BP 5144.1(a)

SUSPENSION AND EXPULSION/DUE PROCESS

The Board of Trustees desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. [5131](#) - Conduct)

(cf. [5131.1](#) - Bus Conduct)

(cf. [5131.2](#) - Bullying)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when the behavior is related to a school activity or school attendance occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code [48900](#)(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus

(cf. [5112.5](#) - Open/Closed Campus)

(cf. [0410](#) - Nondiscrimination in District Programs and Activities)

Appropriate Use of Suspension Authority

Except when a student's act violates Education Code [48900](#)(a)-(e), as listed in items #1-5 under "Grounds for Suspension and Expulsion: Grades K-12" of the accompanying administrative regulation, or when the student's presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct. (Education Code [48900.5](#), [48900.6](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

No student in grades K-8 may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code [48910](#). (Education Code [48900](#))

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

(cf. [5113](#) - *Absences and Excuses*)
 (cf. [5113.1](#) - *Chronic Absence and Truancy*)

On-Campus Suspension

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code [48900](#) and [48900.2](#), but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code [48900.5](#))

Suspension and expulsion data shall be reported to the Board annually and to the California Department of Education when so required.

In presenting the report to the Board, the Superintendent or designee shall disaggregate data on suspensions and expulsions by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students. Based on the data, the Board shall address any identified disparities in the imposition of student discipline and shall determine whether and how the district is meeting its goals for improving school climate as specified in its local control and accountability plan.

A teacher may suspend a student from class for the remainder of the day and the following day for any of the acts specified in Education Code [48900](#) and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above or for disruption or willful defiance at any grade level, including grades K-8. (Education Code [48910](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, the student shall be appropriately supervised during the class periods from which the student has been suspended. (Education Code [48910](#))

As soon as possible after the teacher decides to suspend the student, the teacher shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code [48910](#))

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code [48910](#))

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which the student was suspended. (Education Code [48910](#))

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code [48913](#))

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" for which a recommendation of expulsion is required. (Education Code [48915\(c\)](#))

The Superintendent, principal, or designee may impose a suspension for a first offense if it is determined that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code [48900.5](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code [48900.5](#))

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code [48900.5](#))

(cf. [5125](#) - *Student Records*)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code [48911](#))

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, the student may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code [48903](#), [48911](#), [48912](#))

(cf. [6184](#) - *Continuation Education*)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code [48911](#))

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code [48900.5](#), and the evidence against the student, and shall be given the opportunity to present the student's version and evidence. (Education Code [48911](#))

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives the right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code [48911](#))

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code [48911](#))
3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code [48911](#))

This notice shall state the specific offense committed by the student. (Education Code [48900.8](#))

In addition, the notice may state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code [48914](#))

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code [48911](#))

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code [48911](#))
 - a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.
 - b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code [48911](#))

- c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code [48853.5](#), [48911](#), [48918.1](#))

(cf. [6173.1](#) - Education for Foster Youth)

- d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code [48918.1](#))

(cf. [6173](#) - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct the behavior and keep the student in school.

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code [48911.1](#))

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting the student's teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

assignment is for longer than one class period, this notification may be made in writing. (Education Code [48911.1](#))

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, the Superintendent or principal shall recommend a student's expulsion for any of the following acts: (Education Code [48915](#))

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code [11053-11058](#), except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication or other medication prescribed by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code [240](#) and [242](#), upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code [48915](#))

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether the student should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code [48918\(a\)](#))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code [48918\(a\)](#))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code [48918\(a\)](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code [48925](#). Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code [48918\(a\)](#))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code [48918\(a\)](#))

Stipulated Expulsion

After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and parent/guardian the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after the student or parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code [48918](#).

The stipulation agreement shall be in writing and shall be signed by the student and parent/guardian. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of the right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student and parent/guardian shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code [48918.5](#))

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, the Superintendent or designee shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of the right to: (Education Code [48918.5](#))

1. Receive five days' notice of the scheduled testimony at the hearing
2. Have up to two adult support persons present at the hearing at the time the witness testifies
3. Have a closed hearing during the time the witness testifies

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code [48918.5](#))

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code [48900.8](#), [48918\(b\)](#))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code [48915.1](#), to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code [48915\(a\)](#) or (c).

(cf. [5119](#) - *Students Expelled from Other Districts*)

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

SUSPENSION AND EXPULSION/DUE PROCESS (continued)**Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students**

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code [48918.1](#))

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 days prior to the hearing. (Education Code [48918.1](#))

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code [48918.1](#))

Conduct of Expulsion Hearing

1. *Closed Session:* Notwithstanding Education Code [35145](#), the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code [48918](#))

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code [48918\(c\)](#))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to testify in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code [48918\(c\)](#))

2. *Record of Hearing:* A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code [48918\(g\)](#))
3. *Subpoenas:* Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure [1985-1985.2](#) and enforced in accordance with Government Code [11455.20](#). (Education Code [48918\(i\)](#))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code [48918\(i\)](#))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code [48918\(i\)](#))

4. *Presentation of Evidence:* Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code [48900](#) and listed in "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," and "Additional Grounds for Suspension and Expulsion: Grades 9-12" above. (Education Code [48918\(h\)](#))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code [48918\(f\)](#))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. *Testimony by Complaining Witnesses:* The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code [48918](#), [48918.5](#))
 - a. Any complaining witness shall be given five days' notice before being called to testify.
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during the testimony.

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

- c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
- d. The person presiding over the hearing may remove a support person who is disrupting the hearing.
- e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code [868.5](#).
- f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.
- g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.
 - (1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.
 - (2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which the complaining witness may leave the hearing room.
 - (3) The person conducting the hearing may:
 - (a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
 - (b) Limit the time for taking the testimony of a complaining witness to normal school hours, if there is no good cause to take the testimony during other hours
 - (c) Permit one of the support persons to accompany the complaining witness to the witness stand

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from school, unless the student requests in writing that the decision be postponed. (Education Code [48918\(a\)](#))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code [48918](#))

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code [48918\(a\)](#) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian.

