School Description

Biggs High School was established in 1912, with the current campus constructed in 1963.

The school is located in the town of Biggs and draws students from an area encompassing 136 square miles. Biggs is a small, rural, and agricultural community, located 25 miles south of Chico and 50 miles north of Sacramento.

Our mission, “as the cornerstone of a lifelong learning community, is to make all learners academically and vocationally prepared, self-reliant, curious, creative, thoughtful of others, technologically competent, and capable of using their learning to succeed in life and positively contribute to the community.”

Biggs High School is proud of its students, curriculum and special programs. Our athletic and co-curricular and extracurricular programs are respected throughout the area with many outstanding coaches and advisors.

All students have access to chrome books in the classrooms, that provide career information and internet capabilities. The library is open after school to meet student needs.

The school is currently on a seven period day schedule.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

The district utilizes a process for adopting core instructional materials. A committee of administrators and content area teachers are involved in the review process to assure that instructional materials are standards-aligned and make a recommendation to the Board of Trustees for district adoption. Parents have the opportunity to review materials that are recommended for adoption prior to approval. All supplemental curriculum or non-adopted textbooks or instructional materials are standards aligned.

School Facility Conditions and Planned Improvements (Most Recent Year)

The current Biggs High School site was completed in 1963. The school has 17 regular classrooms, 2 science labs, 1 computer lab, 1 Special Education classroom, 1 Band room and 2 portables. Biggs High School also has its own Gym and Cafeteria/ Multi-purpose room. The District maintenance department maintains all campus buildings. Proposed maintenance projects are listed in the five-year plans.

Like a majority of the District facilities, Biggs High School is eligible for modernization funding through the Office of Public School Construction. The District will be working to modernize each school site to ensure that the facilities remain in good repair.

All school facilities comply with the Williams Settlement. All school facilities are clean, safe, and maintained in good order. Improvements include, updated restrooms, installed video cameras around campus for safety and added signage. Outside lighting has been upgraded during the past year.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	12	N/A	18	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

We are fortunate to have on-going support from the community and we provide as many opportunities for parents to be a part of their child's educational experience. Starting in the fall parents are welcome to assist and are invited to attend all school related events including: Monthly Parent Nights, Homecoming float building & poster making, athletic boosters, Ag boosters, Ag Advisory, ASB Welcome Back to School Luncheon, fall Back-to-School Night, freshman orientation, College Scholarship Information Night, Cash for College Night, Spring Open House, Athletes Committed Code Night, scholarship awards night, semester academic awards, sports awards nights, annual spring FFA family dinner, FFA Blue & Gold End of the Year Awards, Right of Passage (Senior Farewell & Welcome Incoming Freshman), School Site Council (SSC) and an English Learners Advisory Committee (ELAC).

In addition, we use Google Classroom, Aries.Net, and our school website (www.biggs.org) to communicate with parents. These tools provide parents with information regarding their child's academics and upcoming school events.

For more information on how to become involved, contact us at (530) 868-1281, extension 271.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The Comprehensive School Safety Plan complies with state requirements and addresses school safety strategies that are preventative and an annual goal for improving school safety. Regular emergency drills are conducted and include evacuation, lock-down, earthquake, and shelter-in-place. The School Site Council reviews and approves the school safety plan annually.

The district-wide Crisis Response Procedures document outlines the district emergency management procedure. Crisis response teams with varied functions are established to support schools in crisis situations. Specific response procedures to earthquakes, fire/explosion, intruders on campus, as well as many emergency disasters are outlined.

Each year, safety checks are conducted by district maintenance in conjunction with local fire and police. The district is mandated to correct any safety deficiency.

The district has a Safety Committee which meets regularly to address safety needs throughout the district.

Each year the Butte County Office of Education completes a Williams Act visit to the campus.

For more information or to view the Comprehensive School Safety Plan and Crisis Response Procedures, please contact the District Office at (530) 868-1281 ext 250.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.8	4.2	2.5
Expulsions	0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	17	17	17

Curricular and Instructional development is an ongoing process. Teachers are encouraged and provided training to use State Standards to plan curriculum and delivery for their disciplines. They recognize that State assessments are based on the student's proficiency in learning State Standards. Prior to the start of the school year three days are provided for collaboration and one day during the school year. During the school year, 14 early release days are embedded in our master schedule for teachers to examine assessment data and collaborate to develop strategies to pursue high levels of student-learning. Teacher were provided professional development in lesson designs and checking for understanding as a focus.

Career Technical Education Programs

This section provides information about the degree to which pupils are prepared to enter the workforce, including a list of career technical education (CTE) programs offered at the school.

Biggs High School offers three "Career Pathway Sequences". Students that choose to participate in one of the three pathways have the opportunity to graduate as a Biggs High School "Program Completer". In order to be considered a completer they must have taken an introductory, concentrator, and capstone class in the pathway of their choosing. These pathways were designed to give students hands on opportunities to gain skills/knowledge tied to current industry standards. Additionally, many of these pathway courses are articulated with Butte community college so students receive both high school and college credit while completing the courses.

The three Career Pathways include:

- Agriculture Mechanics (Ag Earth Science, Ag Mechanics I/Woodshop/Ag Construction & Fabrication)
- Manufacturing and (Ag Earth Science, Ag Mechanics or Welding 1, Ag Construction & Fabrication)
- Engineering (Computer Awareness, Web Design, Computer Assisted Drafting (CAD)/or Tech Training

Each of the CTE class are integrated with core curriculum classes and each pathway course includes skills based assessment of student mastery. All students are encouraged to join a CTE class when the counselor meets with them one on one to discuss their four year plan. Also classroom presentations are given to students in their English classes discussing the career pathway options and course mapping.

Contact Steve Boyes at Biggs High School for additional information on the FFA and Ag programs. Contact Adam Sharrock about the Web Design and CAD programs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
