receive at least two hours, and nonsupervisory employees receive at least one hour, of classroom or other effective interactive training and education regarding sexual harassment. All newly hired employees and employees promoted to a supervisory position shall receive training within six months of their assumption of the new position. (Government Code [12950.1](#))

SEXUAL HARASSMENT (continued)

A supervisory employee is any employee having the authority, in the interest of the district, to hire, transfer, suspend, lay off, promote, discharge, assign, reward, or discipline other employees, or the responsibility to direct them, adjust their grievances, or effectively recommend such action, when the exercise of the authority is not of a merely routine or clerical nature, but requires the use of independent judgment. (Government Code [12926](#))

(*cf.* [4300](#) - *Administrative and Supervisory Personnel*)

Such training may be completed by employees individually or as part of a group presentation, may be completed in shorter segments as long as the applicable hourly requirement is met, and may be provided in conjunction with other training provided to the employees. Employees shall receive a copy of the district's sexual harassment policy and administrative regulations, which they shall read and acknowledge that they have received.

12. Information, including practical examples, of harassment based on gender identity, gender expression, and sexual orientation

The Superintendent or designee shall retain for at least two years the records of any training provided to supervisory employees. Such records shall include the names of trained employees, date of the training, the type of training, and the name of the training provider. (2 CCR 11024)

Notifications

The Superintendent or designee shall notify employees that the district does not discriminate on the basis of sex as required by Title IX, that the Title IX nondiscrimination requirement extends to employment, and that inquiries about the application of Title IX to the district may be referred to the district's Title IX Coordinator and/or to the Assistant Secretary for Civil Rights, U.S. Department of Education. 4219.11

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES

4319.11

The complaint procedures described in this administrative regulation shall be used to address any complaint governed by Title IX of the Education Amendments of 1972 alleging that a district employee, while in an education program or activity in which a district school exercises substantial control over the context and respondent, was subjected to one or more of the following forms of sexual harassment: (34 CFR 106.30, 106.44)

1. A district employee conditioning the provision of a district aid, benefit, or service on a person's participation in unwelcome sexual conduct
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity
3. Sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 or 34 USC 12291

(cf. [4119.11/4219.11/4319.11](#) - *Sexual Harassment*)

All other sexual harassment complaints or allegations shall be investigated and resolved in accordance with AR 4030 - Nondiscrimination in Employment. The determination of whether the allegations meet the definition of sexual harassment under Title IX shall be made by the district's Title IX Coordinator.

(cf. [4030](#) - *Nondiscrimination in Employment*)

Because the complainant has a right to pursue a complaint under AR 4030 for any allegation that is dismissed or denied under the Title IX complaint procedure, the Title IX Coordinator shall ensure that all requirements and timelines for AR 4030 are concurrently met while implementing the Title IX procedure.

Reporting Allegations/Filing a Formal Complaint

An employee who is the alleged victim of sexual harassment may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in AR 4119.11/4219.11/4319.11 - Sexual Harassment or to the employee's direct supervisor or other district administrator, who shall forward the report to the Title IX Coordinator within one day of receiving the report.

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint.

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations when a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations, including as part of the district's obligation to not be deliberately indifferent to known allegations of sexual harassment. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

The Title IX Coordinator, investigator, decision-maker, or a facilitator of an informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. Such persons shall receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and not unreasonably burden the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, extensions of deadlines, modifications of work schedules, mutual restrictions on contact, changes in work locations, leaves of absence, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

If the respondent is a student, the district may, on an emergency basis, remove the student from the district's education program or activity, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the decision immediately following the removal. This authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States, and may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal of a formal complaint or any allegation in the complaint in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to AR 4030 - Nondiscrimination in Employment as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

participating in the informal resolution process, including that records will be maintained or could be shared.

2. Obtains the parties' voluntary, written consent to the informal resolution process

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.

If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice shall also include the name of the investigator, facilitator of an informal process, and decision-maker and shall inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
7. Objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence, and determine credibility in a manner that is not based on a person's status as a complainant, respondent, or witness
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. (34 CFR 106.45)

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

Written Decision

The Superintendent shall designate an employee as the decision-maker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation of the matter. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decision-maker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party

The decision-maker shall issue, and simultaneously provide to both parties, a written decision as to whether the respondent is responsible for the alleged conduct. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint.

The timeline may be temporarily extended for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decision-maker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant

6. The district's procedures and permissible bases for the complainant and respondent to appeal

Appeals

Either party may appeal the district's decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decision-maker(s) affected the outcome. If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decision-maker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decision-maker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal must be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant. Such remedies may include the same individualized services described above in the section "Supportive Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Disciplinary Actions

The district shall not impose any disciplinary sanctions or other actions against a respondent, other than supportive measures as described above in the section "Supportive Measures," until the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

(cf. [4218](#) - *Dismissal/Suspension/Disciplinary Action*)

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom.
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances.

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

3. All materials used to train the Title IX Coordinator, investigator(s), decision-maker(s), and any person who facilitates an informal resolution process. The district shall make such training materials publicly available on its web site, or if the district does not maintain a web site, available upon request by members of the public.

PROFESSIONAL STANDARDS

CODE OF ETHICS OF THE EDUCATION PROFESSION

Preamble

The educator, believing in the worth and dignity of each human being, recognizes the supreme importance of the pursuit of truth, devotion to excellence, and the nurturing of democratic principles. Essential to these goals is the protection of freedom to learn and to teach and the guarantee of equal educational opportunity for all. The educator accepts the responsibility to adhere to the highest ethical standards.