Before the student's placement decision is made by the student's parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code [48918\(e\)](#))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code [48918\(f\)](#))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code [48917](#), [48918](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)**Final Action by the Board**

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code [48918\(j\)](#))

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code [48916](#))

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code [48916](#))

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code [48916.5](#))

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" (Education Code [48900.8](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

2. The fact that a description of readmission procedures will be made available to the student and parent/guardian (Education Code [48916](#))
3. Notice of the right to appeal the expulsion to the County Board (Education Code [48918](#))
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code [48918](#))
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code [48915.1](#) (Education Code [48918](#))

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code [48917](#))
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code [48917](#))
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12," "Additional Grounds for Suspension and Expulsion: Grades 4-12," or "Additional Grounds for Suspension and Expulsion: Grades 9-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code [48917](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code [48917](#))
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code [48917](#))
6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code [48915.1](#)(b). (Education Code [48918](#)(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code [48917](#))

Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code [48919](#))

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code [48919](#))

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code [245](#). (Education Code [48902](#))

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code [48915](#)(c)(1) or (5) or Penal Code [626.9](#) and [626.10](#). (Education Code [48902](#))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate county or district law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code [48900](#)(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code [48902](#))

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code [48915](#), [48915.01](#))

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension

(cf. [6158](#) - *Independent Study*)

(cf. [6185](#) - *Community Day School*)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code [48915](#))

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code [48916.1](#))

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
2. The Superintendent or designee shall transmit to the Board a recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

- adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
 4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code [48916](#))
 5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.
 6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code [48916](#))

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code [48645.5](#))

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code [48900.8](#))

Administrative Regulation

Students

AR 5144.2(a)

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)

A student identified as an individual with a disability pursuant to the Individuals with Disabilities Education Act (IDEA), 20 USC 1400-1482, is subject to the same grounds and procedures for suspension and expulsion which apply to students without disabilities, except as otherwise specified in this administrative regulation.

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (Education Code 48903; 34 CFR 300.530)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education program (IEP) has been suspended during the school year.

(cf. 6159 - Individualized Education Program)

The Superintendent or designee shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A *change of placement* shall be deemed to have occurred under either of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.
2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
 - a. The series of removals total more than 10 school days in a school year.
 - b. The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
 - c. Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

If a student's removal is determined to be a change of placement as specified in items #1-2 above, or the student is suspended for more than 10 school days in the same school year, the student's IEP team shall determine the appropriate educational services. Such services shall be designed to enable the student to continue to participate in the general education curriculum in another setting, to progress toward meeting the goals set out in his/her IEP, and to address the student's behavior violation so that it does not recur. (20 USC 1412(a)(1)(A); 34 CFR 300.530)

If the IEP of a student with a disability requires the district to provide the student with transportation, the district shall provide the student with an alternative form of transportation at no cost to him/her or to his/her parent/guardian when he/she is to be excluded from school bus transportation. (Education Code 48915.5)

(cf. 3541.2 - Transportation for Students with Disabilities)

Interim Alternative Educational Placement Due to Dangerous Behavior

The district may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard to whether the behavior is a manifestation of the student's disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function: (20 USC 1415(k)(1)(G); 34 CFR 300.530)

1. Carries or possesses a weapon, as defined in 18 USC 930
2. Knowingly possesses or uses illegal drugs
3. Sells or solicits the sale of a controlled substance as identified in 21 USC 812(c), Schedules I-V
4. Inflicts serious bodily injury upon another person as defined in 18 USC 1365

The student's interim alternative educational setting shall be determined by his/her IEP team. (20 USC 1415(k)(1)(G); 34 CFR 300.531)

On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

A student who has been removed from his/her current placement because of dangerous behavior shall receive services, although in another setting, to the extent necessary to allow him/her to participate in the general education curriculum and to progress toward meeting the

DISABILITIES)

goals set out in his/her IEP. As appropriate, the student shall also receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

Manifestation Determination

The following procedural safeguards shall apply when a student with a disability is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the district's code of conduct:

1. **Notice:** On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

(cf. 5145.6 - Parental Notifications)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

2. **Manifestation Determination Review:** Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

At the manifestation determination review, the district, the student's parent/guardian, and relevant members of the IEP team (as determined by the district and parent/guardian) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k)(1)(E); 34 CFR 300.530)

- a. Caused by or had a direct and substantial relationship to the student's disability
- b. A direct result of the district's failure to implement the student's IEP, in which case the district shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that either of the above conditions applies, the student's conduct shall then be determined to be a manifestation of his/her disability. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

Students

AR 5144.2(d)

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)

3. **Determination that Behavior is a Manifestation of the Student's Disability:** When the student's conduct has been determined to be a manifestation of his/her disability, the

IEP team shall conduct a functional behavioral assessment, unless one had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavioral intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and Superintendent or designee agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

4. **Determination that Behavior is Not a Manifestation of the Student's Disability:** When it has been determined that the student's conduct was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. However, the student's IEP team shall determine services necessary to enable him/her to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

As appropriate, the student also shall receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

(cf. 6158 - Independent Study)

(cf. 6185 - Community Day School)

Due Process Appeals

If the parent/guardian disagrees with any district decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The district may request a hearing if the district believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a due process hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b).

Whenever a hearing is requested as specified above, the parent/guardian or the district shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

Students

AR 5144.2(e)

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)

If the student's parent/guardian or the district has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (20 USC 1415(k)(4); 34 CFR 300.533)

Readmission

Readmission procedures for students with disabilities shall be the same as those adopted for students without disabilities. Upon readmission of a student with disabilities, an IEP team meeting shall be convened to review and, as necessary, modify the student's IEP.

Decision Not to Enforce Expulsion Order

The Governing Board's criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students. (Education Code 48917)

Notification to Law Enforcement Authorities

Law enforcement notification requirements involving students with disabilities shall be the same as those specified for all students in AR 5144.1 - Suspension and Expulsion/Due Process.

When giving any required notification concerning a student with disabilities to any law enforcement official, the principal or designee shall require the law enforcement official to certify in writing that he/she will not disclose the student's information or records to any other person without the prior written consent of the student's parent/guardian. (Education Code 49076)

(cf. 5131.7 - Weapons and Dangerous Instruments)

Report to County Superintendent of Schools

The Superintendent or designee shall report to the County Superintendent of Schools when any special education student has been expelled or suspended for more than 10 school days. The report shall include the student's name, last known address, and the reason for the action. (Education Code 48203)

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been determined to be eligible for special education and related services and who has violated the district's code of student conduct may nevertheless assert

Students

AR 5144.2(f)

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)

any of the protections under IDEA, if the district had *knowledge* of the student's disability. (20 USC 1415(k)(5); 34 CFR 300.534)

Knowledge means that, before the occurrence of the behavior that precipitated the disciplinary action, one of the following occurred: (20 USC 1415(k)(5); 34 CFR 300.534)

1. The parent/guardian, in writing, has expressed concern to district supervisory or administrative personnel, or to a teacher of the student, that the student is in need of special education or related services.
2. The parent/guardian has requested an evaluation of the student for special education pursuant to 20 USC 1414(a)(1)(B) or 34 CFR 300.300-300.311.

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

3. The teacher of the student or other district personnel has expressed specific concerns directly to the district's director of special education or other supervisory district personnel about a pattern of behavior demonstrated by the student.

However, the district shall not be deemed to have knowledge of a student's disability if the student's parent/guardian has not allowed him/her to be evaluated for special education services or has refused services or, after evaluating the student pursuant to 34 CFR 300.300-300.311, the district determined that he/she was not an individual with a disability.

When the district is deemed to not have knowledge of a student's disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k)(5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k)(5); 34 CFR 300.534)

REQUIRED PARENTAL ATTENDANCE

Whenever a teacher requires a parent/guardian to attend a portion of a school day with his/her child for the child's commission of an act specified in Education Code 48900(i) or (k), the principal shall send the parent/guardian a written notice that the parent/guardian's attendance is required pursuant to law. (Education Code 48900.1)

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

2. State that if the parent/guardian does not have a means of transportation to school, he/she may ride the school bus with the student
3. Direct the parent/guardian to meet with the principal after the visit and before leaving school
4. Direct the parent/guardian to contact the school if there are reasonable factors that would prevent him/her from complying with the attendance requirement

Attendance of the parent/guardian shall be limited to the class from which the student was removed. (Education Code 48900.1)

QUESTIONING AND APPREHENSION BY LAW ENFORCEMENT

The Board of Trustees is committed to providing a safe learning environment and cooperating with law enforcement officials and peace officers as necessary to help ensure the safety of students, staff, and the community and in carrying out their official duties.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 3515.3 - District Police/Security Department)
(cf. 5141.4 - Child Abuse Prevention and Reporting)
(cf. 5145.12 - Search and Seizure)

In accordance with standards specified in law and court decisions, law enforcement officers may interview and question students on school premises. The Superintendent or designee shall collaborate with local law enforcement agencies to develop parameters under which law enforcement officers will interview students at school.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

When any law enforcement official requests an interview with a student, the principal or designee shall request that the official provide verification of his/her identity and official capacity and certify the legal authority under which the interview is being conducted. If the officer refuses to provide certification of the legal authority for the interview, the principal or designee shall document such refusal and should consult with district legal counsel, as appropriate, before allowing the interview to proceed. The principal or designee shall maintain a record of all documentation relative to law enforcement interviews of students.

If the officer needs to interview or question the student immediately, the principal or designee shall accommodate the process in a way that causes the least possible disruption for the student and school, gives the student appropriate privacy, and models exemplary cooperation with law enforcement authorities.

Except in cases of child abuse or neglect, the principal or designee shall attempt to notify the student's parent/guardian as soon as practicable after law enforcement has interviewed the student on school premises.

At law enforcement's discretion and with the student's approval, the principal or designee may be present during the interview.

If a minor student is removed from school into the custody of law enforcement, the principal or designee shall immediately notify the parent/guardian or responsible relative regarding the student's release and the place to which he/she is reportedly being taken, except when the minor has been taken into custody as a victim of suspected child abuse. (Education Code 48906)

QUESTIONING AND APPREHENSION BY LAW ENFORCEMENT (continued)

Subpoenas

Although subpoenas may legally be served at school on students age 12 or older, the Board believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. When served at school, the principal or designee shall take all reasonable steps to ensure a minimum of embarrassment or loss of class time for the student.

SEARCH AND SEIZURE

The Board of Trustees is fully committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, and only as authorized by law, Board policy, and administrative regulation, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items. School officials shall exercise discretion and use good judgment when conducting searches.

The Superintendent or designee shall ensure that staff who conduct student searches receive training regarding the requirements of the district's policy and administrative regulation and other legal issues, as appropriate.

Searches Based on Individualized Suspicion

School officials may search an individual student, the student's property, or district property under the student's control when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law, Board policy, administrative regulation, or other rules of the district or the school. Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation.

Any search of a student, the student's property, or district property under the student's control shall be limited in scope and designed to produce evidence related to the alleged violation. Factors to be considered by school officials when determining the scope of the search shall include the danger to the health or safety of students or staff, such as the possession of weapons, drugs, or other dangerous instruments, and whether the item(s) to be searched by school officials are reasonably related to the contraband to be found. In addition, school officials shall consider the intrusiveness of the search in light of the student's age, gender, and the nature of the alleged violation.

The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, and student vehicles parked on district property.

A student's personal electronic device may be searched only if a school official, in good faith, believes that an emergency involving danger of death or serious physical injury to the student or others requires access to the electronic device information.

BP 5145.12(b)

SEARCH AND SEIZURE (continued)

Employees shall not conduct strip searches or body cavity searches of any student. (Education Code 49050)

Searches of individual students shall be conducted in the presence of at least two district employees.

The principal or designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search.

Searches of Student Lockers and Desks

All student lockers and desks are the property of the district. The principal or designee may conduct a general inspection of school properties that are within the control of students, such as lockers and desks, on a regular, announced basis, with students standing by their assigned lockers or desks. Any items contained in a locker or desk shall be considered to be the property of the student to whom the locker or desk was assigned.

Use of Metal Detectors

The Board finds that the presence of weapons in the schools threatens the district's ability to provide the safe and orderly learning environment to which district students and staff are entitled. The Board also finds that metal detector searches offer a reasonable means to keep weapons out of the schools and mitigate the fears of students and staff.

The Superintendent or designee shall use metal detectors as necessary to keep weapons out of schools and help provide a safe learning environment. The Superintendent or designee shall establish a plan to ensure that metal detector searches are conducted in a uniform and consistent manner.

Use of Contraband Detection Dogs

In an effort to keep the schools free of dangerous contraband, the district may use specially trained, nonaggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy. The dogs may sniff the air around lockers, desks, or vehicles on district property or at district-sponsored events. Dogs shall not sniff within the close proximity of students or other persons and may not sniff any personal items on those persons without individualized suspicion.

SEARCH AND SEIZURE

Use of Metal Detectors

The Superintendent or designee shall ensure that the following safeguards are used when making metal detector scans:

1. Before walk-through, students shall be asked to empty their pockets and belongings of metallic objects.
2. If an initial metal detector activation occurs, students shall be asked to remove other metallic objects that they may be wearing (e.g., belt and jewelry) and to walk through a second time.
3. If a second activation occurs, a hand-held metal detector shall be used.
4. If the activation is not eliminated or explained, staff shall escort the student to a private area where an expanded search shall be conducted by a staff member of the same gender as the student in the presence of another district employee.
5. The search shall be limited to the detection of the cause of the activation.