The educator recognizes the magnitude of the responsibility inherent in the teaching process. The desire for the respect and confidence of one's colleagues, of students, of parents, and of the members of the community provides the incentive to attain and maintain the highest possible degree of ethical conduct. The Code of Ethics of the Education Profession indicates the aspiration of all educators and provides standards by which to judge conduct.

Principle I. Commitment to the Student

The educator strives to help each student realize his/her potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals.

In fulfillment of the obligation to the student, the educator:

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning
2. Shall not unreasonably deny the student access to varying points of view
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety
5. Shall not intentionally expose the student to embarrassment or disparagement

 - a. Exclude any student from participation in any program
 - b. Deny benefits to any student

PROFESSIONAL STANDARDS (continued)

- c. Grant any advantage to any student
- 7. Shall not use professional relationships with students for private advantage
- 8. Shall not disclose information in the course of professional service unless disclosure serves a compelling professional purpose or is required by law

Principle II. Commitment to the Profession

The education profession is vested by the public with a trust and responsibility requiring the highest ideals of professional service.

In the belief that the quality of the services of the education profession directly influences the nation and its citizens, the educator shall exert every effort to raise professional standards, to promote a climate that encourages the exercise of professional judgment, to achieve conditions that attract persons worthy of the trust to careers in education, and to assist in preventing the practice of the profession by unqualified persons.

In fulfillment of the obligation of the profession, the educator:

- 1. Shall not in any application for a professional position deliberately make a false statement or fail to disclose a material fact related to competency and qualifications
- 2. Shall not misrepresent his/her professional qualifications
- 3. Shall not assist any entry into the profession of a person known to be unqualified in respect to character, education, or other relevant attribute
- 4. Shall not knowingly make a false statement concerning the qualifications of a candidate for a professional position
- 5. Shall not assist a noneducator in the unauthorized practice of teaching
- 6. Shall not disclose information about colleagues obtained in the course of professional service unless disclosure serves a compelling professional purpose or is required by law
- 7. Shall not knowingly make false or malicious statements about a colleague
- 8. Shall not accept any gratuity, gift, or favor that might impair or appear to influence professional decisions or action

UNIVERSAL PRECAUTIONS

4319.43

Universal precautions are an approach to infection control. All human blood and certain human body fluids, including, but not limited to semen, vaginal secretions, and any body fluid that is visibly contaminated with blood, are treated as if known to be infectious for human immunodeficiency virus (HIV), hepatitis B virus (HBV), hepatitis C virus (HCV), and other bloodborne pathogens. (8 CCR [5193](#); 29 CFR [1910.1030](#))

Occupational exposure means reasonably anticipated contact with blood or other potentially infectious materials that may result from the performance of an employee's duties. (8 CCR [5193](#); 29 CFR [1910.1030](#))

A *sharp* is any object that can be reasonably anticipated to penetrate the skin or any other part of the body and to result in an exposure incident. (8 CCR [5193](#))

Infection Control Practices

For the prevention of infectious disease, the district shall:

1. Effectively maintain the worksite in a clean and sanitary condition, and implement an appropriate written schedule for cleaning and decontamination of the worksite

(cf. [4119.42/4219.42/4319.42](#) - *Exposure Control Plan for Bloodborne Pathogens*)

2. When necessary for employees with occupational exposure to bloodborne pathogens, provide appropriate personal protective equipment, such as gloves, masks, and outer garments, at no cost to the employee (8 CCR [5193](#))
3. Provide handwashing facilities which are readily accessible to employees, or, if not feasible, provide an appropriate antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes

Any employee who has contact with blood or other body fluid, regardless of whether bloodborne pathogens are known to be present, shall:

1. Use personal protective equipment as appropriate.
2. Wash hands and other skin surfaces thoroughly with soap and running water:
 - a. Immediately or as soon as feasible following contact with blood or other potentially infectious materials
 - b. Immediately after removing gloves or other personal protective equipment

UNIVERSAL PRECAUTIONS (continued)

3. When handwashing facilities are not available, use antiseptic hand cleanser in conjunction with clean cloth or paper towels, or antiseptic towelettes. In such instances, hands shall be washed with soap and running water as soon as feasible.
4. Refrain from eating, drinking, smoking, applying cosmetics or lip balm, or handling contact lenses in work areas with a reasonable likelihood of occupational exposure to bloodborne pathogens.
5. Clean and decontaminate all equipment and environmental and work surfaces after contact with blood or other potentially infectious material, no later than the end of the shift or more frequently as required by state regulations.
6. Rather than using the hands directly, use mechanical means such as a brush and dust pan, tongs, or forceps to clean up broken glassware which may be contaminated.
7. Use effective techniques designed to minimize the risk of a sharps injury in all procedures involving the use of sharps.

(cf. [5141.21](#) - *Administering Medication and Monitoring Health Conditions*)

(cf. [5141.24](#) - *Specialized Health Care Services*)

8. Handle, store, treat, and dispose of regulated waste in accordance with Health and Safety Code [117600-118360](#) and other applicable state and federal regulations.
 - a. Immediately or as soon as possible after use, contaminated sharps shall be placed in containers meeting the requirements of 8 CCR [5193](#).
 - b. Specimens of blood or other potentially infectious material shall be placed in a container which prevents leakage during collection, handling, processing, storage, transport, or shipping.