Use of Contraband Detection Dogs

Contraband detection dogs shall not be used in classrooms or other district facilities when the rooms are occupied, except for demonstration purposes with the handler present. When used for demonstration purposes, the dog shall be separated from the students and not allowed to sniff any individual.

Prior to conducting an inspection, students shall be asked to leave the room that will be subject to the canine sniff. No student shall be forced to leave personal items behind for inspection, unless school officials have reasonable suspicion to search the item.

Only the dog's official handler shall determine what constitutes an alert by the dog. (cf. 5145.12 - Search and Seizure)

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. As early as possible, district staff shall notify the Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, district staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:

AR 5145.13(c)

 - e. District staff's response to the officer's request
 - f. Any further action taken by the officer
 - g. A photo or copy of any documents presented by the officer
10. Provide a copy of these notes and associated documents collected from the officer to the district's legal counsel or other designated district official

The district's legal counsel or other designated official shall submit a timely report to the Governing Board regarding the officer's requests and actions and the district's responses.

AR 5145.13(d)

RESPONSE TO IMMIGRATION ENFORCEMENT (continued)

Responding to the Detention or Deportation of Student's Family Member

The Superintendent or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The Superintendent or designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

(cf. 5141 - Health Care and Emergencies)

The Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a district school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4)

(cf. 5111.1 - District Residency)

The Superintendent or designee may refer a student or his/her family members to other resources for assistance, including, but not limited to, an ICE detainee locator, legal assistance, or the consulate or embassy of the parent/guardian's country of origin.

FREEDOM OF SPEECH/EXPRESSION

School-Sponsored Publications

Students shall have the right to exercise freedom of speech and of the press in official school publications, except for expression that is obscene, libelous, slanderous, or so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of lawful school regulations, or the substantial disruption of the orderly operation of the school. (Education Code 48907)

Official school publications includes material produced by students in journalism, newspaper, yearbook, or writing classes and distributed to the student body either for a fee or free. (Education Code 48907)

If the principal considers material submitted for publication to violate Education Code 48907, he/she shall notify the student, without undue delay, and give specific reasons why the submitted material may not be published. Absent extraordinary circumstances, such notice should be given in sufficient time to allow the student time to either modify the material or to seek review of the principal's determination from the Superintendent or designee. Prior to any restriction of student speech, school officials shall consider any feasible alternative options to restricting the speech.

To the extent that the principal or designee believes that the school and district should be disassociated from a particular idea or opinion, the principal may require student articles to include disclaimers.

Distribution of Printed Materials and Petitions by Students

The principal or designee may provide bulletin boards on which students and student organizations may post materials of general interest. Students also may post or distribute handbills, leaflets, and other printed material, whether produced within or outside of the school. NONDISCRIMINATION/HARASSMENT

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

The Board of Trustees desires to provide a safe school environment that allows all students equal access to and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

NONDISCRIMINATION/HARASSMENT (continued)

6. Provide to students a handbook that contains age-appropriate information that clearly describes the district's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior.
7. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.
8. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

9. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students.
10. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so. (Education Code 234.1)
11. At the beginning of each school year, inform each principal or designee of the district's responsibility to provide appropriate assistance or resources to protect

AR 5145.3(d)

students from threatened or potentially discriminatory behavior and ensure their privacy rights.

Enforcement of District Policy

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti
2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond
3. Disseminating and/or summarizing the district's policy and regulation regarding unlawful discrimination
4. Consistent with laws regarding the confidentiality of student and personnel records, communicating to students, parents/guardians, and the community the school's response plan to unlawful discrimination or harassment
5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of district policy, including any student who is found to have filed a complaint of discrimination that the student knew was not true

Process for Initiating and Responding to Complaints

Students who feel that they have been subjected to unlawful discrimination described above or in district policy are strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

AR 5145.3(e)

NONDISCRIMINATION/HARASSMENT (continued)

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, the

principal or compliance officer shall notify the student or parent/guardian of the right to file a formal complaint in accordance with AR 1312.3 - Uniform Complaint Procedures or, for complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

Issues Unique to Intersex, Nonbinary, Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Intersex student means a student with natural bodily variations in anatomy, hormones, chromosomes, and other traits that differ from expectations generally associated with female and male bodies.

Nonbinary student means a student whose gender identity falls outside of the traditional conception of strictly either female or male, regardless of whether or not the student identifies as transgender, was born with intersex traits, uses gender-neutral pronouns, or uses

AR 5145.3(f)

NONDISCRIMINATION/HARASSMENT (continued)

agender, genderqueer, pangender, gender nonconforming, gender variant, or such other more specific term to describe their gender.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The district prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity
2. Disciplining or disparaging a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's gender identity to individuals who do not have a legitimate need for the information, without the student's consent
6. Using gender-specific slurs
7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) or Title IX sexual harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against intersex, nonbinary, transgender, and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to
AR 5145.3(g)

NONDISCRIMINATION/HARASSMENT (continued)

facilities that correspond with a student's gender identity, improper disclosure of a student's gender identity, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that intersex, nonbinary, transgender, and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's intersex, nonbinary, transgender, or gender-nonconforming status is the student's private information. The district shall develop strategies to prevent unauthorized disclosure of students' private information. Such strategies may include, but are not limited to, collecting or maintaining information about student gender only when relevant to the educational program or activity, protecting or revealing a student's gender identity as necessary to protect the health or safety of the student, and keeping a student's unofficial record separate from the official record.

The district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's intersex, nonbinary, transgender, or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's intersex, nonbinary, transgender, or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

AR 5145.3(h)

NONDISCRIMINATION/HARASSMENT (continued)

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. Addressing a Student's Transition Needs: The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the intersex, nonbinary, transgender, or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. Accessibility to Sex-Segregated Facilities, Programs, and Activities: When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because the student is intersex, nonbinary, transgender, or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

AR 5145.3(i)

NONDISCRIMINATION/HARASSMENT (continued)

5. Student Records: Upon each student's enrollment, the district is required to maintain a mandatory permanent student record (official record) that includes the student's gender and legal name.

A student's legal name as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. A student's gender as entered on the student's official record required pursuant to 5 CCR 432 shall only be changed with written authorization of a parent/guardian having legal custody of the student. (Education Code 49061)

However, when proper documentation or authorization, as applicable, is not submitted with a request to change a student's legal name or gender, any change to the student's record shall be limited to the student's unofficial records such as attendance sheets, report cards, and school identification.

6. **Names and Pronouns:** If a student so chooses, district personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.
7. **Uniforms/Dress Code:** A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.

PARENTAL NOTIFICATIONS

The Board of Trustees desires to promote effective communication between the school and the home and to keep parents/guardians informed regarding educational programs, school operations, and the legal rights of students and their parents/guardians. The Superintendent or designee shall send parents/guardians all notifications required by law and any other notifications the Superintendent or designee believes will promote parental understanding and involvement.

(cf. [5020](#) - Parent Rights and Responsibilities)

(cf. [5022](#) - Student and Family Privacy Rights)

(cf. [6020](#) - Parent Involvement)

No activity specified in Education Code [48980](#) shall be undertaken with respect to any particular student unless the student's parent/guardian has been informed of such action through the annual notification or other separate special notification. Such notice shall state the activity that will be undertaken and the approximate date on which the activity will occur. (Education Code [48983-48984](#))

The annual notification shall include a request that the parent/guardian sign the notice and return it to the school or, if the notice is provided in electronic format, that the parent/guardian submit a signed acknowledgment of receipt of the notice to the school. The parent/guardian's signature is an acknowledgment of receipt of the information but does not indicate that consent to participate in any particular program has been given or withheld. (Education Code [48982](#))

Whenever a student enrolls in a district school during the school year, the student's parents/guardians shall be given all required parental notifications at that time.

Notifications shall be presented in an understandable and uniform format and, to the extent practicable, in a language that parents/guardians can understand.

Whenever 15 percent or more of the students enrolled in a district school speak a single primary language other than English, as determined from the California Department of Education census data collected pursuant to Education Code [52164](#), all notices sent to the parent/guardian of any such student shall, in addition to being written in English, be written in the primary language, and may be responded to either in English or the primary language. (Education Code [48981](#), [48985](#))

Whenever an employee learns that a student's parent/guardian is unable to understand the district's printed notifications for any reason, the employee shall inform the principal or designee, who shall work with the parent/guardian to establish other appropriate means of communication.

BIGGS UNIFIED SCHOOL DISTRICT
Biggs, California

SEXUAL HARASSMENT

The Board of Trustees is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

(cf. [0410](#) - *Nondiscrimination in District Programs and Activities*)

(cf. [5131](#) - *Conduct*)

(cf. [5131.2](#) - *Bullying*)

(cf. [5137](#) - *Positive School Climate*)

(cf. [5145.3](#) - *Nondiscrimination/Harassment*)

The district strongly encourages students who feel that they are being or have been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult, or who have experienced off-campus sexual harassment that has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the Title IX Coordinator.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through AR 5145.71 - Title IX Sexual Harassment Complaint Procedures or BP/AR 1312.3 - Uniform Complaint Procedures, as applicable. Because a complaint or allegation that is dismissed or denied under the Title IX complaint procedure may still be subject to consideration under state law, the Title IX Coordinator shall ensure that any implementation of AR 5145.71 concurrently meets the requirements of BP/AR 1312.3.

(cf. [1312.1](#) - *Complaints Concerning District Employees*)

(cf. [1312.3](#) - *Uniform Complaint Procedures*)

(cf. [5141.4](#) - *Child Abuse Prevention and Reporting*)

(cf. [5145.71](#) - *Title IX Sexual Harassment Complaint Procedures*)

The Title IX Coordinator shall offer supportive measures to the complainant and respondent, as deemed appropriate under the circumstances.

The Superintendent or designee shall inform students and parents/guardians of the district's sexual harassment policy by disseminating it through parent/guardian notifications, publishing it on the district's web site, and including it in student and staff handbooks. All district staff shall be trained regarding the policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

SEXUAL HARASSMENT (continued)

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even when the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and action shall be taken to respond to harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedures for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will implement supportive measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation

Disciplinary Actions

Upon completion of an investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

The determination of whether the allegations meet the definition of sexual harassment under Title IX shall be made by the district's Title IX Coordinator.

Because the complainant has a right to pursue a complaint under BP/AR 1312.3 for any allegation that is dismissed or denied under the Title IX complaint procedure, the Title IX Coordinator shall ensure that all requirements and timelines for BP/AR 1312.3 are concurrently met while implementing the Title IX procedure.

(cf. [1312.3](#) - *Uniform Complaint Procedures*)

Reporting Allegations/Filing a Formal Complaint

A student who is the alleged victim of sexual harassment or the student's parent/guardian may submit a report of sexual harassment to the district's Title IX Coordinator using the contact information listed in AR 5145.7 - Sexual Harassment or to any other available school employee, who shall forward the report to the Title IX Coordinator within one day of receiving the report.

(cf. [5145.7](#) - *Sexual Harassment*)

Upon receiving such a report, the Title IX Coordinator shall inform the complainant of the right to file a formal complaint and the process for filing a formal complaint. (34 CFR 106.44)

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

A formal complaint, with the complainant's physical or digital signature, may be filed with the Title IX Coordinator in person, by mail, by email, or by any other method authorized by the district. (34 CFR 106.30)

Even if the alleged victim chooses not to file a formal complaint, the Title IX Coordinator shall file a formal complaint in situations when a safety threat exists. In addition, the Title IX Coordinator may file a formal complaint in other situations as permitted under the Title IX regulations, including as part of the district's obligation to not be deliberately indifferent to known allegations of sexual harassment. In such cases, the Title IX Coordinator shall provide the alleged victim notices as required by the Title IX regulations at specific points in the complaint process.

The Title IX Coordinator, investigator, decision-maker, or a facilitator of an informal resolution process shall not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. Such persons shall receive training in accordance with 34 CFR 106.45. (34 CFR 106.45)

Supportive Measures

Upon receipt of a report of Title IX sexual harassment, the Title IX Coordinator shall promptly contact the complainant to discuss the availability of supportive measures and shall consider the complainant's wishes with respect to the supportive measures implemented. Supportive measures shall be offered as appropriate, as reasonably available, and without charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures shall be nondisciplinary, nonpunitive, and designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment or to deter sexual harassment. Supportive measures may include, but are not limited to, counseling, course-related adjustments, modifications of class schedules, mutual restrictions on contact, increased security, and monitoring of certain areas of the campus. (34 CFR 106.30, 106.44)

The district shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the district's ability to provide the supportive measures. (34 CFR 106.30)

Emergency Removal from School

A student shall not be disciplined for alleged sexual harassment under Title IX until the investigation has been completed. However, on an emergency basis, the district may remove a student from the district's education program or activity, provided that the district conducts an individualized safety and risk analysis, determines that removal is justified due to an immediate threat to the physical health or safety of any student or other individual arising from the allegations, and provides the student with notice and an opportunity to challenge the

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

decision immediately following the removal. This authority to remove a student does not modify a student's rights under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973. (34 CFR 106.44)

If a district employee is the respondent, the employee may be placed on administrative leave during the pendency of the formal complaint process. (34 CFR 106.44)

Dismissal of Complaint

The Title IX Coordinator shall dismiss a formal complaint if the alleged conduct would not constitute sexual harassment as defined in 34 CFR 106.30 even if proved. The Title IX Coordinator shall also dismiss any complaint in which the alleged conduct did not occur in the district's education program or activity or did not occur against a person in the United States, and may dismiss a formal complaint if the complainant notifies the district in writing that the complainant would like to withdraw the complaint or any allegations in the complaint, the respondent is no longer enrolled or employed by the district, or sufficient circumstances prevent the district from gathering evidence sufficient to reach a determination with regard to the complaint. (34 CFR 106.45)

Upon dismissal, the Title IX Coordinator shall promptly send written notice of the dismissal and the reasons for the dismissal simultaneously to the parties, and shall inform them of their right to appeal the dismissal of a formal complaint or any allegation in the complaint in accordance with the appeal procedures described in the section "Appeals" below. (34 CFR 106.45)

If a complaint is dismissed, the conduct may still be addressed pursuant to BP/AR 1312.3 - Uniform Complaint Procedures as applicable.

Informal Resolution Process

When a formal complaint of sexual harassment is filed, the district may offer an informal resolution process, such as mediation, at any time prior to reaching a determination regarding responsibility. The district shall not require a party to participate in the informal resolution process or to waive the right to an investigation and adjudication of a formal complaint. (34 CFR 106.45)

The district may facilitate an informal resolution process provided that the district: (34 CFR 106.45)

1. Provides the parties with written notice disclosing the allegations, the requirements of the informal resolution process, the right to withdraw from the informal process and resume the formal complaint process, and any consequences resulting from participating in the informal resolution process, including that records will be maintained or could be shared.

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

2. Obtains the parties' voluntary, written consent to the informal resolution process
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student

Written Notice

If a formal complaint is filed, the Title IX Coordinator shall provide the known parties with written notice of the following: (34 CFR 106.45)

1. The district's complaint process, including any informal resolution process
2. The allegations potentially constituting sexual harassment with sufficient details known at the time, including the identity of parties involved in the incident if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident if known. Such notice shall be provided with sufficient time for the parties to prepare a response before any initial interview.

If, during the course of the investigation, new Title IX allegations arise about the complainant or respondent that are not included in the initial notice, the Title IX Coordinator shall provide notice of the additional allegations to the parties.

3. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the complaint process
4. The opportunity for the parties to have an advisor of their choice who may be, but is not required to be, an attorney, and the ability to inspect and review evidence
5. The prohibition against knowingly making false statements or knowingly submitting false information during the complaint process

The above notice shall also include the name of the investigator, facilitator of an informal process, and decision-maker and shall inform the parties that, if at any time a party has concerns regarding conflict of interest or bias regarding any of these persons, the party should immediately notify the Title IX Coordinator.

Investigation Procedures

During the investigation process, the district's designated investigator shall: (34 CFR 106.45)

1. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

2. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence
3. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney
4. Not limit the choice or presence of an advisor for either the complainant or respondent in any meeting or grievance proceeding, although the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings as long as the restrictions apply equally to both parties
5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate
6. Send in an electronic format or hard copy to both parties and their advisors, if any, the evidence obtained as part of the investigation that is directly related to the allegations raised in the complaint, and provide the parties at least 10 days to submit a written response for the investigator to consider prior to the completion of the investigative report
7. Objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence, and determine credibility in a manner that is not based on a person's status as a complainant, respondent, or witness
8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 days prior to the determination of responsibility, send to the parties and their advisors, if any, the investigative report in an electronic format or a hard copy, for their review and written response

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence are offered to prove that someone other than the respondent committed the conduct alleged by the complainant or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. (34 CFR 106.45)

Privacy rights of all parties to the complaint shall be maintained in accordance with applicable state and federal laws.

If the complaint is against an employee, rights conferred under an applicable collective bargaining agreement shall be applied to the extent they do not conflict with the Title IX requirements.

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)**Written Decision**

The Superintendent shall designate an employee as the decision-maker to determine responsibility for the alleged conduct, who shall not be the Title IX Coordinator or a person involved in the investigation of the matter. (34 CFR 106.45)

After the investigative report has been sent to the parties but before reaching a determination regarding responsibility, the decision-maker shall afford each party the opportunity to submit written, relevant questions that the party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. The decision-maker shall issue, and simultaneously provide to both parties, a written decision as to whether the respondent is responsible for the alleged conduct. (34 CFR 106.45)

The written decision shall be issued within 60 calendar days of the receipt of the complaint. The timeline may be temporarily extended for good cause with written notice to the complainant and respondent of the extension and the reasons for the action. (34 CFR 106.45)

In making this determination, the decision-maker shall use the "preponderance of the evidence" standard for all formal complaints of sexual harassment. The same standard of evidence shall be used for formal complaints against students as for complaints against employees. (34 CFR 106.45)

The written decision shall include the following: (34 CFR 106.45)

1. Identification of the allegations potentially constituting sexual harassment as defined in 34 CFR 106.30
2. A description of the procedural steps taken from receipt of the formal complaint through the written decision, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held if the district includes hearings as part of the grievance process
3. Findings of fact supporting the determination
4. Conclusions regarding the application of the district's code of conduct or policies to the facts
5. A statement of, and rationale for, the result as to each allegation, including a decision regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's educational program or activity will be provided by the district to the complainant
6. The district's procedures and permissible bases for the complainant and respondent to appeal

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)**Appeals**

Either party may appeal the district's decision or dismissal of a formal complaint or any allegation in the complaint, if the party believes that a procedural irregularity affected the outcome, new evidence is available that could affect the outcome, or a conflict of interest or bias by the Title IX Coordinator, investigator(s), or decision-maker(s) affected the outcome. If an appeal is filed, the district shall: (34 CFR 106.45)

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties
2. Ensure that the decision-maker(s) for the appeal is trained in accordance with 34 CFR 106.45 and is not the same decision-maker(s) who reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator
3. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome
4. Issue a written decision describing the result of the appeal and the rationale for the result
5. Provide the written decision simultaneously to both parties

An appeal must be filed in writing within 10 calendar days of receiving the notice of the decision or dismissal, stating the grounds for the appeal and including any relevant documentation in support of the appeal. Appeals submitted after this deadline are not timely and shall not be considered.

A written decision shall be provided to the parties within 20 calendar days from the receipt of the appeal.

The district's decision may be appealed to the California Department of Education within 30 days of the written decision in accordance with BP/AR 1312.3.

Either party has the right to file a complaint with the U.S. Department of Education's Office for Civil Rights within 180 days of the date of the most recently alleged misconduct.

The complainant shall be advised of any civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders that may be available under state or federal antidiscrimination laws, if applicable.

Remedies

When a determination of responsibility for sexual harassment has been made against the respondent, the district shall provide remedies to the complainant. Such remedies may include the same individualized services described above in the section "Supportive

TITLE IX SEXUAL HARASSMENT COMPLAINT PROCEDURES (continued)

Measures," but need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent. (34 CFR 106.45)

Corrective/Disciplinary Actions

The district shall not impose any disciplinary sanctions or other actions against a respondent, other than supportive measures as described above in the section "Supportive Measures," until the complaint procedure has been completed and a determination of responsibility has been made. (34 CFR 106.44)

For students in grades 4-12, discipline for sexual harassment may include suspension and/or expulsion. After the completion of the complaint procedure, if it is determined that a student at any grade level has committed sexual assault or sexual battery at school or at a school activity off school grounds, the principal or Superintendent shall immediately suspend the student and shall recommend expulsion. (Education Code [48900.2](#), [48915](#))

(cf. [5144](#) - Discipline)

(cf. [5144.1](#) - Suspension and Expulsion/Due Process)

Other actions that may be taken with a student who is determined to be responsible for sexual harassment include, but are not limited to:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education of the student regarding the impact of the conduct on others
4. Positive behavior support
5. Referral of the student to a student success team

(cf. [6164.5](#) - *Student Success Teams*)

6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

(cf. [6145](#) - *Extracurricular and Cocurricular Activities*)

When an employee is found to have committed sexual harassment or retaliation, the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

(cf. [4218](#) - Dismissal/Suspension/Disciplinary Action)

Record-Keeping

The Superintendent or designee shall maintain, for a period of seven years: (34 CFR 106.45)

1. A record of all reported cases and Title IX investigations of sexual harassment, any determinations of responsibility, any audio or audiovisual recording and transcript if applicable, any disciplinary sanctions imposed, any remedies provided to the complainant, and any appeal or informal resolution and the results therefrom
2. A record of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment, including the district's basis for its conclusion that its response was not deliberately indifferent, the measures taken that were designed to restore or preserve equal access to the education program or activity, and, if no supportive measures were provided to the complainant, the reasons that such a response was not unreasonable in light of the known circumstances
3. All materials used to train the Title IX Coordinator, investigator(s), decision-maker(s), and any person who facilitates an informal resolution process. The district shall make such training materials publicly available on its web site, or if the district does not maintain a web site, available upon request by members of the public.

REFUSAL TO HARM OR DESTROY ANIMALS

Any student who has a moral objection to dissecting or otherwise harming or destroying animals shall have the right to refrain from participating in instruction which involves such activities and shall not be discriminated against because of a decision to exercise this right. (Education Code 32255.1)

(cf. 5145.2 - Freedom of Speech/Expression)
(cf. 6142.93 - Science Instruction)

The right to refrain from instruction involving harmful or destructive use of animals shall apply to all K-12 courses, except classes and activities conducted as part of agricultural education that provide instruction on the care, management, and evaluation of domestic animals. (Education Code 32255.5, 32255.6)

At the beginning of each academic year, the Superintendent or designee shall notify parents/guardians, in writing, of students' right to refrain from instruction involving the harmful or destructive use of animals. (Education Code 48980)

(cf. 5145.6 - Parental Notifications)

In addition, each teacher of a course that uses live or dead animals or animal parts shall inform students of their right to refrain from the harmful or destructive use of animals. (Education Code 32255.4)

A student who wishes to refrain from such instruction shall notify the teacher and shall provide a note from his/her parent/guardian substantiating the objection. (Education Code 32255.1)

If the teacher believes an adequate alternative project is possible, he/she may work with the student to develop and agree upon an alternative project which would provide the knowledge, information, or experience required by the course of study. Alternative projects include, but are not limited to, the use of video recordings, models, films, books, and computers. The alternative project shall involve time and effort by the student comparable to that required by the original project. (Education Code 32255, 32255.1)

A teacher's determination of whether the student may pursue an alternative project or be excused from the project shall not be arbitrary or capricious. (Education Code 32255.3)

In order to receive course credit, students who participate in an alternative project shall pass all course examinations. Students may request an alternative test, however, if a regular examination requires the harmful or destructive use of animals. (Education Code 32255.1)

HATE-MOTIVATED BEHAVIOR

The Board of Trustees is committed to providing a respectful, inclusive, and safe learning environment that protects students from discrimination, harassment, intimidation, bullying, or any other type of behavior that is motivated by hate.

Hate-motivated behavior is any behavior intended to cause emotional suffering, physical injury, or property damage through intimidation, harassment, bigoted slurs or epithets, force or threat of force, or vandalism motivated in part or in whole by bias or hostility toward the victim's real or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55.

The Superintendent or designee shall design strategies to promote harmonious relationships among students, prevent incidents of hate-motivated behavior to the extent possible, and address such incidents in a timely manner when they occur.

The Superintendent or designee shall collaborate with regional programs and community organizations to promote an environment where diversity is celebrated and hate-motivated behavior is not tolerated. Such collaborative efforts shall focus on the development of effective prevention strategies and response plans, provision of assistance to students affected by hate-motivated behavior, and/or education of students who have perpetrated hate-motivated acts.

The district shall provide students with age-appropriate instruction that:

1. Includes the development of social-emotional learning
2. Promotes an understanding, awareness, appreciation, and respect for human rights, human relations, diversity, and acceptance in a multicultural society
3. Explains the harm and dangers of explicit and implicit biases
4. Discourages discriminatory attitudes and practices
5. Provides strategies to manage conflicts constructively

HATE-MOTIVATED BEHAVIOR (continued)

As necessary, the district shall provide counseling, guidance, and support to students who are victims of hate-motivated behavior and to students who exhibit such behavior.

When appropriate, students who engage in hate-motivated behavior shall be disciplined.

The Superintendent or designee shall provide staff with training that:

1. Promotes an understanding of diversity, equity, and inclusion
2. Discourages the development of discriminatory attitudes and practices
3. Includes social-emotional learning and nondiscriminatory instructional and counseling methods
4. Supports the prevention, recognition, and response to hate-motivated behavior
5. Raises the awareness and sensitivity of staff to potentially prejudicial and discriminatory behavior
6. Includes effective enforcement of rules for appropriate student conduct

Employees who engage in hate-motivated behavior shall be subject to disciplinary action, up to and including dismissal.

Rules prohibiting hate-motivated behavior and procedures for reporting a hate-motivated incident shall be provided to students, staff, and parents/guardians.

This policy shall be posted in a prominent location on the district's web site in a manner that is readily and easily accessible to parents/guardians and students. (Education Code 234.6)

Complaints

Any staff member who is notified that hate-motivated behavior has occurred, observes such behavior, or otherwise becomes aware of an incident shall immediately contact the compliance officer responsible for coordinating the district's response to complaints and complying with state and federal civil rights laws. As appropriate, the staff member shall also contact law enforcement.

HATE-MOTIVATED BEHAVIOR (continued)

A student or parent/guardian who believes the student is a victim of hate-motivated behavior is encouraged to report the incident to a teacher, the principal, the district's compliance officer, or other staff member.

Any complaint of hate-motivated behavior shall be investigated and, if determined to be discriminatory, shall be resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3 - Uniform Complaint Procedures or other applicable procedure. If, during the investigation, it is determined that a complaint is about nondiscriminatory behavior, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

MARRIED/PREGNANT/PARENTING STUDENTS

The Board of Trustees recognizes that responsibilities related to marriage, pregnancy, or parenting and related responsibilities may disrupt a student's education and increase the chance of a student dropping out of school. The Board therefore desires to support married, pregnant, and parenting students to continue their education, attain strong academic and parenting skills, and promote the healthy development of their children.

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5147 - Dropout Prevention)

(cf. 6011 - Academic Standards)

(cf. 6164.5 - Student Success Teams)

In addition, the district shall not adopt any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

Education and Support Services for Pregnant and Parenting Students

Pregnant and parenting students shall retain the right to participate in the regular education program or an alternative education program. (cf. 6158 - Independent Study)

(cf. 6181 - Alternative Schools/Programs of Choice)

(cf. 6184 - Continuation Education)

(cf. 6200 - Adult Education)

Any alternative education program, activity, or course that is offered separately to pregnant or parenting students, including any class or extracurricular activity, shall be equal to that

offered to other district students. A student's participation in such programs shall be voluntary. (Education Code 221.51; 5 CCR 4950)

If required for students with any other temporary disabling condition, the Superintendent or designee may require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery, to obtain certification from a physician or nurse practitioner indicating that the student is physically and emotionally able to continue participation in the regular education program or activity. (Education Code 221.51; 5 CCR 4950; 34 CFR 106.40)

(cf. 6142.7 - Physical Education and Activity)

(cf. 5113 - Absences and Excuses)

Parental Leave

A pregnant or parenting student shall be entitled to eight weeks of parental leave in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. Such leave may be taken before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. The Superintendent or designee may grant parental leave beyond eight weeks if deemed medically necessary by the student's physician. (Education Code 46015; 34 CFR 106.40)

The student, if age 18 years or older, or the student's parent/guardian shall notify the school of the student's intent to take parental leave. No student shall be required to take all or part of the parental leave. (Education Code 46015)

(Education Code 46015)

The school shall provide reasonable accommodations to any lactating student to express breast milk, breastfeed an infant child, or address other needs related to breastfeeding. A student shall not incur an academic penalty for using any of these reasonable accommodations, and shall be provided the opportunity to make up any work missed due to such use. Reasonable accommodations include, but are not limited to: (Education Code 222)

BEFORE/AFTER SCHOOL PROGRAMS

The Board of Trustees desires to provide learning opportunities for students beyond the regular school day that support the regular education program in a supervised environment. In order to increase academic achievement of participating students, the content of such programs shall be coordinated with the district's vision and goals for student learning, local control and accountability plan, curriculum, and academic standards.

Each program offered by the district shall be planned through a collaborative process as requires by law. (Education Code 8422, 8482.5, 46120)

To the extent feasible, the district shall give priority to establishing expanded learning opportunities beyond the regular school day in low-performing schools and/or programs that serve low-income and other at-risk students.

Any expanded learning opportunities, including but not limited to After School Education and Safety Program (ASES), 21st Century Community Learning Center Program (21st CCLC), 21st Century High School After School Safety and Enrichment for Teens Program (ASSETs), Expanded Learning Opportunities Program (ELO) or any other program to be established pursuant to Education Code 8421, 8482.3 or 8484.75 shall be approved by the Board.

The Superintendent or designee shall ensure that all staff who directly supervise students in the district's expanded learning opportunity programs possess appropriate knowledge and experience. As needed, staff and volunteers shall receive ongoing training related to their job responsibilities.

Each before-school, after-school, summer, vacation, or intersessional expanded learning opportunity program shall include academic and enrichment elements in accordance with law and administrative regulation. In addition, each program may include support services that reinforce the educational component and promote student health and well-being.

No fee shall be charged for participation in the program.

However, for the ASSETs program, a family fee shall be waived or reduced for families with students who are eligible for free or reduced-price meals. (Education Code 8422)

For ASES, 21st CCLC, and/or Expanded Learning Opportunities programs, no fee shall be charged for a student who is eligible for free or reduced-price meals, or a student who the district knows is a homeless youth or in foster care. In addition, family fees shall be

BEFORE/AFTER SCHOOL PROGRAMS

calculated on a sliding scale that considers family income and ability to pay. (Education Code 8482.6, 46120)

Eligible students who are 11 or 12 years of age shall be placed in a before-school or after-school program, if and when available, rather than subsidized child care and development services. During the time that the before-school or after-school program does not operate, such students may be provided the option of enrolling in child care and development services in accordance with the enrollment priorities established in AR 5148 - Child Care and Development. (Welfare and Institutions Code 10273)

The Board and the Superintendent or designee shall monitor student participation rates and shall identify multiple measures that shall be used to evaluate program effectiveness. Such measures may include, but are not limited to, student outcome data; program self-assessments; feedback from staff, participating students, and parents/guardians; and observations of program activities.

Every three years, the Superintendent or designee shall review the after-school program plan, including, but not limited to, program goals, program content, and outcome measures. Documentation of the program plan shall be maintained for a minimum of five years.
